KURT VONNEGUT

Dear Friend:

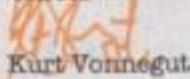

The Justice Department has found yet another devastating legal weapon to misuse in its war on our Constitutional right to say, show, hear, read or see whatever we please without fear of punishment. Find the ugly details enclosed.

It is our own government rather than an invading army which seeks to deprive us of the protection of the First Amendment, so we can win this fight in the courts rather than on a bloody battlefield.

Please join me in sending money at once to the American Civil Liberties Union, the only national organization willing and able to go to court week after week and decade after decade to ensure that every sort of American, no matter how unpopular, gets every bit of freedom which the Constitution guarantees.

I am a private citizen who happens to be a professional writer. But, writer or not, I am like all other Americans a lifelong beneficiary of the legal victories won by the ACLU, whose only aim is this: to see to it that nobody in this country, no matter how powerful or popular, gets away with stealing somebody else's civil liberties.

Cheers—

Kurt Vonnegut

OFF THE TOP

You too can become a card-carrying member of the ACLU!!!

These letters, from yesterday's mail, say it better than I can:

Fledermaus

Dear Friend:

If you thought the eight-year struggle against the right-wing extremists of the Reagan Era was already won... THINK AGAIN! Despite internal turmoil at its highest level—including the legal and ethical problems that forced the resignation of Attorney General Edwin Meese himself, the Justice Department has decided to go forward with a new and massive attack on bookstores and video shops. This latest—and truly frightening assault—represents the greatest challenge yet to the First Amendment.

Misusing RICO

The Reagan Justice Department's latest attack on your First Amendment Rights is coming in the guise of an all out "war on sex." To prosecute this war, RICO—an acronym for "Racketeer Influenced and Corrupt Organizations," was first enacted by Congress in 1970 to fight organized crime. Its objective was to stop mobsters from channeling money from criminal enterprises such as drug trafficking into legitimate businesses used as fronts. RICO is among the most powerful and sweeping federal laws on the books. It gives prosecutors free rein to confiscate the inventories of businesses that launder money for organized crime.

BUT NOW... the Justice Department has begun to use this law to close down bookstores or videotape shop. If they find a couple of arguably obscene items among the hundreds of legitimate titles, they can close the store and seize the assets.

This novel use of RICO's penalties was recommended by the same Justice Department group that sent greeting cards to book and magazine dealers beginning: "You have been identified as a possible distributor of obscene materials..."

Recently the feds obtained the first pornography conviction under the 18-year-old RICO statute. In a landmark case they ordered a Virginia couple to hand over the entire contents of three bookstores and video rental shop—although a jury found that relatively few tapes were sexually explicit (customers could rent anything from "Star Wars" to "Casablanca").

Landmark Case

The government also wanted to confiscate their home. And they face 95 years in prison.

95 Years for 105 Dollars

In Florida, Fort Lauderdale authorities went on a 13-year rampage, forcing bookstores to close temporarily while the clerks were jailed and subjected to strip searches. Arrests became so routine that the clerks sometimes carried envelopes with bail money. In Indiana, the owners of three adult bookstores were arrested, their stores padlocked, and their inventories seized, on the basis of unproven allegations that they committed at least two violations of the state's obscenity laws.

Classics Taken From Bookstore Shelves

When you first read "Ulysses," your edition probably contained the landmark decision permitting some sexually explicit material. Small wonder that more and more bookstores are removing "questionable" titles from their shelves before authorities have deemed them obscene. They are terrified of economic annihilation. Consequently, bookstores are censoring themselves!

"Stand And Deliver"

Like a highwayman of old, RICO can strip the hapless victim of everything he or she owns. Its penalties include seizing the defendant's home, bank accounts, car, business, etc. Among RICO's more sinister provisions: there is no right of appeal before judgement is executed. This means:

1. The defendant may not petition the court to stay forfeiture proceedings while the case is on appeal.

2. He may also be forced to forfeit all his business and personal assets as soon as he or she has been sued. That's right—so powerful is this law that the

Justice Department can seize assets before a court or jury has even heard the case!

If the decision is reversed later, of course, he has the privilege of battling the government over whether his refund check should be for more than his

assets fetched on the auction block.

Emboldened by the recent Virginia case and the forfeitures of property, the Justice Department's "morality squad" is now more determined than ever to use RICO against "distributors of obscene materials"—i.e., bookstores and video tape dealers. More federal indictments may be imminent!

Fortunately for all of us, they raise a major constitutional question: Has the government the right to confiscate materials that have not been declared obscene in court, and are therefore protected under the First Amendment's guarantee of free speech?

Supreme Court To The Rescue

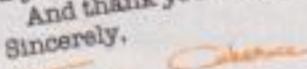

The Supreme Court has agreed to hear a case which could stop these self-appointed moralists in their tracks—if you are willing to help. To meet the costs of going to court in this critical first step of defending the First Amendment, The ACLU needs money. We need it immediately. Seldom have the stakes been higher.

If our challenge to this outrageous attack on the First Amendment (in the guise of a "war on sex") is inadequately researched, prepared and presented for lack of funds, the constitutional scar tissue will last for years to come. If we don't stop them now—if we don't stop them cold: The Justice Department will make bookburners out of the federal prosecutors. Book and video sellers will be forced to censor themselves to avoid prosecution and confiscation of their assets. The Reagan Administration will leave a frightening legacy of harm, if not irreparable damage, to the First Amendment.

To protect the First Amendment from this latest threat, we need \$225,000 in the next 30 days. If you have considered joining the ACLU in the past do it now! Please help us raise the needed money by sending in your membership enrollment today. Basic membership is \$20, but please send at least \$5 more if you possibly can spare it.

And thank you in advance.

Sincerely,

Ira Glasser

Executive Director, American Civil Liberties Union

132 West 43rd St., New York, NY 10036

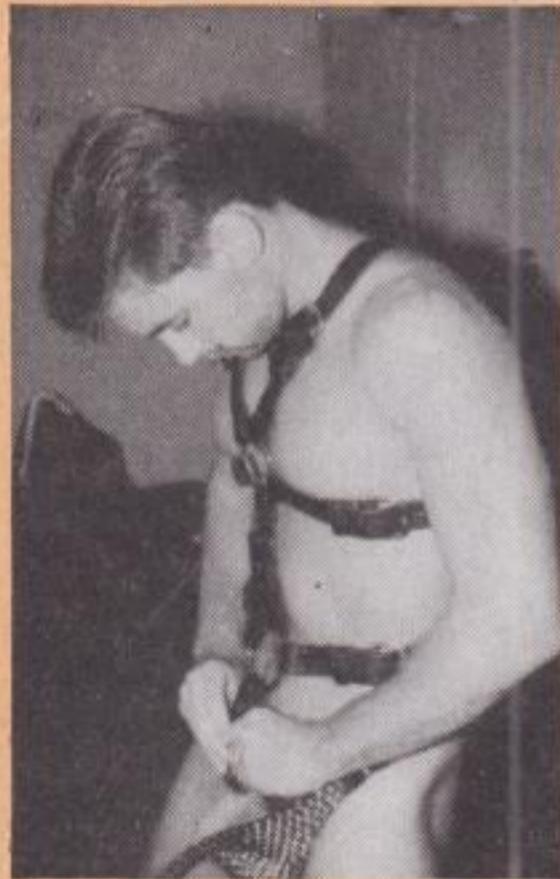

PS: Your help has never been more needed. At the very moment we are defending the First Amendment against new and dangerous assaults, the ACLU itself is coming under attack. Vice President George Bush has attacked his opponent for being a "card-carrying member of the ACLU." And in an ugly descent into McCarthyism, many extremists have followed his lead and implied that the fight to protect First Amendment rights is somehow "un-American" and unpatriotic! These are more than campaign tactics. They're attacks aimed at eroding support for the ACLU at the very moment our work in defense of the First Amendment against the "Reagan-Meese legacy" is so critically important.

A YOUNG EAGLE FROM COLUMBUS TAKES FLIGHT

by KEN LACKEY

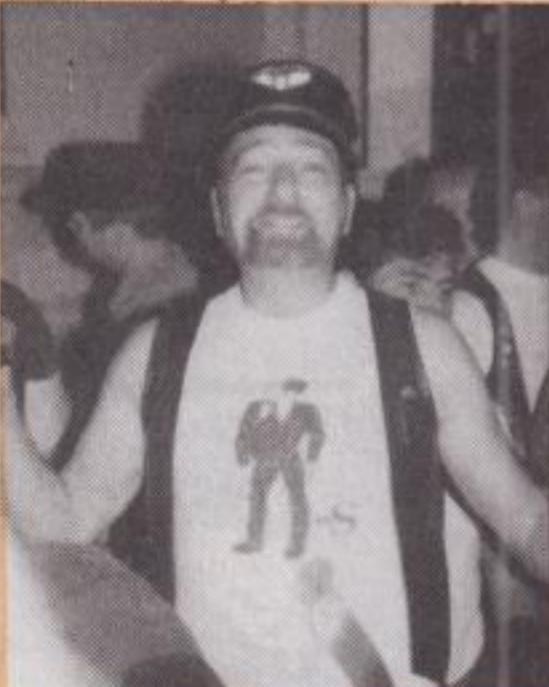

Ron Zehel was the first of the Mr. Drummer finalists to hit town. I met Ron and his sponsor, Ed Tomsic of the Columbus Eagle, the Saturday before the contest at Mr. S Leathers, where I was buying rubber and Ron was being cruised by every man within a three-block radius. Ed asked me if I could suggest a place for Ron to work out. I wanted to say he could do push-ups on my face, but Coulter Thomas beat me to the punch. Over the next week, sly Coulter was only too happy to extend to Ron the benefit of his...expertise. Ron's SF debut was noteworthy for another reason: Alan Selby

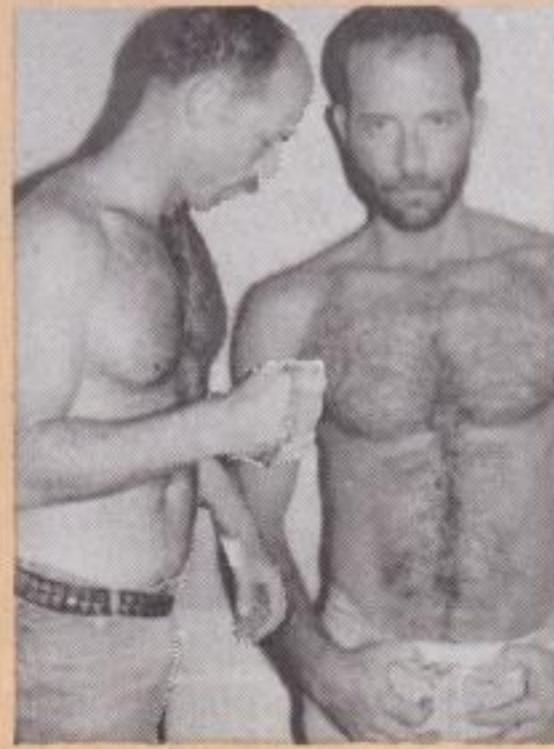

Decker appeared at the Drummer offices and my brain immediately turned to jello. Wes looked tough and tall and somewhat intimidating, but he turned out to be quite modest and very charming. An unofficial poll of the Drummer staff would eventually award Wes the titles of Nicest Personality and Best Armpits. Every time I saw Wes during Leather Pride Week, he had a different tongue up under his arm.

Mark Klein of San Diego had come very highly recommended by IML Michael Pereyra, but Mike hadn't prepared me for that sublimely hairy chest! Mark and Chuck Smukler from Denver quickly split the Drummer poll for Best Chest Hair. It became clear after a couple of public

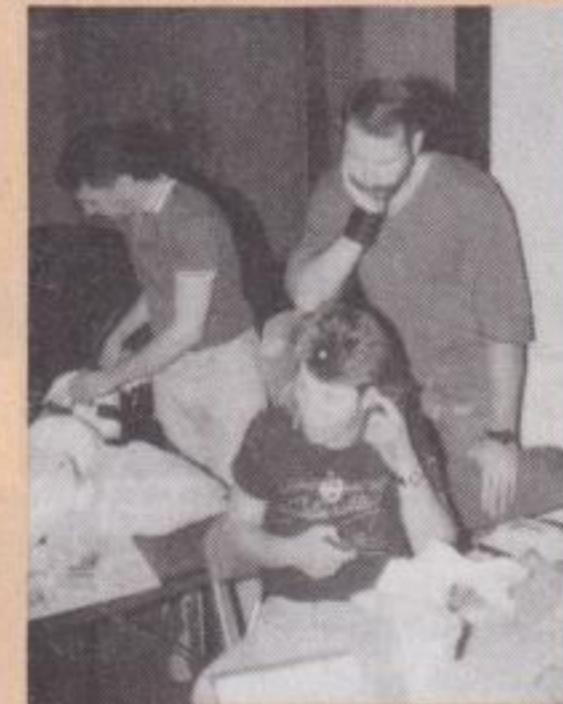

never one to exaggerate about matters of size, assured me that after trying on every codpiece in the store, Mr. S had none large

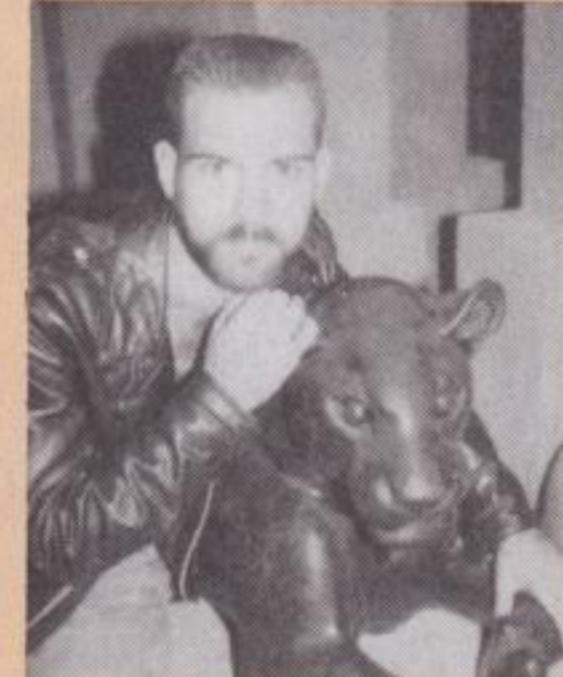

appearances that Mark, Wes and Ron Zehel were consistent crowd favorites, with Ron perhaps garnering the most enthusiastic response.

By Wednesday of Leather Pride Week, a dozen Drummer-studs had arrived safely in San Francisco. I'll risk a cliche by saying that any one of the twelve finalists would make a fine Mr. Drummer and that everyone involved with the contest was very impressed by the high caliber of the representatives. The one person who would best get to know all twelve men over the rehearsal period (and also one of the shrewdest judges of character I know) was Stage Manager, Head Denperson and all-around SuperWoman Audrey

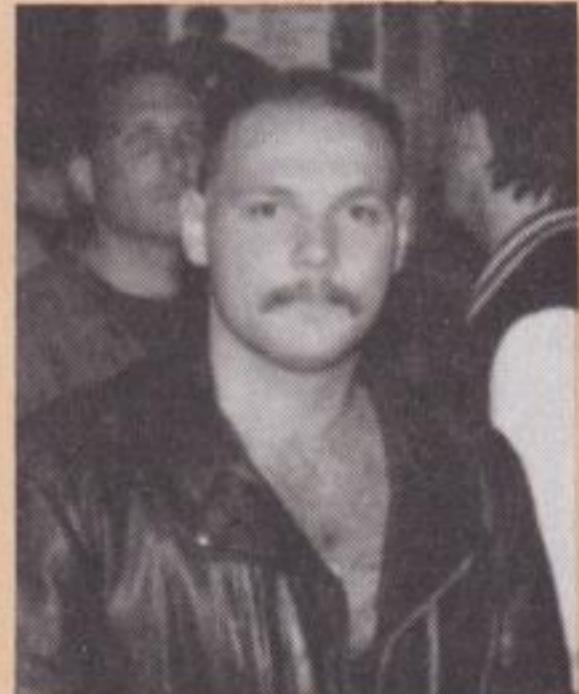

Joseph. A skilled organizer, Audrey's duties ran the imaginable gamut from scripting the

entire show to defending Mr. Dixie Drummer, Chris Minor, when he became the target of an over-zealous rent-a-cop who

confiscated his leather slapper (a deadly weapon!) and threatened to stop the show! Audrey still gets a glow when she talks about the Drummer contestants, and how sweet and personable they were as individuals, how cooperative and supportive of each other they were during what was an admittedly confused and hectic period, and the total absence of backstabbing and primadonnaism often associated with the beauty contest ritual. It makes us at Drummer feel very proud that our contest would attract such a great group of entrants, and we congratulate all twelve men. Without their unique individual input, the contest would never have been the success it turned out to be.

The gentleman who assumed the enviable task of seeing each of the twelve contestants buck naked (Yeah, it's a dirty job, but etc., etc.) was Official Contest Photographer, Drew Nicholas. We chose Drew not only for his photographic artistry, but also because of his SM expertise, in the hope that we would obtain the most erotic and sensual vision of the contestants in the limited time available. He did not disappoint. Some of these young men were amazing subjects: Joe

Mancini from Providence, RI, for example turned out to be extremely photogenic, making him the favorite of Drummer's Art Director. I met Joe at the Eagle auction, where he breathlessly asked me for as much info as

WEDNESDAY SEPTEMBER

Dinner With a Winner

As the representative of the host city, Mr. Northern California Drummer, Jim Kahl, organized a welcoming party and benefit auction at the SF Eagle. Each of the twelve Mr. Drummer finalists were introduced to the eager mob on the Eagle patio. The opportunity to have dinner at the Galleon restaurant with the Drummerman of one's choice elicited some spirited bidding. The local leatherman went for the top amount as \$1,050 was bid for the privilege of dinner with Jim Kahl (No doubt beef was on the menu). A total of \$3,125 was raised to benefit the AIDS Emergency Fund. Jim would like to thank the SF leather community for its enthusiastic participation in the event.

Fetish and Fantasy Night

The Powerhouse bar was packed to the fucking rafters with SM experts and aficionados of every size, shape, gender and persuasion, which definitely made mingling an educational experience. For the fifth time, Alan Selby of Mr. S Leathers created a fabulous party where those who do SM most devotedly could share their artistry with the community at large. And if one occasionally had trouble breathing in the jam-packed throng, remember that breath control is definitely a part of SM! Alan thanks all those who participated in the event, which raised \$2,750 for the AIDS Emergency Fund, a cause most dear to his heart. In future, Fetish and Fan-

crowd. It will become a biannual event to coincide with both the

Press Party

Desmodus, Inc. hosted a cocktail reception in the Corinthian Room of the San Franciscan Hotel. This was an opportunity for contestants, judges and sponsors to meet with the press and with each other. The fete also afforded Drummer staff the luxury of guzzling champagne, cruising the contestants (to no avail) and gawking at the assembled VIPL's (Very Important Persons in Leather). We had a great time! Drummer would like to thank its seven-man panel of judges who acquitted themselves with distinction: Mark Alexander, Mikal Bales, Mitch Davis, Jack Fritscher, Dom Orejudos, Michael Pereyra, Henry Romanowski, and Fred Katz, our Tally Master.

Leather Dance

Up Your Alley Productions kicked out the walls of the San Franciscan's Crystal Ballroom with its Leather Dance featuring the soulful sounds of Disco Diva Viola Wills. La Wills definitely had the Dehner boots pounding the parquet, as did the night's deejay Mike Murray (Mr. Drummer 1986). The evening was also enlivened by the razorsharp wit of comics Danny Williams and Shan Carr. This crowd came to dance, and anyone who can't imagine dancing in full leather should have seen Mr. Great Lakes Drummer, Erik Alexander, as he demonstrated exactly how it's done.

possible on Mr. SF Leather, Stephen Mistler. Chuck Smukler, Mr. Rocky Mountain Drummer, also impressed us with his skill as a model. There simply are no shots of blue-eyed hairy Chuck where he looks less than perfect. We'll be bringing Drummer readers the results of the no-holds-barred photo sessions Drew orchestrated throughout the cumming year.

By Saturday night, the pressure was off the members of Drummer's staff and upon the shoulders of Contest Producer Jerry

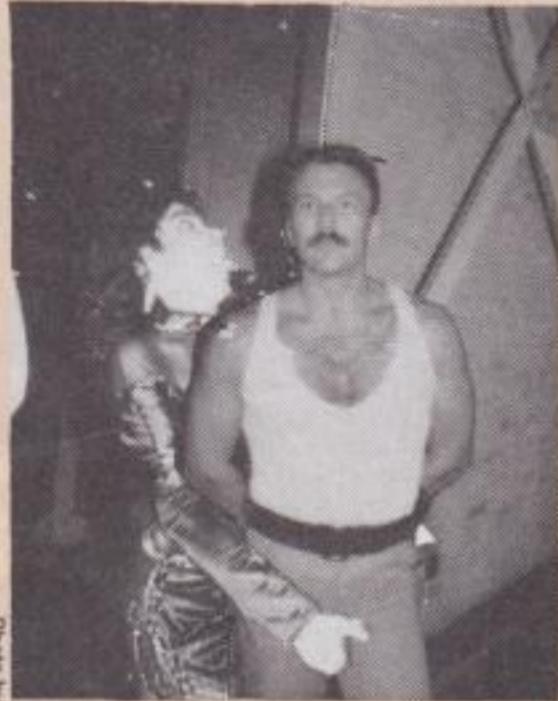

Vallaire (of Up Your Alley Productions, whom Drummer thanks heartily for a most successful show), Audrey Joseph, the esteemed panel of judges and of course, the contestants themselves. That they performed admirably under pressure is a matter of record for anyone who

attended the Finals at the Galleria, and will be soon evident to the horny masses who purchase the MEN videotape of Mr. Drum-

mer 88. They have quite a treat in store because, from the standpoint of pacing and production values, this year's contest was the best ever.

Different aspects of the show appealed to various tastes, but there were some undisputed highlights which deserve mention here. Mike Murray (Mr.

Drummer 86) and Marga Gomez skillfully handled their emcee duties and seemed to spark each other before the receptive audience (I have a friend who unabashedly says that Marga's dress was the high point of the evening for him!). Viola Wills tore up the house with some earthy rhythm and blues, an encore to her fabulous Friday performance. Shan Carr and B.C. Cliver (International Ms Leather 88, and her

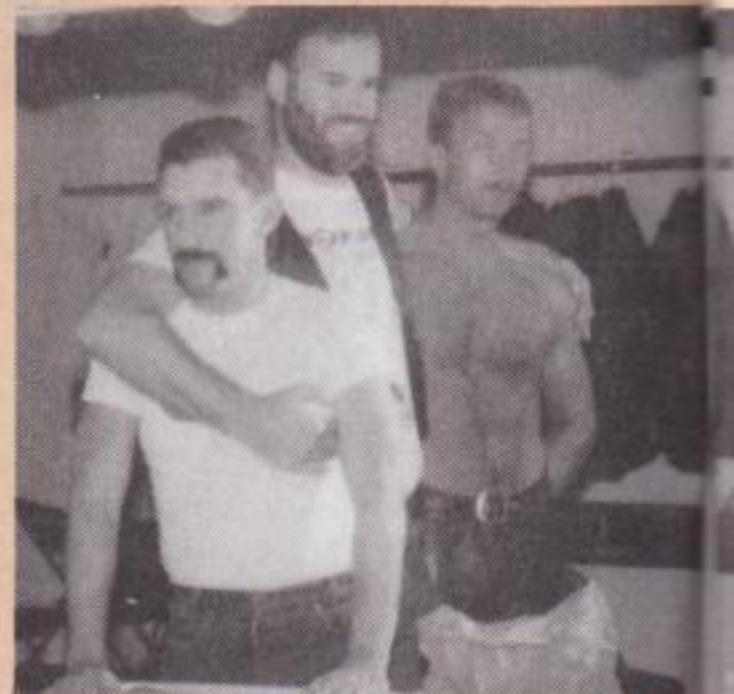

first-runner-up) charmed a crowd which admittedly was assembled to gaze at manflesh, but was glad for the invaluable support of our sisters in leather. The "Drummer Dancers" (a con-

cept I had trouble envisioning) performed a slickly energetic routine and were very entertaining indeed.

The anxiously-awaited fantasy presentations lived up to most people's expectations, although some in the audience were disturbed by intimations of non-consensuality they contained. I've said it before and I'll say it again: These are presentations of sexual FANTASY, and are not meant to portray behaviors which should necessarily be encouraged in real-life sexual situations. This is the competition that originated with the Mr. Drummer contest (although

such events as International Ms Leather and Mr. New York Leather have since followed our lead), and affords a more revealing glimpse of each contestant than a mere parade before the audience. One of the heroes of the evening was Mr. Northeast Drummer, John Scancarella

(voted Best-Dressed in Leather by Drummer), who, unruffled by the absence of a no-show Drummerboy, went on to perform like real pro. Certainly sexual showmanship was evidenced by contestants such as Wes Decker,

whose gang initiation fantasy was highly theatrical. In Wes' presentation, a rival gang member spray-paints graffiti (PUSSY!) across a poster of a streetgang leader (Wes), is caught in the act and suffers the revenge of the leader and his henchmen. Revenge was a factor in a number of the other fantasies, including that of Erik Alexander, Mr.

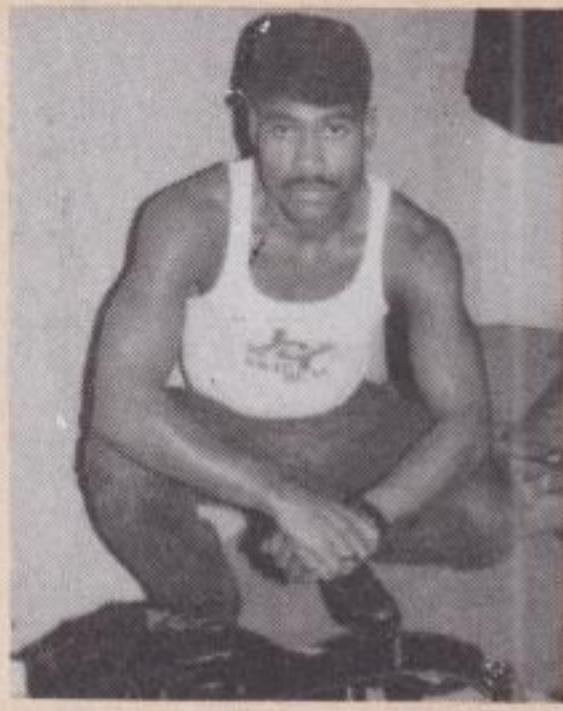

Great Lakes Drummer, who underwent an assault at the hands of an attacker, and then turned the tables to the delight of the audience. A lighter note was struck by Rob Neys, Mr. North-

Photo by Robert Pruzan

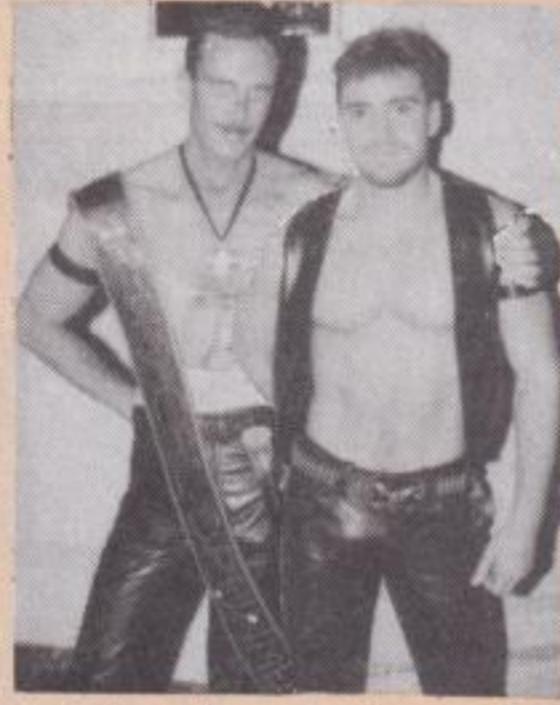

west Drummer, whose fantasy involved an obstetrics table, shoulder-length veterinary gloves and a basket full of "new-born" teddy bears! Rob proved that he definitely knows something about birthing babies. Rob was also the backstage choice for Mr. Congeniality, Audrey assures us. Walter Thompson III showed

a great deal of class with his dignified and stylish presentation, which incorporated dance, music and the spoken word, as well as showing off his background in physique posing competition. Like his predecessor Michael Shareck, Ric Turner (Mr. Mid-Atlantic Drummer) did

a solo routine. Swathed in a bath towel, Ric worked over his own tits and rose to the challenge of a massive latex fist, while reading the Drummer classifieds for encouragement. Electrotorture was featured in the fantasies of Jim Kahl and Ron Zehel, who earned the nickname, "The Happy Sadist", when he smilingly doubled his pleasure and doubled his fun by subduing and

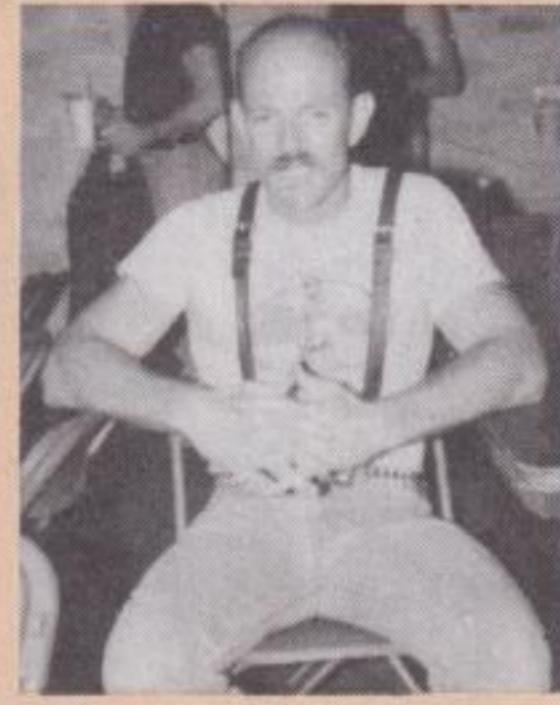

torturing two bottoms. Ron wowed the crowd with his climax (figuratively speaking) as a realistic Family Jewels dildo effectively simulated orgasm (while bearing an uncanny resemblance to the real Zehel thing, we might add).

With the five phases of competition (Leather image, cruisewear, interview, jockstrap and fantasy) completed, it was anyone's guess as to whom the

victor would be. And, unfortunately, the audience would be kept guessing for many minutes to come. The one complaint I've heard about this year's contest was the long delay in announcing the winner, and I'm sure that changes in the scoring system will be enacted before next year.

"Second-runner-up: Mr. Southwest Drummer, Wes Decker!" This came as a surprise to many who had thought that the dark, devilish Texan had it sewn up. Certainly, Wes had taken San Francisco by storm and won quite a few hearts during the week.

"First-runner-up: Mr. Southern California Drummer, Mark Klein!" Again, Mark had many loyal fans in the house. He also conformed most closely to the Mr. Drummer image as exemplified by Mark Alexander: a

mature, macho stud completely at home on Top, as his bondage-and-bloodletting fantasy revealed.

"Mr. Drummer 1988 is Mr. Midwest Drummer, Ron Zehel!" While zealous Ron had been inspiring erections everywhere he went during Leather Pride Week, there were a number of traditionalists who felt that he was too nubile, too unseasoned, too damned young to be Mr. Drummer. However, we at Drummer are more than comfor-

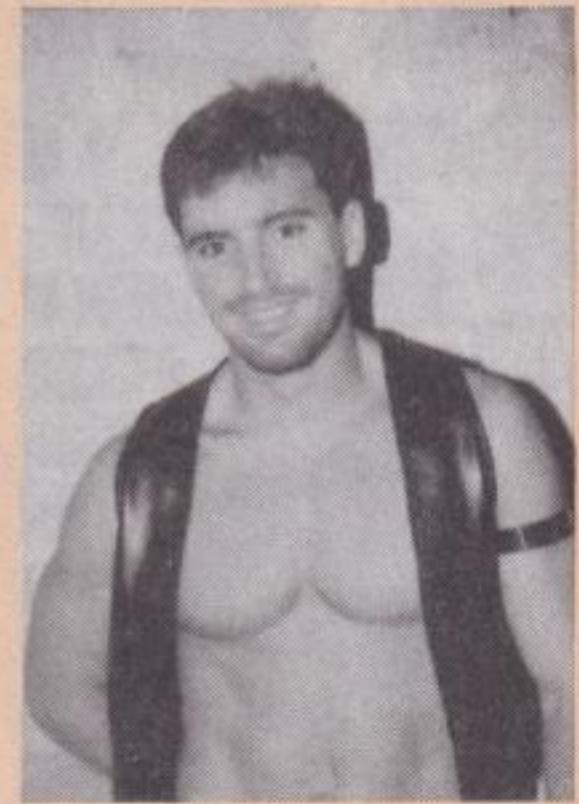

table with the judges' choice and what he represents: an up-dated, more modern image, a young stud just stepping into manhood with a maturity and grace beyond his years. There is a certain healthy glow to Ron that is more in keeping with the current sexual climate than with the glassy-eyed hedonism of the past. This is a Mr. Drummer for whom the Good Old Days are right now and for whom the future is awash with possibilities: If he's this gorgeous at twenty-one, imagine him ten virile, masculine years from now when he will STILL be in his prime! We are very proud of our new Mr. Drummer, who casts a fresh look at the future and meets it head-on, fully capable of responding to its challenges and responsibilities. We give you Ron Zehel, Mr. Drummer 1988. □

THINKING

by
Spunk
photos from
Seabag Productions
and
Drummer Files

Yeah, so I can suck myself. It's certainly no big deal to me.

I've been able to since I started jacking off. But it's always been a big attraction to other guys — and women, too, come to think of it. Not that I play around with them very much, but when the opportunity arises, it can be fun. Doesn't really feel any different—just a little softer, less muscular. But where was I?

Sucking myself off, while everyone else gasped in amazement. Right.

All through my teen years—along with standard jackoff techniques, in the bathroom—I'd suck myself off now and then, just to see if I could still do it. I think the most public I ever got about sex in those days was going into the woods to jack off.

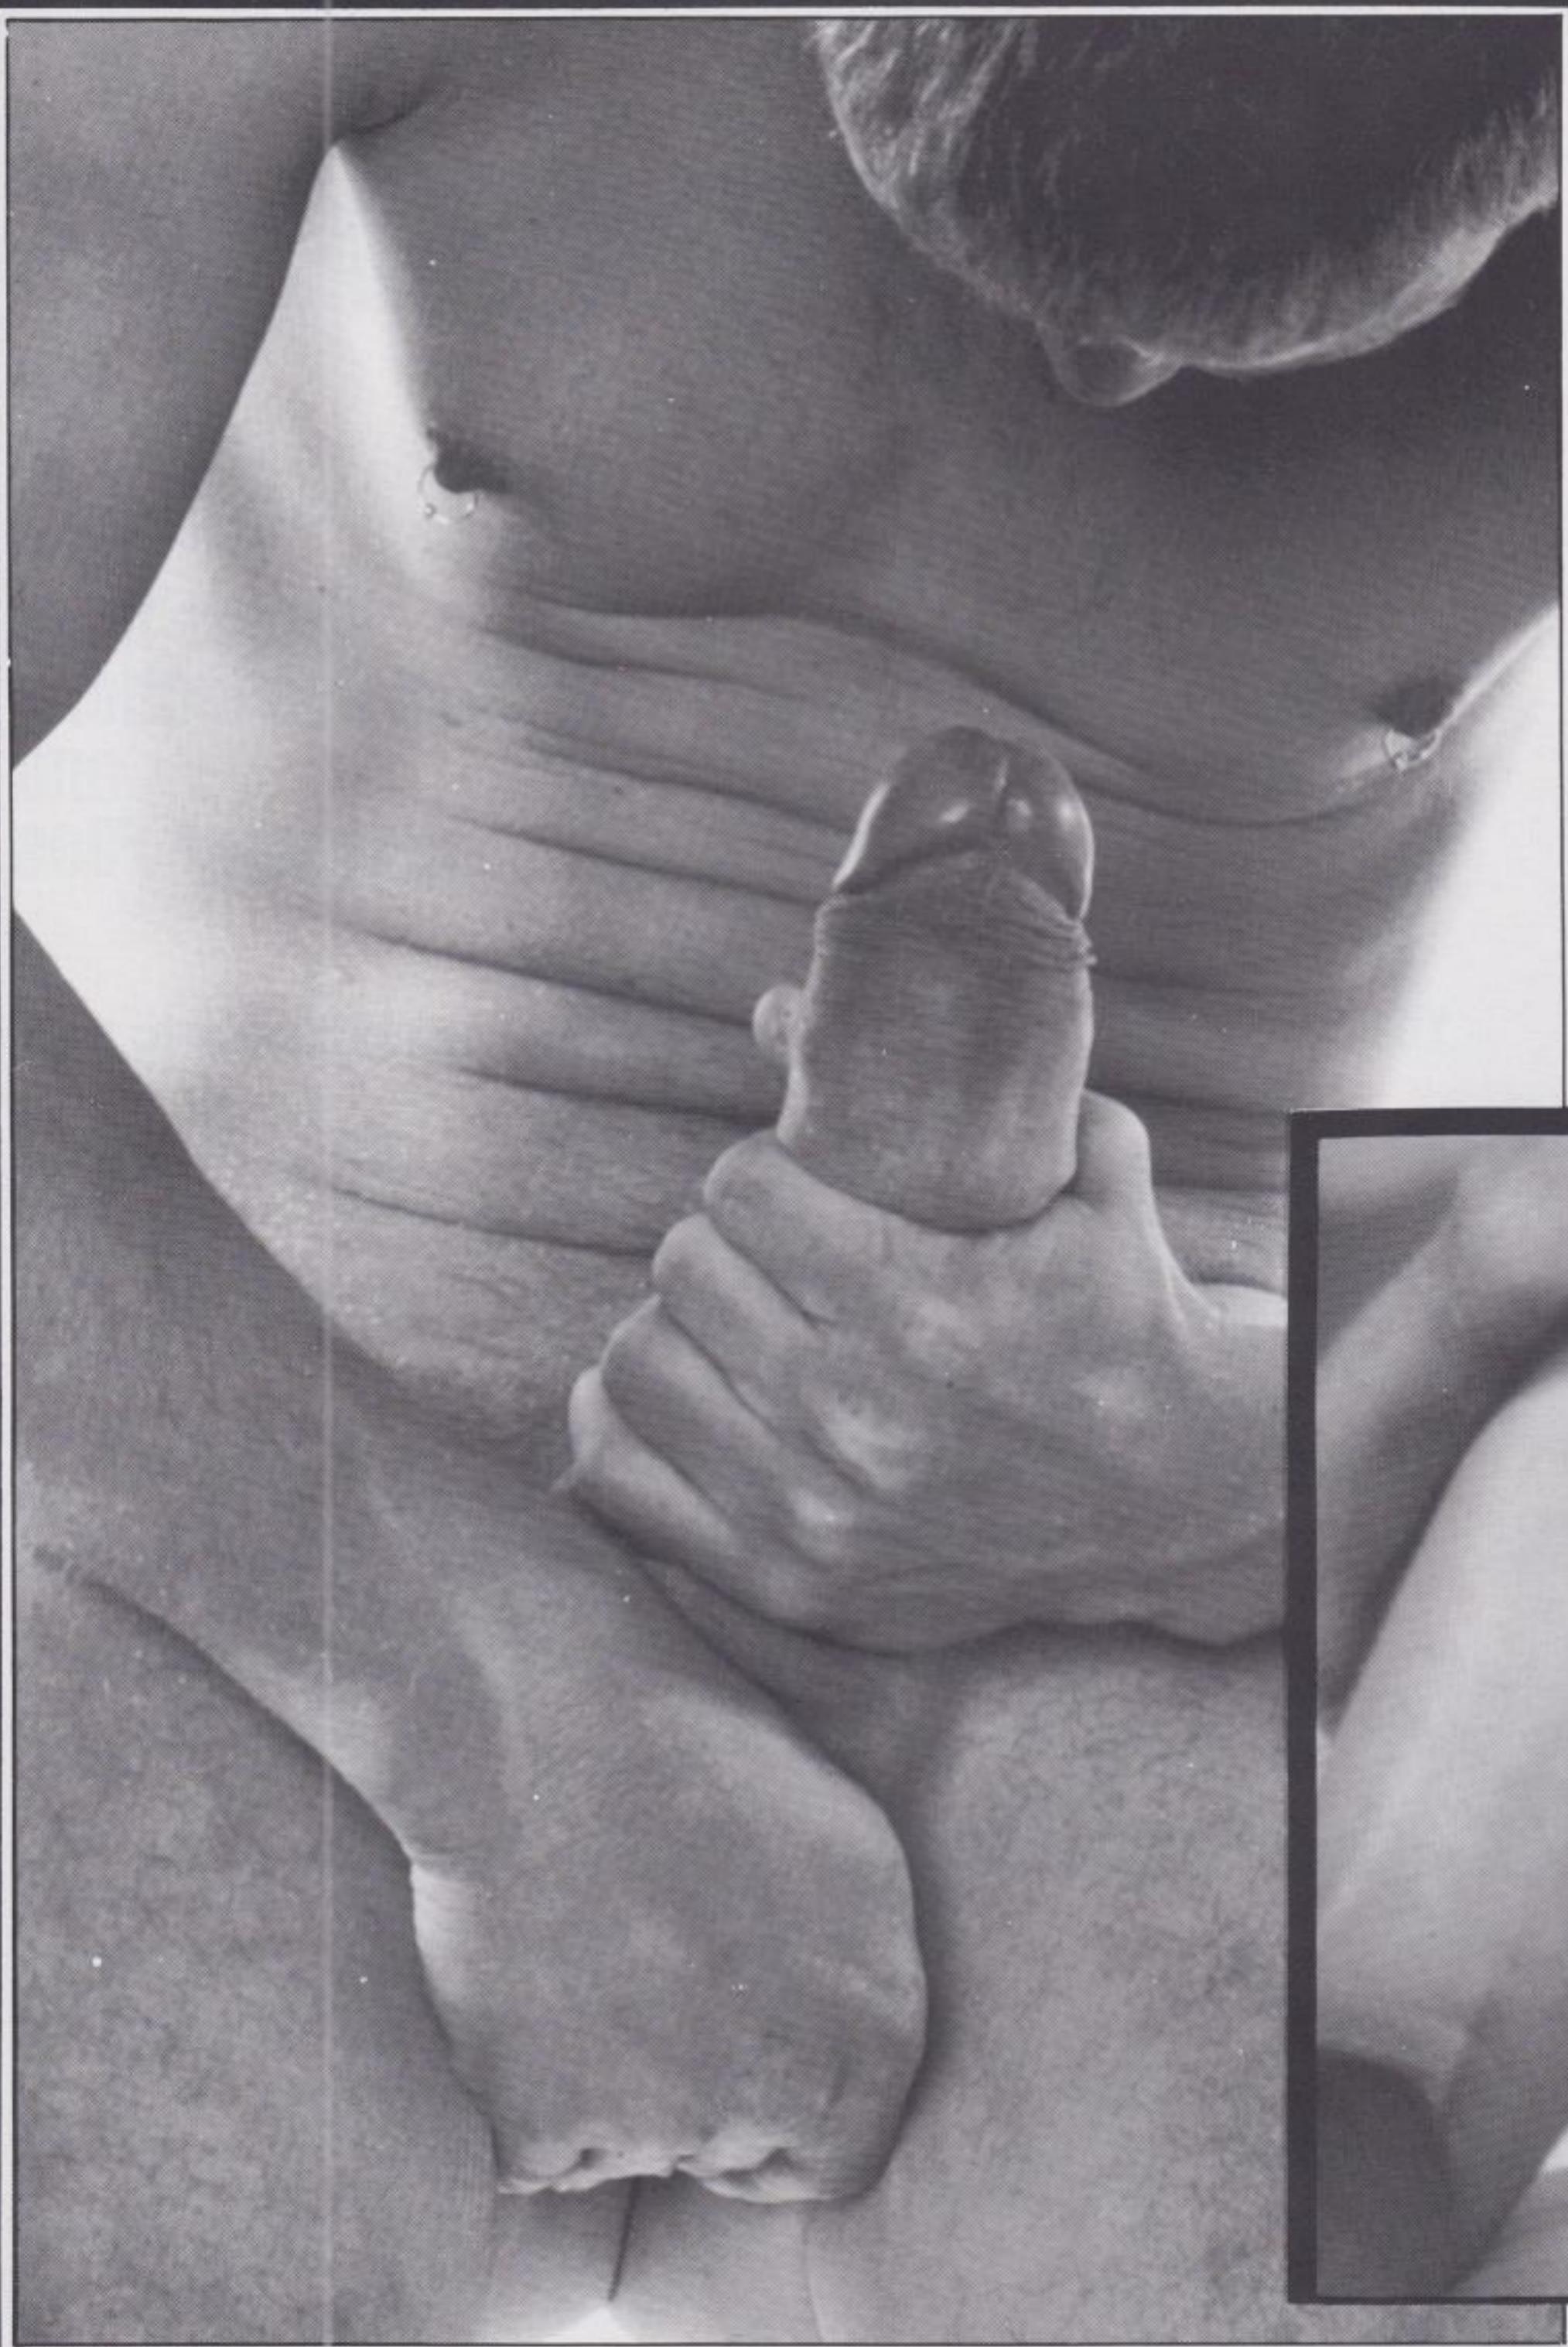

I'm sure I never showed anyone what I could do. I guess I thought everyone did it.

It wasn't as though anyone ever told me not to, or taught me how. It just came naturally. Speaking of which, I had been jacking off (and self-sucking) for nearly a year when I first had a real gushing climax — and it wasn't even in my mouth. I ate it,

though. Couldn't wait to see what cum tasted like. I wasn't disappointed. And next time, I made a point of shooting off in my mouth. Eventually, the novelty wore off but

I've always believed that direct from the dick is the only way to eat cum.

That doesn't take into account the changes that took place in my sex habits a few years back. It's got to put a new perspective on things when you realize that what you're drinking—however much you've grown to like it—may be a deadly dose. I'm not sure I believe that swallowing cum is an avenue of transmission. I know too many men, alive and healthy, who've spent their whole fucking lives behind

photos from Drummer Files

glory holes. And, yes, I do envy them that. Because I'm not sure, and when there's doubt, uncertainty—fantasy—blossoms, but real sex goes out the window.

So my own cum means as much to me now as it did back in those days when it was the only supply I had. And I don't give it up for just anyone. Has to be someone I care a lot about, or at least am real turned on to. Or a good audience.

Yeah, that's really the best. I can enjoy sex one-on-one, but what clicks my trigger is having an audience—dozens of men with their eyes glued to me up there on stage: teasing them, easing off my clothes, working it up, seducing them—no matter how willing they are—sweating, beating, rubbing, licking my dickhead, my pits, my sweaty arms, chest, fingers fresh from playing with my butthole, even my fuckin' toes. Scooping up precum, rubbing my face with it—it's the smells of sex that are present onstage: sweat and cum and ass and feet and spit and rubber... Yeah, I sometimes use rubbers to jack off in onstage. It still holds the fantasy: straightboy tryin' to get a piece at a drive-in movie, my dad poppin' it to the new next-door neighbor on her couch while I peep, fascinated, through the door. Reality is no place for the stage, and vice versa. Give me fantasy!—and I get down in my fantasies when I'm up there showin' it off. Let it all loose: sex with women, kids, dogs, horses; killing sex: hanging, castration, fucking to death... Hey, it's FANTASY, for Christ's con-

sumptive sake! And if you can't go wherever you want to in fantasy, then you're one sorry, uptight motherfucker! One of my favorites, a real tried-and-true standby: I slip and fall on the stage, after I've been up there teasing these men for fifteen or twenty minutes, getting them all hot. Before I can get up, half a dozen men from the audience take turns fucking me, right in the spotlights. I eventually give up struggling. No use. By the time they've finished it's dawn, I'm slicked down with cum, and when the last of them disappears, all I can do is roll over and beat out that long-suppressed load that's been building in my balls all night.

Once again: fantasy, okay? I've been raped; it wasn't fun. Two big black dudes (Oh, God, do we have to go into *this*? Is it catering to racial stereotypes and prejudice to describe simple *reality*?) who offered me a ride home—what did I know? I was seventeen and quite green behind the ears—took me to a park and raped me, or tried. Neither one could really get it in me. They were both too high or scared and I was tight as a virgin, which I wasn't too far from being. They settled for beating me up, taking my clothes and leaving me semi-conscious on the street in a neighborhood I'd never seen before. Even at the time, I almost couldn't help laughing. I mean, what did they get out of it? I at least got a very dramatic story to tell... and it did nothing to diminish my strong rape fantasies.

That's the real wonder of fantasy: it's *not* real. You don't have to worry about it getting carried away. It will do exactly what you want—and no more. You needn't deal with it in the morning if you're not a morning person. I am: I'm more likely to jack off upon waking than at any other time. A fresh beginning and all that. Daylight streaming in. It makes me feel very sexy. There are no consequences—physical or otherwise. One of my more persistent fantasies involves a Doberman pinscher, and if I'm not mistaken, what I have in mind could get me arrested in all fifty states—if practiced. Why is an utter mystery to me. I suspect the dog would enjoy fucking me, and I don't contemplate involving a third party, so who is injured? But I digress. I've never acted on this fantasy. The furthest I've gotten is encouraging an eager puppy (owned by a willing co-conspirator) to lick me all over, which proved mildly titillating, and pleased the dog no end. The dog even qualified as a juvenile, proving that there is no age limit on enjoying sex. I suspect I won't get any closer to realizing this particular fantasy any time soon, because of the dawning realization of the vast difference between fantasy and reality. Perhaps I'm losing my sense of adventure, but I no longer feel the need to experience every sensation the world has to offer. Some of them are better left to the imagination.

Which brings us to the most telling criticism of modern video erotica: the directors don't seem to understand the erotic strength of *suggestion*. They all want to bludgeon us with fifteen fucking minutes of non-stop fucking—to prove, presumably, that the participants in fact fucked for at least fifteen minutes. Thank you, but I'm capable of imagining that, probably more vividly than the participants are capable of showing it.

The point here, I think, is that even if I trained a dog to fuck me—and I suspect it takes more patience than I have to devote to the project—it probably would not live up to my expectations. I'm sure that, given time, I could grow fond of a dog's technique, but I doubt that it would feel the same as a man fucking me. And I doubt that I could get a rubber on the dog... but as long as it remains untried, it will continue to be prime fantasy material.

And this is really the greatest part of being on stage: at least for the moment, I am these men's fantasies. I become more than just myself. I open myself up to all possible interpretations. I am anything they want me to be. It's the only time in life when I get to be more than one person. It's the only time I can forget the person I think myself to be. That husk doesn't matter now. The frenzy of imagination takes over, they are in control, and as often as not they don't even realize it, don't see that by beating their meat they are guiding me, molding me, exciting me, in much the same way they think I'm doing for them. They will me to bend over and slurp on my cockhead one more time and I do it, smearing precum on my face—lip gloss, I call it. Without that collective energy out there forcing me, mentally raping me, telling me in a hundred silent ways just what they'd like to do to me, surrounding me and crushing me in heated sexual bondage

... without all that I would truly be alone on a very large stage.

I have performed that way, to men who I was sure couldn't care less what I was doing. It's a frightening experience. I need men who are alive, who *want* something from me, who are willing to give for it. I wonder if they know what they're giving: support, enthusiasm, sexuality. An audience is at least as important to the performer as the performer to the audience. Actor?

No, I don't *act*. I *perform*. Player, if you must.

Entertainer? I hope so, because

I'm certainly entertained.

Fantasy is my business,

and it's a business

I love.

Satisfying men.

Now there's a profession worthy of a lifetime of pursuit.

Mind Rape

*Servant, kneel. I am Garth.
We lay together that night, though I do not now allow
you the memory of Me.
I was your first Master: the master of your mind.
When you saw Me, you came to Me from across the bar.
I willed it thus.
My thoughts pierced your essence and you belonged to
Me. There was yet no resistance.
Your eyes held with Mine; I took you.
In your mind and in your reality, I began to teach you.*

On his back, skull unmercifully slamming against the mahogany headboard, legs stretched high in supplication to a God who'd deserted him and thrown him to the clutches of this reptilian creature, he felt the burning, yet cold slimy battering of the beast's distended organ. The lizard-thing hissed its impassioned cries; its red probe furrowed the irritated tissue of its captive's tensed hole. He whimpered, thoughts of revulsion flooding him. Pinned by the hell apparition, his body ached beneath its scaly yellowish form. The thing's odor cloyed, sickening him; the breath squashed from his lungs as ice cold glop bathed his bowels. It hissed a final shriek of victory complete; its eyes glowed a brighter orange in the darkness. Cold acid jiss plopped out in chunks when the grotesque iguana-like buggerer snapped its mucus-green penis from its servant's fouled hairy ass. The black clots dropped and quivered, soiling the white sheets as they began to dissolve. The saurian extended its slithering worm tongue, tasting of its own essence.

He awoke puddled in sweat, the dream within the forced vision fading. His heart trembled a cadence; a silent scream strangled his breath. Like in his dream, the sheets were soiled. He continued to hump, rubbing his nine inch erection in the smeared cum soiling the bed beneath him. The slime was white, creamy. It was his own.
You stood there, bewilderment and ecstasy bathing your bar-lighted features. You knew the power of My mind as the cum welled from your pulsing shaft. A dark spot oozed from within your faded jeans and belied the load bleeding onto them. I allowed you to attain the reality of your surroundings.

"I need you, Sir. Can we go?" you choked.

I led and, of course, you followed.

In My domain, I allowed you to take the leather from the body I chose to give you. You adored and worshipped Me; served Me with your eyes, with your actions.

When you undressed Me, you marveled at My tumescence, even as you licked My feet. You cleaned My body with your hungry tongue, even as I spat on you.

But, alas. You neglected to lick the sweat from the smoldering wells of My armpits. Once more, Garth, The Master, taught you.

He hung there, upside down, anklets cutting his flesh. The supplicant's pleas fell to the unhearing cement floor, echoed from the porcelain tub over which he hung.

He wanted to piss. No. He needed to piss and had never known this urgency. His bladder swelled and burned, the hot waves crashing against his insides . . . pushing, boiling within him.

He wept when the first droplets trickled down his muscled stomach. He decried the compulsion, the order in his mind. His hand reached for, then guided his fat flaccid penis. The torrent pushed forth. He fought, but yet, he channeled the amber stream. He drank. Ashamed, physically relieved, thirsty and humiliated, he drank.

He was lowered, pushed to squat on all fours in the tub. He felt the cold white trough, slightly warmed by the steaming liquid he knew he must drink. He lapped, a parched dog, the acid piss burning his slobbering tongue. His cock throbbed, but he did not come this time.

**"It was no effort to fist your piss-cleaned ass that night.
When I granted too much pleasure with My calloused hand,
My mind bore into you, forced you to lick the grease
from My fingers, from My forearm.
The protest grew in your eyes once more.
With that protest I reminded you of the Master, that
I am Garth."**

Pain assaulted him when the splintery broom handle was thrust into his dry, upturned ass.
You screamed then, when I freed your mind. You looked at Me and knew that I was The Master.

"Please, Sir. Train me. I love you, Sir. Please keep me."

I allowed you to probe My foreskin with your tongue. You exposed its dripping purple head, begged to take the length of My manhood in your throat. I would not allow it. Instead, you were made to clean My dirty bunghole with your tongue.

You went deep. I heard you suck in breath, eating that aroma with your lungs.

With your fouled mouth you sought to kiss Me. I brought you to your knees and washed you, showered your ass-smelling face with My piss. When you were clean, I had not gone dry. You drank the yellow taste of Me.

But I would not be drained. I would not, for you were foul inside. I bathed your muddied bowels then, emptying Myself. I thrust my dry rock shaft inside you; My sterile excrement permeated your bowels. My antiseptic surged into you and flushed the contaminant. When I was dry and you were full beyond endurance, I pulled free.

You whimpered in that purging; cried when you could not evacuate; My mind would not allow it. When My amber juice had burned deep in the silken pink flesh of your innards, only then did I give you release.

Ecstasy and horror tore your face with that release. The sluiceway open, the brown clotted liquid spilled over, spilled down. But you were cleansed then, worthy of My touch.

It was no effort to fist your piss-cleaned ass that night.

When I granted too much pleasure with My calloused hand, My mind bore into you, forced you to lick the grease from My fingers, from my forearm.

The protest grew in your eyes once more. With that protest I reminded you of The Master, that I am Garth.

The cuffs squealed their clicks. The plainclothesman caught him in the subway restroom. They were alone, he and the hulking officer. Another time, he would have begged for that policeman's dick, serviced it to purchase his release. Now,

freedom's price came dear and without bargaining.

"You want the station . . . or this?"

He had no choice but this. Fat. Black. The eleven inch club pulsed. Its head oozed. The two-hundred-forty-pound cop pushed the cuffed man to his knees. He thwacked his hard cock across the kneeling prisoner's face. He thrust the ebon-veined post at his genuflecting captive.

"Eat it, cocksucker scum!"

And he gagged. Vomiting, he slurped bile under the attach of the black mace, its hood pulled back, the head red tinged coal, oozing and shiny.

The cop turned him over, tore down his pants. The bluecoat unstrapped his gun belt and unholstered his long-nosed weapon. The captive knew stark terror as its barrel pressed into his temple; as the officer whipped his collar's hairy ass to a tender red with the empty holster, as the pistol's oily barrel made way up an unwilling ass. The pig smirked; he pulled the trigger. Empty chambers clicked hollow sounds, one and another, and still another. On his knees, the captive's heart leapt to his throat. Blood pounded in his head . . . in his cock.

The gun blasted. His spunk blew onto the bathroom's dirty tile flooring.

Still, you held arrogance, unwilling to know all that is Garth. No man is such as I; surrealistic dominance is My reality. You learned it that night.

My mind emptied you twice, yet I kenned the disbelief held in your eyes, knew that some part of your Self remained. He lay there, safe in his nakedness, shielded by the high picket fence surrounding his small backyard. On his back, looking to his fiery orange God, he worshipped. He gained beauty and color.

Come the dark cloud, his tan darkened, the color deepened by overcast sky. The Devil's cold breath blew frothy, blackened the overhead blue; his God-sun ran from a ruined day.

Desmodus rufus, the bat, came down upon him.

He would not fathom it. He heard the wings clap, slapping at the air's nothingness. They flew in daydream, a daydream soon real in the possession of his mind.

"It lowered its head, bared its fangs, and neared the soft underside of his fat, flaccid shaft.

In that instant, soft puffiness snapped sharp.

The incisors stung ecstasy when they broke skin.

He watched the exaggerated blood-gouging eyeteeth caress the fat blue nine-inch vein running the length of his manhood."

Silhouetted in the brighter darkness of that black cloud, those oily, tar-coated wings came upon him. Hell-embodied greasiness swooped down, the winged sounds smacked, cracking in his ears. It came real to him, too late. Too late. He lay there in his nakedness, sipping a drink, hot, his sweat dripping, disbelieving . . . then half-believing. Until he believed.

The bat neared him and he scampered to turn belly-down, to stand, to flee, anything. It grasped him in its veiny wings as he struggled.

Holding his supine body with huge steel-hand forelimbs sheathed in cold membranous tissue, it tasted him. The mammal stared, leered at him, he, a mouse in the grasp of it. It lowered its head, beared its fangs, and neared the soft underside of his fat flaccid shaft. In that instant, soft puffiness snapped sharp. The incisors stung ecstasy when they broke skin.

He watched the exaggerated blood-gouging eyeteeth caress the fat blue nine-inch vein running the length of his manhood.

Over the muscled hairy flesh of his chest, between the jutting cones of his sun-bronzed nipples, he watched the Hell-bird feast. Age-discolored fangs clawed the underbelly of his cock. Horrified, ecstatic, wanting to pull away, he saw the pink flesh tear, enjoyed seeing himself bleed.

A corroded tongue slurped out from the bat's fetid mouth. Opening that stench hole wider, the creature shrilled hunger.

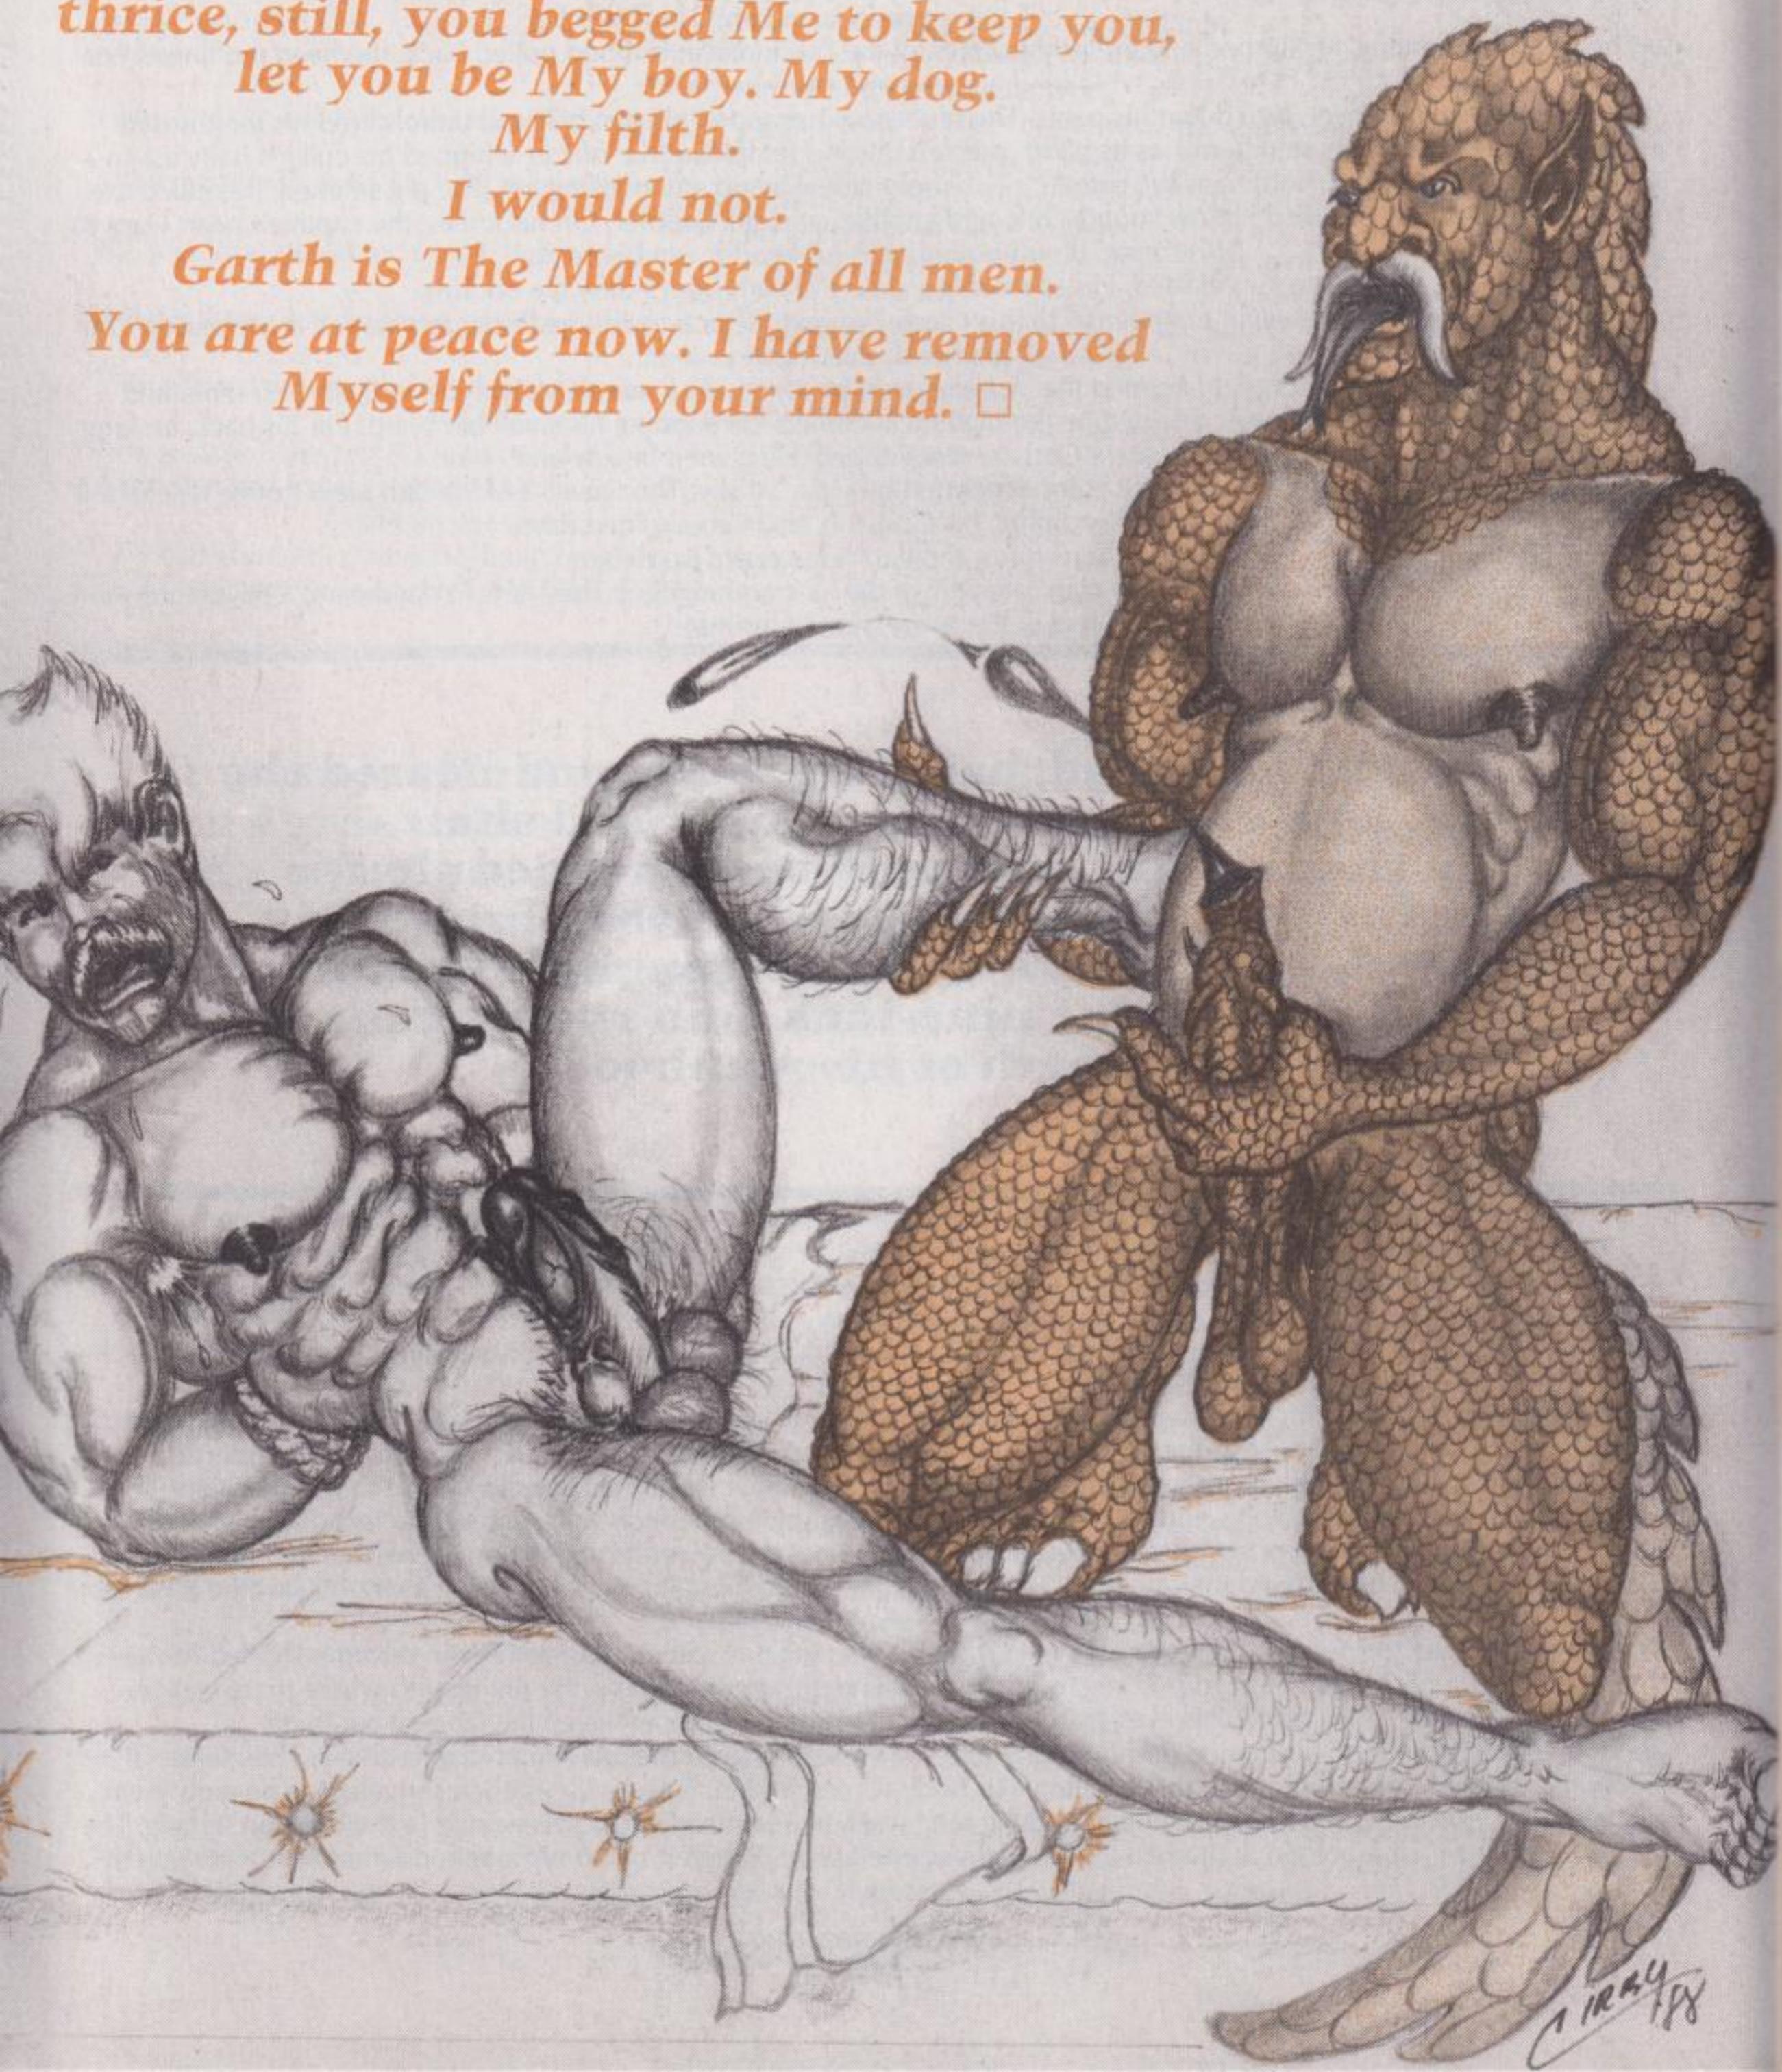

The bumps on his human flesh rose in revulsion to the sound, in arousal. Falling. He plunged to where there was no thought, only desire. His eyes glazed over, though still his mind perceived the lapping bat-thing.

Life force leaked from him; his tanned flesh waxed white. He craved, begged the inhuman thing its abuse. The granite of his erection crumbled, stays torn it with the leaching. His body flamed in the pleasure as his cock shriveled, as he grew weak. Still, the pleasure-waves coursed through him and his seed washed free. Pearl white jizz swirled in the crimson deluge. The bat lapped cream-laced blood; it drained him. Its jaws opened wide. When it bit off his manhood, he had no strength to scream.

*There was no more protest. Emptied
thrice, still, you begged Me to keep you,
let you be My boy. My dog.
My filth.*

I would not.

*Garth is The Master of all men.
You are at peace now. I have removed
Myself from your mind. □*

MALE CALL

RODEO JIVE?

I am a lesbian bottom. My mistress and I are regular readers of *Drummer*, and have always been highly pleased by your own courage, intelligence, sensitivity toward the wide variety of people who make up the S/M community and humanity in general. Usually we both applaud your editorial comments, which are one of the major reasons my Mistress buys the magazine. However, I would like to raise your consciousness a bit in one area.

In *Drummer* 119, you wrote in praise of gay rodeo and said, "Rodeo and S/M have a lot in common." Wrong. Rodeo and **RAPE** have a lot in common! Pain is indeed a common element in rodeo, and quite a lot of that pain is inflicted upon helpless, non-consenting animals who certainly have not volunteered for the experience. I used to enjoy rodeo myself, until I realized how much torture and suffering it causes the animal victims who can neither protest nor fight back effectively. Animal-bashing is no more a valid sport than gay-bashing, and gays, especially, should be sensitive toward the similarities.

—KW / Albuquerque, NM

Drummer spoke to Luke O'Killia, Rodeo Director of the Bay Area Chapter of the Golden State Rodeo Association, who had the following response to your comments: "At most gay rodeos, most of the injuries received are to the contestant and not to the animal. At this year's event we did not have one animal injured, as compared to eight or ten injured contestants. We had a representative from the ASPCA who turned in a favorable report and had a veterinarian on the premises both days. Additionally, we complied fully with the animal rights policy of Hayward Parks and Recreation, who have invited us back for next year."

—KJL

I do not believe that you misunderstood when I equated SM and Rodeo, I was speaking of the HUMAN contestants, not the animals. I am a field zoologist trained to observe nature as it is in the wild, not with experimental animals in the laboratory. I have deep compassion for, and a fair understanding of, the ecological and behavioral relationships between and within species. I do not support cruelty to animals in any way. But I also in no way place individual animal rights on a par with human rights!

What is happening in a rodeo is not the equivalent of rape. The equivalent of rape in cattle or horses happens every time a female is placed in a breeding chute and the chosen male sent in after her. The equivalent of slavery is the very ownership of one or more horse or head of cattle. Am I to advocate that domestic animals have the right to select their own mates and to full freedom? A bull bucks when a rider gets on his back, is this cruelty? How does it compare to the bucking of a young horse who has never been ridden but is being trained to carry a rider, "broken" to use the common term for this training? Am I to argue that no horse should be subjected to such torture, no horse should be ridden unless it first indicates a desire to have a person on its back?

I do not suppose that a calf enjoys having a rope flung over its head and being flung to the ground with three feet tied. But as a demonstration of skill for the human, a skill once vital to the human husbandry of the cattle, which would not exist in anything like their present form without that husbandry (they probably would be extinct like their wild ancestors), I think it is fully acceptable. It does no lasting physical or emotional damage to the animal. And I doubt that a goat considers it humiliating to be dressed in a pair of jockey shorts.

DUMPING ON SCAT?

I hope that in an upcoming fetish feature that you will do one on scat, including scat. As a long-timer reader of *Drummer*, I'm still waiting to see scat discussed and featured as an erotic possibility. Is there any reason why you have avoided this? How are men who have scat fantasies and desires going to find out that others are turned on to the same thing if *Drummer*, which legitimizes all other erotic (and safe) activities that are different, continues to avoid this type of sex?

I hope you answer this question in your magazine and, even better, I hope you will include scat in your articles, essays, photos, etc. If you can show a guy pissing, couldn't you show a guy taking a dump?

—KM / New York, NYC

In a word, NO. Scat is one of the subjects that the censors were very touchy about even in the most liberal of days. Though there have been articles and fiction pieces, and even some drawings in

Drummer in the relatively distant past, and in *Mach* more recently, scat is NOT something you will be seeing in *Drummer* these days. You probably won't see more photos of guys pissing either. You don't like that? Neither do I! But until we get an administration that respects individual rights on all levels, as much as they love their puritanical views of sex, that is the way things are.

AWESOME DAWSON

Okay, you guys at *Drummer*. I've had it with pulling my meat at the same picture over and over again. Let's have some more—a lot more—of Brian Dawson: face, ass, belly, you name it. This guy is the hottest thing to grace your pages in years. While his home phone number may be too much to ask, a poster and some color shots might do as a starter. Hopefully, Zeus or Colt will pick up on the opportunity but in the meantime, you've got one reader in New York who begs you (please, Sir!) to give us more of Brian. Or at least tell us where more can be found! Your mag is still the best!

—CG / New York, NY

Here is a little sample of the Brian Dawson you will be seeing more of both in the pages of *Drummer* future issues, and in the new Zeus video release *Recaptured*. Contact Zeus Studios (Box 64250, Los Angeles, CA, 90064) for more information about the model and the videos.

SEVERIN

illustration

by

Cirby

***And the whip beat out the music of pain.
Severin's shiny leather boots gleamed all the
more slick scarlet.***

Could it really be so long . . . could it really be happening for so long? Moss green. Such an odd color for a room like this. A color rarely favored . . . but, perhaps in this world it is the color to revere . . . but, no, wasn't it black? Shiny black . . . leather and satin . . . like in that old song, "Shiny, shiny, shiny boots of leather . . ." Yes, that's it. Or is that all the imagination? Or is that imagery? Or is that what the participants are supposed to wear? It is so hard to get all of this right . . . to get all the rules right. Rules . . . even during something like this . . . you would think a body has more to think of than just rules while all of this is going on.

And the whip sizzled through the air again.

But, perhaps this is a mistake. Maybe it isn't rules at all . . . pageantry? tradition? ceremony? Ah, perhaps that is it . . . ceremony . . . rites? ritual? Maybe that seems closer . . . ritual. Or could it be a sacrament? Or maybe it is a ceremony after all. Maybe a combination of the three. Three . . . such a mystical number. Like trinity . . . three . . . so important to so many when it is the belief—the need to believe. Oh, it's so hard to say for sure right now.

And the whip repeated its love song.

So, is that right? right now? rite? rites? So many meaning for the right word . . . or the word rite? Am I doing my part right? would I be considered right by the others? This world is so different . . . or is it? Different to whom . . . and why?

Crackling whip spit your tune.

Is it the pain that is different? . . . from their pain . . . or is all pain the same? All people suffer pain. What do they say? All people bring on their own problems and their own pain themselves. Zing! . . . zing! . . . zing! went the strings of my heart. Is that the way it goes? Or zing went the strings of my whip? No, no . . . that's madness. That is definitely madness. Why, it doesn't even rhyme! But poems of love do rhyme . . . but, not always . . . no, not always. But, doesn't love bring pain . . . so why not pain bring love? All those poems, all those songs of love . . . mostly, most of the time they are about the pain love brings, not the joy. What was it? Love is a hurtin' thing. Great love songs always talk about the pain . . . yes, the pain . . .

So much . . . so much to consider. Is the attitude right? The stance? The moans, the screams? Funny how one has time to think of all these things between all the noise . . . But, what do they say? A drowning man's whole life passes before him . . . But, I am not really drowning—unless one considers one's own juices . . . one's own blood. Lucky it is not running into my face. Now, how would that look to everyone? Face all scarred up . . . no . . . the scars cannot show. We are not supposed to

let the cars we pick up ever show . . . we are never supposed to display our pain, except in the eyes. Can we ever really shutter the windows to our souls? But there is always a little crack in the shutters even if we do . . . so all can see . . . the pain we had and the pain we are willing to have. The pain we are looking for. Sometimes we have to show it . . . sometimes we even have to scream . . . even if it is only silently to ourselves. Or is it? Sometimes it requires screaming, it's insisted upon, and other times it is forbidden. It depends on who and what, I imagine . . . just like everything else. All the other tried alternatives . . . fail or win . . . fail . . . hmm, fail? At what? Why not? And who determines that?

Everyone always judging . . . so I have to get this right . . . no scars must show . . . that would not be right . . . I think . . . Snap . . . Crackle . . . Pop . . . The taste of the whip wakes you up—or is that for a breakfast cereal? No, it isn't right to think of that at a time like this . . . or is it? Just what does one think of now? Fantasize? But, did fantasy bring me here in the first place? Maybe I should have found out all of this before I started this whole episode, then I wouldn't have to do this and think all of this at the same time . . . But, what would I think of? But, don't people start things, say things and do things without thinking about it first everyday?

But . . . I know certain things are right . . . or, another word . . . more important . . . accepted. Yes, yes, I want desperately to be accepted . . . and just who doesn't? That is the most important thing to everyone . . . if it is by just one person, a group, a crowd, or a country . . . or just by one's self.

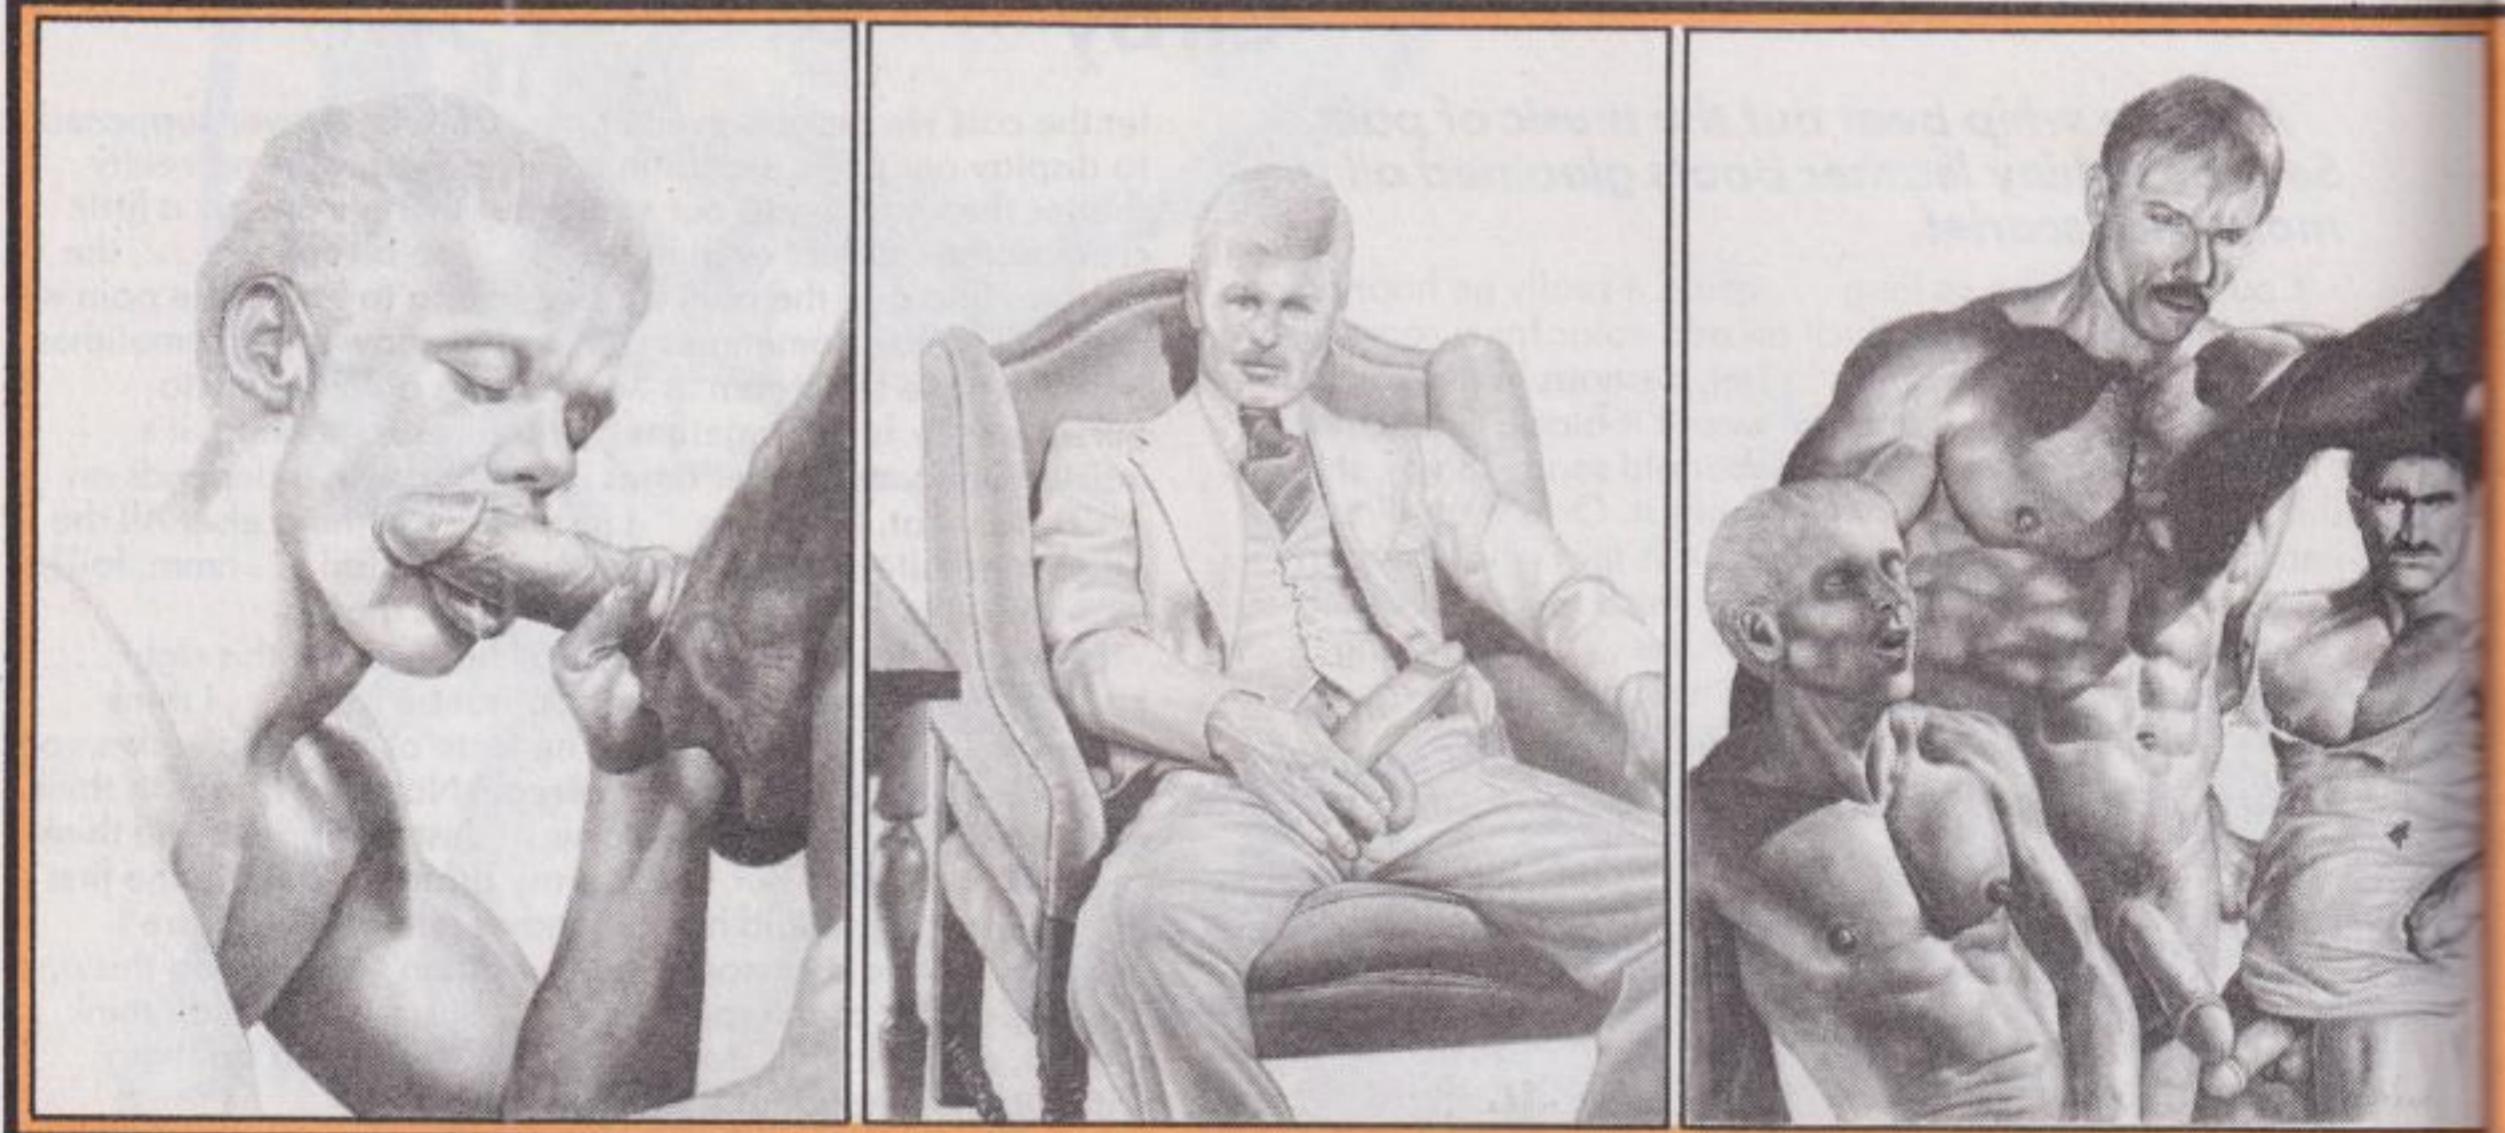

And the whip's rhythmic erotica continues its melodic whirl.

This for me is what is left . . . or is it? I think it is . . . I want this . . . and I want to be accepted here . . . for what comes after? I want to do all the things right . . . right? Right! To do something right you have to practice, and I will keep on practicing until I get it right . . . until I am accepted in this world. Until I can belong . . . belong . . . belong. Everyone has to belong somewhere. And this is what is left . . . by choice? . . . by desperation? by desire? by and by.

Must belong . . . so then . . . ah, that is it! So then, to belong you must follow the rules and do it right. Everything has rules to be done right if you want to belong . . . and you can think you are crazy . . . think drowning man's thoughts, last thoughts . . . and then you will do everything right. The ultimate link in the ultimate of life. You will know what to do because it is you . . . being you . . . being me . . . by instinct it will be right. Feeling good . . . feeling good to feel pain . . . feeling pain to feel good . . . and belong . . . belong . . . belong.

***And the whip beat out the music of pain
while Severin continued to beat himself with
the whip.*** □

SO FAR IN BEIRUT. . .

Nineteen. Innocent. Far from home.

Because of one irrevocable act, David Patowski, a young Marine PFC, finds himself totally helpless and alone in the sleazepits of the war-torn city.

Refusing to be used sexually by his sergeant, he violently assaults his superior officer and is forced underground.

He soon becomes a pawn in the hands of Vince Zorio, a consummately evil and powerful man, who forces him to suck dick and be fucked, teaches him to crave the very fuckboy submission for which he was willing to commit murder in order to avoid.

A master of exploitation, Zorio compels young David to display his newly emasculated fuckability for Benny, one of Beirut's crudest, most hardened pimps.

In Part Three,
David encounters other ruthless, unscrupulous, dominant men. . .

BEIRUT,

PART THREE by Aaron Travis

Beirut, Lebanon/1983

"I told you already—I had a blond in mind." The customer's voice is stern and deep, his patience wearing thin.

"Blond," Benny mutters, squinting as if he's never heard the word before. "Blond, huh? You sure? Redheads can be a lot of fun." He flashes his best used-car-dealer smile. "And this number's got a beautiful hole. A real honey-pot. I guarantee from personal experience." He gropes himself and sniggers.

Benny and the customer stand in a darkened hallway in front of a long one-way mirror, peering into the dimly lit cubicle beyond. Benny has already shown him the Arab boys. The man threw a boner in his pants you could spot across a football field, but claimed he wasn't interested. Kept talking about a blond. Benny saved the redhead for last. After the Arab boys got the big guy frustrated and hot, maybe the redhead would do.

The redhead's name is Duncan. Belfast boy, barely eighteen. Like all Benny's boys, Duncan has a story. Got tired of being spanked by the nuns at Catholic school, skipped town and made his way to Liverpool; stowed away on a German freighter because he wanted to see the world—but ended up seeing not much more than the four walls of the captain's cabin, and a lot of the captain's dick. Four months at sea chained nude to a bare metal cot made him long for the milder touch of Sister Agnes' leather strap. One night three of the swabbies broke in and raped him; the captain called it "cheating" and kicked him off the ship in Beirut without a penny. That was when Benny got his hooks into him.

Duncan is slender but sturdy, with a lean, coltish body—long arms and legs, a tightly muscled chest.

Skin like peaches and cream. Cute face with freckles and an upturned nose. He lies naked on the bed, exhausted and dozing, curled into a ball with his backside toward the mirror—just back from an overnight loan-out to Benny's friend Vince Zorio. Naked, that is, except for the dog collar around his throat and the leather cuffs with D-rings around each ankle and wrist; Vince didn't even bother to take them off. Broad red stripes across the boy's ass show where Vince has been using his belt.

Benny raps on the glass, then growls into the speaker. "Rise and shine, cocksucker. You got another customer."

The boy jerks on the bed, then lets out a low whimper. He unfolds his long limbs, groaning as if he's too weak or too stiff to move. He slumps onto the floor and crawls toward the mirror on his hand and knees. All Benny's boys are trained to obey without question. All Benny's boys know how to crawl.

Duncan reaches the mirror. Benny looks down through the one-way and sniggers. "Stand up, kid. Give the man a look."

The boy rises awkwardly to his feet. Wobbly as a newborn colt, trembling at the knees. Eyes dull and glazed. He looks into the mirror, flinching at his own reflection.

The corner of his mouth is swollen and bruised, his cheek welted with the outline of a handprint. His nipples are distended and puffy, standing out from his hard lean chest like ripe strawberries—a night with Vince Zorio. His cock, surprisingly big on such a slender frame, curves up stiff and rubbery, as red and swollen as his nipples, laced with slender whipmarks. As usual, Vince didn't let him shoot.

The customer frowns. "Doesn't look too fresh."

"Don't worry," Benny says. "You know these young fags. Lots of pep. Just look at his dick—hard as a rock."

"I'm not interested in his dick."

Benny leans toward the speaker. "Turn around, kid. The man wants to see what you're good for."

The redhead looks unhappy. He bites his lip, lowers his eyes. He begins to shake, and his hard lean chest breaks out in a sweat.

"Turn around, kid." Benny's voice is low and menacing. "Show the man your pussy."

The boy takes a shuddering breath, then slowly turns and bends forward at the waist. He grabs his ankles and rises on tiptoe, spreading his cheeks wide open.

Red stripes show where Vince's belt licked all the way into the boy's crack, nipping at the hole. The little bud shows all the signs of having been freshly fucked

good time has gone up since things started falling apart in Beirut.

The good old days. Only a few years ago, Beirut was the center of the world. Like Havana in the fifties, until Castro and the revolution came along to spoil the fun. Beirut has the war with no winners; no perfect set-up can last forever. Benny will have to move his operations soon, but not until the regulars have coughed up their last dime and even the rats start evacuating the rubble.

Benny sighs. "Okay. Tell you what, I still got one possibility. But he won't be fresh. He's busy taking care of a couple of clients right now."

"So what are you waiting for?"

Benny shrugs. The customer is always right.

They turn and walk down the hallway, leaving Duncan bent over with his ass in the air, confused but afraid to move, his legs trembling from the strain, his cock-hungry hole smacking its lips.

Benny leads the man to the end of the corridor, then down a flight of booming metal steps. The basement is warm and humid, like a steambath. The hallway is so narrow that the two men walk single-file. Naked lightbulbs hang from the ceiling; patches of darkness alternate with cones of harsh white light. The walls and floor are painted black. Metal pipes crisscross overhead, covered with a crust of fuzzy grime.

As they round a corner, Benny gives the customer a sidelong glance. Despite his blond features and a faint Southern accent, the man reminds him somehow of Vince Zorio. The same hard set of the jaw. The same surly curl on his upper lip and the smarmy, condescending look in his pale grey eyes. The same hard bulge at the man's crotch, extending halfway to his knee. Handsome as the devil and hung like a horse, and well aware of it. A big guy, big all over, filling out his casual linen suit like a football player turned fashion model.

At least Vince Zorio has a sense of humor. Vince can roll with the punches; of course Vince is the one who does the punching. But the blond Southerner is no good ole boy. His bearing is ramrod-stiff, aristocratic and aloof. No nonsense. Strictly business. Military maybe, West Point, or some big-shot young executive, the kind of go-getter who makes it hard for the older execs to sleep at night. The kind of man who doesn't take no for an answer.

They round another corner and stop in a patch of darkness, facing a wall covered by heavy drapes. From beyond the drapes come muffled sounds of grunting and the heavy, sweaty crack of flesh against flesh. Benny draws back the curtains to reveal another one-way mirror.

"The only blond I got in stock right now." Benny lights a cigarette. "The clients are a couple of Turks from Istanbul. Rezi, the big one, and his buddy Ahmed. Get down to Beirut three or four times a year. Always know they'll have a good time at Benny's. I give 'em a discount. They help keep the boys in line."

The little cubicle is sparsely furnished. A small bed, a night stand, an easy chair, a seedy carpet with an arabesque pattern, its colors dim and faded. A shaded lamp with tassels gives off a lurid amber glow.

The Turk called Ahmed is seated in the chair,

"The little bud shows all the signs of having been freshly fucked by a very large cock—the pink lips are raw and chafed, swollen like a bee sting, shiny with oil and semen."

by a very large cock—the pink lips are raw and chafed, swollen like a bee sting, shiny with oil and semen. As they watch, the hole yawns open, pooching outward like a mouth puckering for a kiss, oozing inside out to expose a half-inch of the slick lining within. The hole begins to flutter and fart, dribbling a stream of gooey semen, smacking its lips with a soft popping noise as if it were trying to speak. The unmistakable mark of the master—Vince Zorio was here. An educated fuckhole, trained to beg out loud for cock, custom-fitted to give maximum pleasure to an oversized dick.

"What'd I tell you? Quite a hole, huh?" Benny gives the upthrust ass a dreamy look. "Kinda makes you wanna stick your finger in it." He glances down at the customer's crotch. The bulge is still there. So is the stony expression on the man's face.

"Too skinny. I told you I wanted a blond. A blond kid with some meat on him."

Benny wrinkles his nose. One-time clients are a pain in the ass. Always showing up with something particular in mind, waving a fistful of cash, wanting it right away. Of course he can't blame the guy for being picky—not at the rates Benny charges. The cost of a

stripped down to a grungy white T-shirt. Slumped low in the seat, knees hooked over the padded arms, exposing his genitals and the hairy crack of his ass. Every inch of flesh between his thighs is covered with a thick, glossy coating of spit. The moist bud of his asshole glistens with saliva in the amber light.

His big cock is slung forward, drooping down, the head nestled between big low-hanging balls. Thick and bloated, with the swollen, rubbery look of a big cock that's been sucked on for hours. A cock that's already come more than once, resting before it comes again. A thread of left-over semen dangles from the tip.

Ahmed's eyes are half-shut and dreamy. Beneath his perfectly trimmed mustache, his lips are curled in a faint smile of amusement as he watches the show . . .

In the center of the room, in profile to both the sleepy Turk and the unseen watchers beyond the glass, a hunky young blond is naked on his hands and knees. The other Turk—the giant, Rezi—is seated on the boy's lower back, riding him like a pony across the room.

Rezi is a magnificent animal of a man. Dark and massively muscular, his gigantic chest and limbs matted with wiry black hair, shiny with sweat and oil. Brutally handsome, with a bristling mustache and a broad smile that shows the gap between his two front teeth. His legs ride clear of the ground, bent back so that the tops of his feet rest against the boy's thighs. His big, loose balls are pooled in the small of the boy's back. His huge cock juts upward like a club. One arm reaches forward, clutching a fistful of blond hair. The other stretches back, holding a doubled leather belt. Rezi snaps it against the boy's ass, bellowing with laughter as the blond lurches forward, staggering under his weight.

The young blond, despite his muscular physique, looks absurdly small compared to the big Turk mounted on his back. His shoulders and arms strain beneath the burden, muscles standing out in stark relief. His head is wrenched back by the fist in his hair, his lean torso bent like a bow, thrusting his ass upward, showing off the sleek curve where his powerful buttocks flow into thick, sturdy thighs. Hairless and sleek, pale and glistening with sweat. Trembling beneath the weight, panting for breath, squealing and lurching forward as Rezi pops the belt against his naked ass. His stubby little pony-cock juts out bone-hard between his thighs, ridiculously small compared to the Turk's massive truncheon, bobbing ludicrously up and down, slapping up against his belly as he breaks into a trot.

Rezi drives him until they reach the wall. More slaps from the belt, and the boy awkwardly turns about, the top-heavy load shifting wildly on his back, threatening to capsize. Ahmed manages a sleepy laugh.

Rezi frowns at the boy's clumsiness. He twists his hair and barks a command in Turkish, leaning forward to slap the belt upward against his belly, landing a lucky shot that smacks the tip of the boy's penis. The blond whinnies and jerks forward, stamping across the carpet.

Benny smiles. "Rezi's not this rough with the Arab boys. It's the fair-haired numbers that bring out his mean streak. Should've seen the working over he gave

the redhead last time he was here." He glances at the customer. The man's handsome features are strangely twisted, his eyes flashing with an intensity that makes Benny balk.

"His face," the man mutters. "I can't see his face."

"Sure. Sure, his face." Benny steps back and leans toward the speaker. He clears his throat. "Hey boys. Having a good time?"

The Turks seem to welcome the intrusion. Ahmed answers by grabbing his cock between two fingers and spanking it back and forth against his thighs. Rezi spins his head toward the mirror, surprised for an instant, then flashes a broad grin. He jerks on the boy's hair like a rein, pulling him to a sudden halt.

The blond gasps and turns his face away from the mirror. His body trembles on the verge of collapse. Perhaps from shame. Perhaps from exhaustion. Perhaps because he knows that something terrible is about to happen.

"The boy goes rigid, paralyzed by the sudden total penetration. Head wrenched back, mouth open in a silent scream. Toes extended, feet padding the air—Rezi's cock lifts him clear off the floor."

"Hey, don't let me interrupt." Benny tries to make his voice light and playful, but the strain comes through. The customer is getting on his nerves. "Got a guy out here who likes 'em blond and hunky. Wants a good look at the kid's face."

Rezi nods. He lowers his feet to the ground and slides backward, over the boy's ass and off, into a crouch. He tightens his grip on the boy's hair, pulling him back until his hands clear the carpet. Rezi tilts back on the balls of his feet, aiming his cock between the lashed and sweaty buttocks. Then he springs forward and up, straightening his legs. With a single thrust he spears the boy to the hilt and stands upright.

The maneuver is a spectacle of raw strength, brought off with a kind of animal grace, as effortless as spearing a piece of meat on a fork. Except that this piece of meat is alive.

The boy goes rigid, paralyzed by the sudden, total penetration. Hands reaching back to claw at Rezi's hips. Head wrenched back, mouth open in a silent scream. Toes extended, feet paddling the air—Rezi's cock lifts him clear off the floor.

Rezi turns toward the mirror, displaying the nude,

twitching body impaled on his cock, like a trophy mounted on his dick. Face pulled back, hands clutching Rezi's hips, the boy's body appears headless, armless, a sculptured mass of pale agonized flesh suspended in midair and framed by the dark brawn of Rezi's body. The boy is sleek and hairless, denuded even between his legs. His chest breaks out in a sudden drenching sweat, running in a liquid sheet across the smooth slabs of muscle, collecting at the tips of his huge, obscenely bloated nipples.

Rezi cockwalks him toward the mirror, thrusting savagely with his hips. The boy suddenly comes alive. Skewered on the big cock, squealing and grunting and dancing like a puppet. His big meaty pecs flop up and down. His stubby little cock slaps back and forth between his belly and thighs. Like a spastic walking on water, toes barely grazing the floor, driven forward by the cock up his ass.

"He pinches the nipples between his fingernails, squeezing and pulling at the tips, milking him like a woman. Fucking him like a woman, while the others watch."

They reach the mirror. Rezi grabs the boy's hips and hoists him up, clear off the cock. He bends at the knees and leans back, making his hips into a cradle, then lowers the boy onto the greasy pole of his cock. The boy sits on it in midair, hips tilted forward, back arched, legs dangling on either side of Rezi's steel-like thighs. Rezi is a show-off, making sure the men beyond the mirror have a clear view of the boy's hole, and the big cock stuffed inside.

He slides his hands up the boy's torso, cupping his breasts from behind. Squeezing the fleshy slabs between his forefingers and thumbs, making the big nipples pop out, wagging them at the mirror. Grinding his hips, making the boy's cock rotate in a jagged ellipse. Reaching down to give it a quick one-two slap with his open palms before reaching back to squeeze the boy's tits.

He pinches the nipples between his fingernails, tugging at the swollen buds as if he were trying to pluck them from the boy's chest. He clamps them between his fingertips, squeezing and pulling at the tips, milking him like a woman. Fucking him like a woman, while the others watch. Letting them all see

what it means to be a toy for a man with a big dick and a cruel imagination. The boy groans and writhes, his head thrown back on Rezi's big shoulder.

"His face." The customer hisses through gritted teeth. "I still can't see his face."

Benny gives a start, so fascinated by the spectacle beyond the glass that he's almost forgotten the reason. If he wasn't in the middle of a deal, he'd be tempted to join in the fun himself. Nobody knows how to show off a hot piece of boycunt like Rezi . . . except Vince Zorio, of course. It was Vince who found the blond in the first place. Vince who had the boy's pubic hair permanently removed; Vince who paid to have the silicone injected into his nipples. Vince who trained the boy to open wide and drool from both ends at the mere sight of another man's cock.

Benny leans toward the speaker. His voice is hoarse and throaty. "C'mon Rezi. We already know you got the dick of death. Now show us the cocksucker's face."

Rezi flashes a cocky grin. Rezi likes to tease. He grabs a fistful of the boy's hair and thrusts his head toward the mirror.

The boy's forehead strikes the glass with a thump. Benny jerks back in alarm, but the customer steps closer, until his face and the boy's are only inches apart. The boy's nose and cheek are mashed flat against the glass. Jaw slack, mouth open and dribbling. Forehead beaded with sweat, plastered with stray tendrils of hair. His long blond lashes flutter, his blue eyes are glazed and staring. Humiliated and upperly helpless. No other sight on earth as beautiful—the face of a handsome boy with a really big one up his butt.

Benny gawks, as spellbound as the customer. Then he comes to his senses. He closes the curtains with a flourish. The customer is hooked, no doubt about it. Time to close the deal. Benny's eyes light up with dollar signs.

The customer stands stock-still, staring into the darkness of the drapes, listening to the muffled noises that come from the cubicle beyond—a sudden volley of slapping, barking laughter and a high girlish shriek.

"So. What do you think? About as blond as they come. But hardly fresh."

"I want him."

"Maybe tomorrow, huh? The Turks have already been working him over for hours. And Rezi looks like he's just getting warmed up."

"Tonight. I won't be here tomorrow."

"Sure. Have to be late, though." An idea pops into Benny's head. "And there's an extra fee for sessions after midnight."

The customer turns and gives him a long, hard stare. "I'll be here at midnight, then. Have him cleaned up and ready for me." The look in his eyes is crazy again. Benny wonders about the bandage taped to the guy's temple. Maybe something's wrong with his head.

"Sure . . . By the way, the kid's name is David."

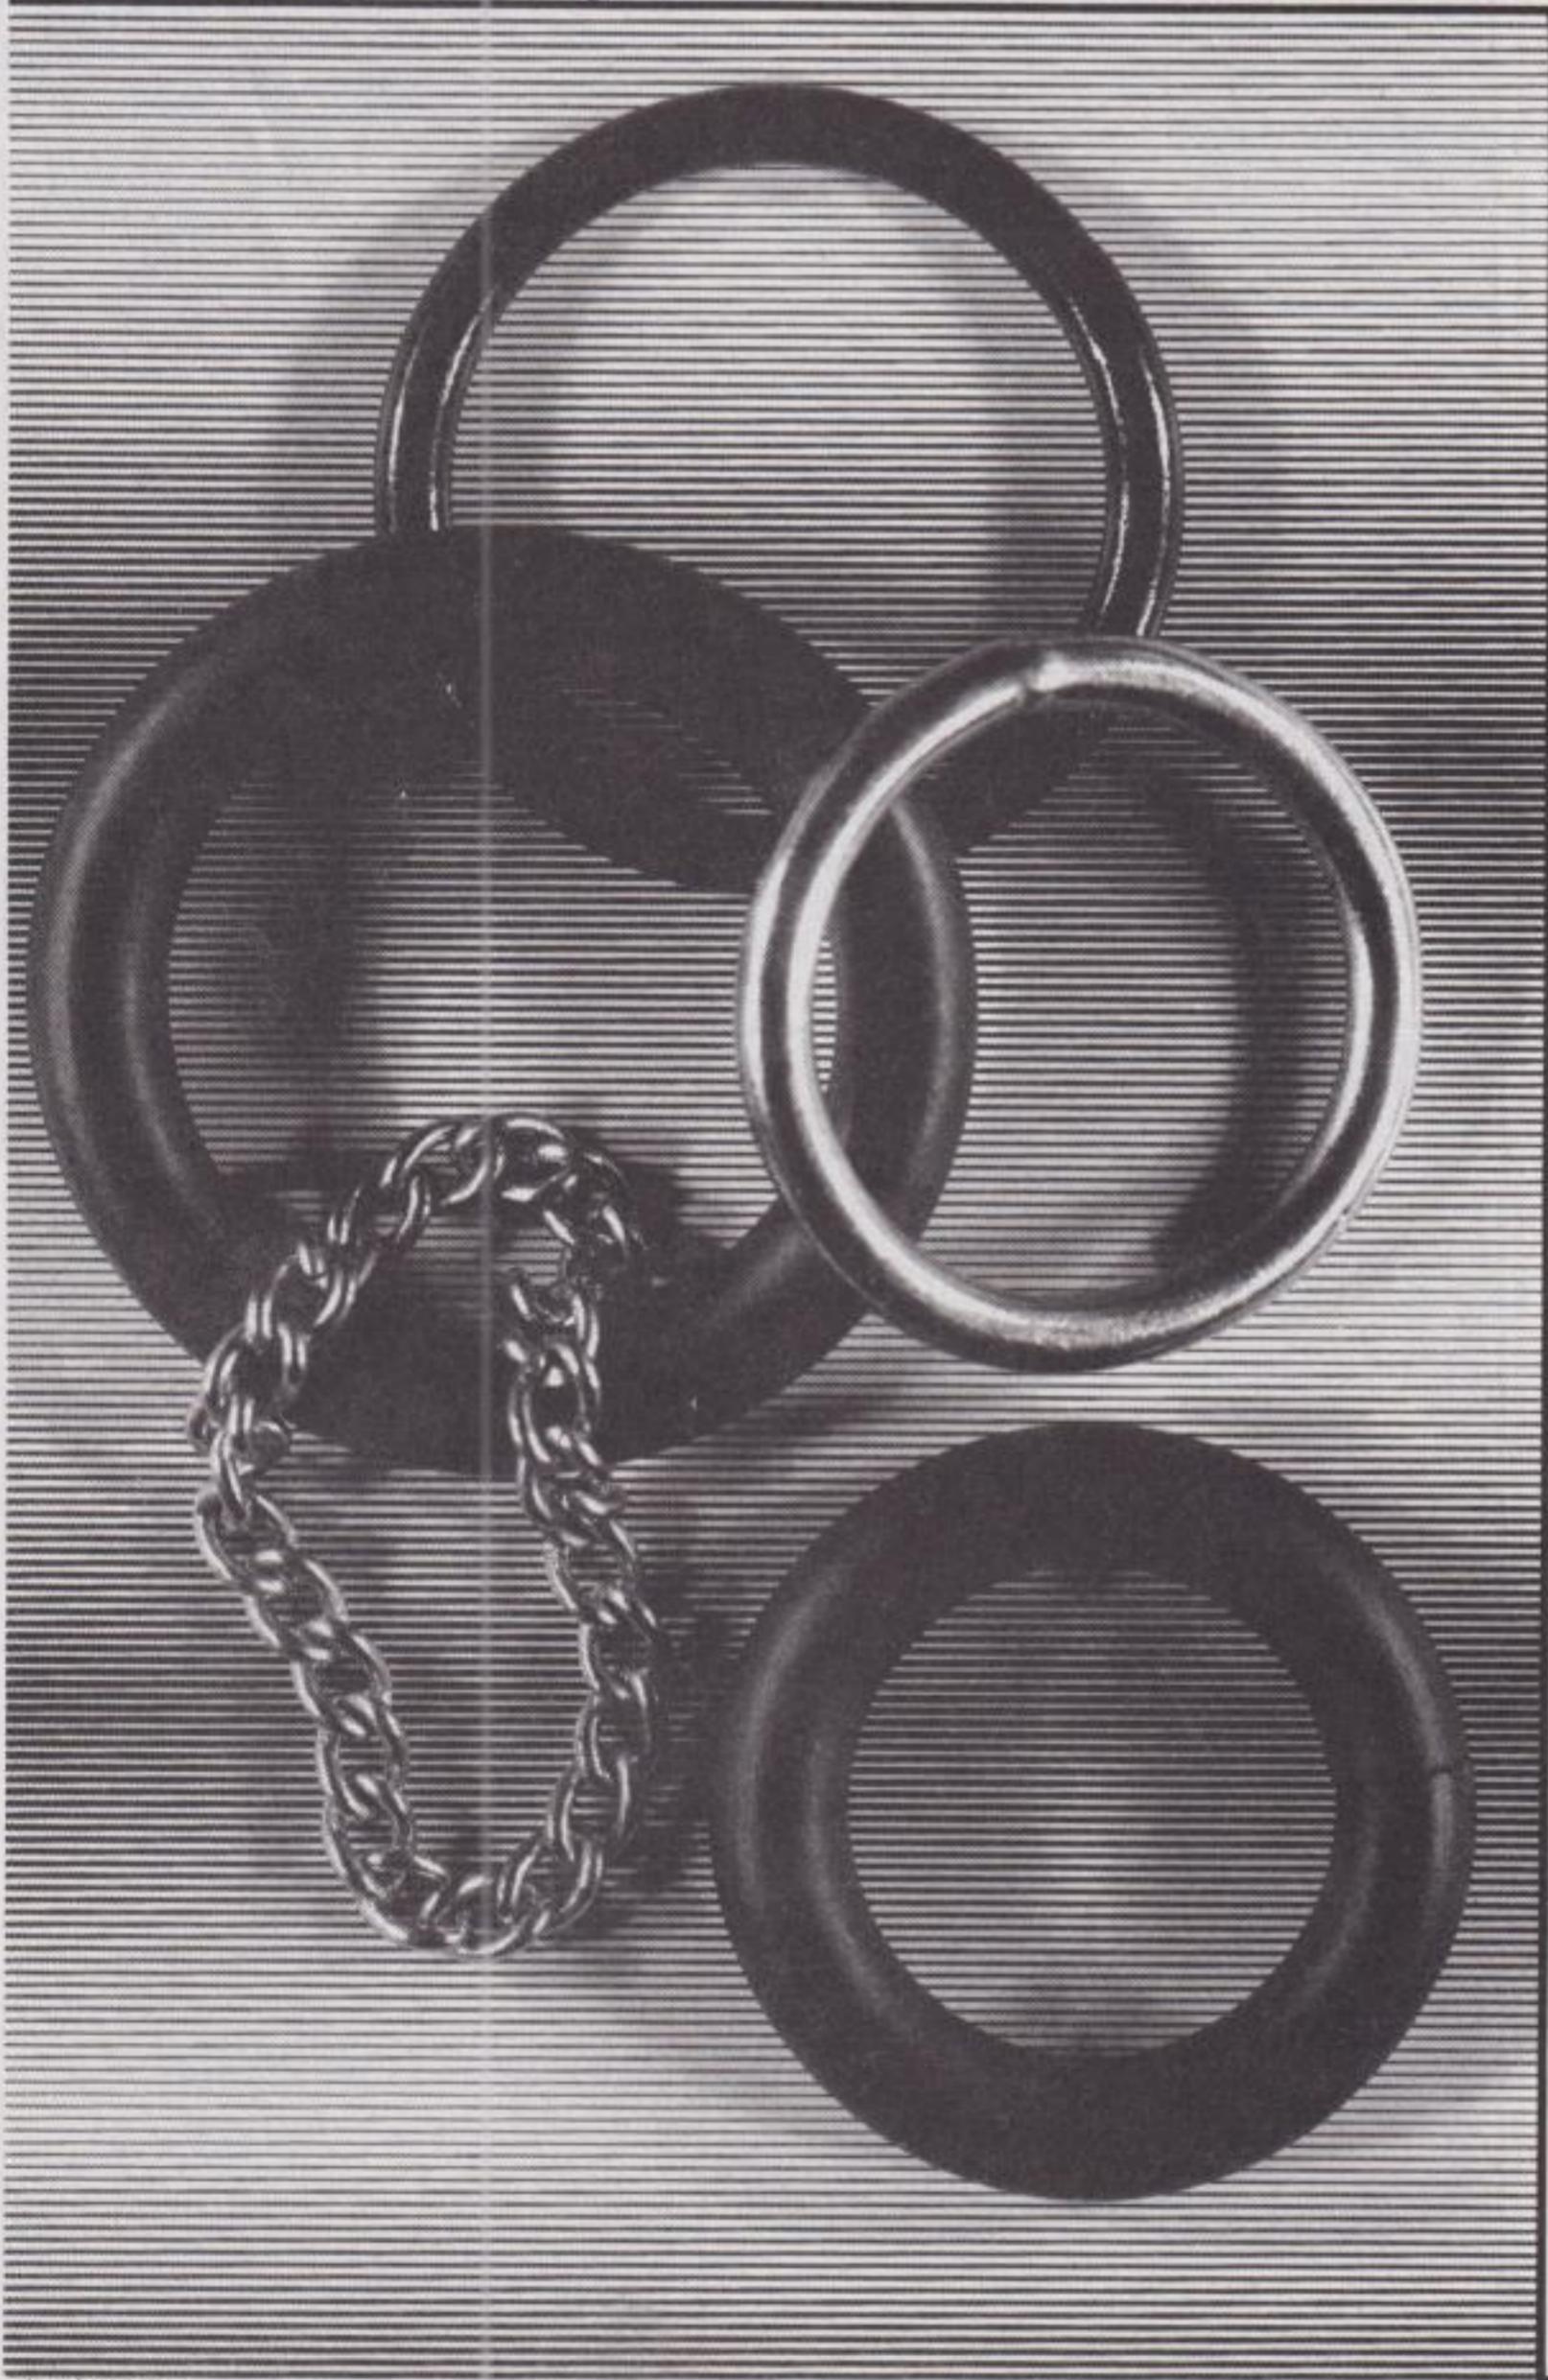

The man walks past him, giving no response. As if the boy's name doesn't interest him. Or as if he knew it already.

Wrap It Up!

by

Robert C. Ratliff, Jr.

Back in the early seventies, I was having dinner with a friend at the Haven restaurant, after seeing a film featuring Casey Donovan. The graphic scenes in this film sparked my imagination and my curiosity about cock rings. I wasn't sure why one wore a cock ring, or even how to put one on, until I saw Casey do it. During dinner, I excused myself briefly and ran across Polk Street to Le Salon to buy my first metal cock ring. I hurried back to the Haven and upstairs to the restroom to try it on (fortunately, my dinner companion was very patient!). Much to my dismay, it was too small. I had picked the middle size, figuring I was just a young average kind of guy. After I revealed my disappointment to my friend and we finished our dinner, he accompanied me back to the store for a quick exchange for the larger ring. After putting it on in my car, I had a rockhard erection for three fucking hours. Success at last!

Since then, I've been around the world and the block a few times. I've had a great deal of retail experience with leather goods and toys, and I've come to realize that there is a first time for everyone. Even in a social setting when someone asks, "Why a cock ring?" I don't mind sharing the information to help him make his own choice. I let him know that a cock ring will help hold in the blood flowing into the cock during erection. The correct method for trying on a cock ring is to carefully pull the scrotum and testicles (one at a time!) through first, and then slowly pull the cockhead through, and finally slide the ring down to the base of the genitals. This might seem like kindergarten information that everyone should know already, but you'd be surprised how many men have asked for help squeezing into a cock ring, having put their penis through first and then trying to jam their balls through! Then there is the matter of sizing: if you size a ring too small, there is a chance that you might not be able to remove it with any ease. Before you panic and run to the hospital to have it cut off, take a relaxing hot bath or shower. This will normally allow you to get it off safely.

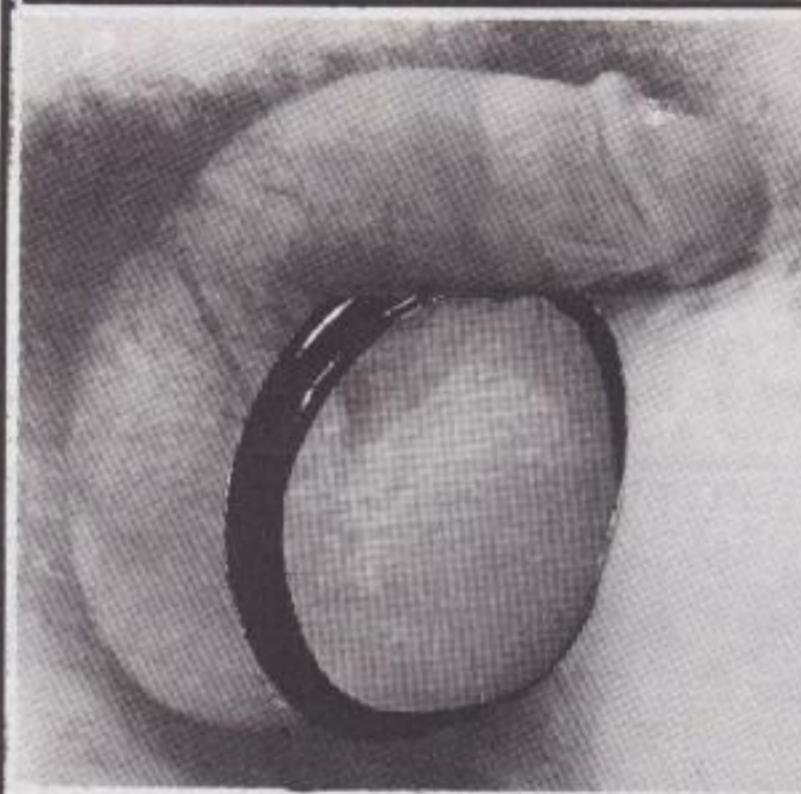

Wrap It Up!

Today there are many available types and styles of cock rings and cock straps. Your basic metal "O" ring is usually made from a length of brass bar, rounded, welded closed and dip-plated. When purchasing one, be careful that the plating is not cracked or peeling and that the welding joint does not have any burrs that could cut into the skin. Rubber "O" rings made from black latex can offer more flexibility, and are considered more comfortable by those who use them regularly. One drawback to these is that the pubic hairs can easily roll and wrap themselves around these rubber rings, causing some discomfort. If this happens, I would recommend a quick trim, which usually alleviates the problem. A basic leather cock strap is made of garment leather and is folded and stitched, with a few snaps to wrap around the genitals (often three or five snaps, hence the terms "three-speed" or "five-speed") and ensure adjustability. Although soft and flexible, after a few good wearings and washings the leather will quickly stretch, bind and bare the edges of the snaps which will cut into tender skin.

As you may be aware, there are many variations on the basics, from the simple leather thong to the seven-gates-of-hell. However, what I would like to bring your attention to are what I call the "state of the art" cock rings and straps. The finest metal accoutrements are available from Hawk Metals. These rings, bands and doughnuts are made from bronze, and cut, shaped and polished by hand. They are available in the basic diameters of 1½", 1¾" and 2". Diameters of 1⅜", 1⅝" and 2⅓" are available in some styles. There is no welding joint to be concerned about (a definite plus!) and their chromium-nickel electro-plating will not crack or peel. For you die-hards like myself, who like to wear a ring during the course of your day, the plating may wear down. To prevent this, I always advise the application of a couple of drops of baby oil on the inside of the ring before wearing. Because these rings are hand-shaped and their interior design is flatter, they are much more comfortable than the basic metal "O" rings.

For the increasing number of latex freaks out there, I recommend the larger (fatter) rubber doughnuts available from Mad Dog Enterprises. They come in the three basic sizes (S, M and, of course, L) and, because of their thickness, pubes are less likely to get tangled up in these. They are flexible, comfortable and a welcome addition to any toy chest.

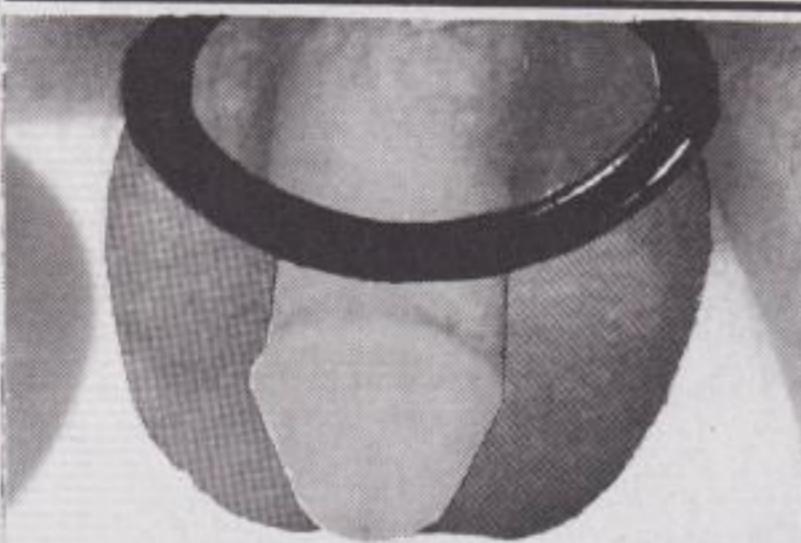

The correct method for trying on a cock ring . . .

1. Carefully pull the scrotum and testicles

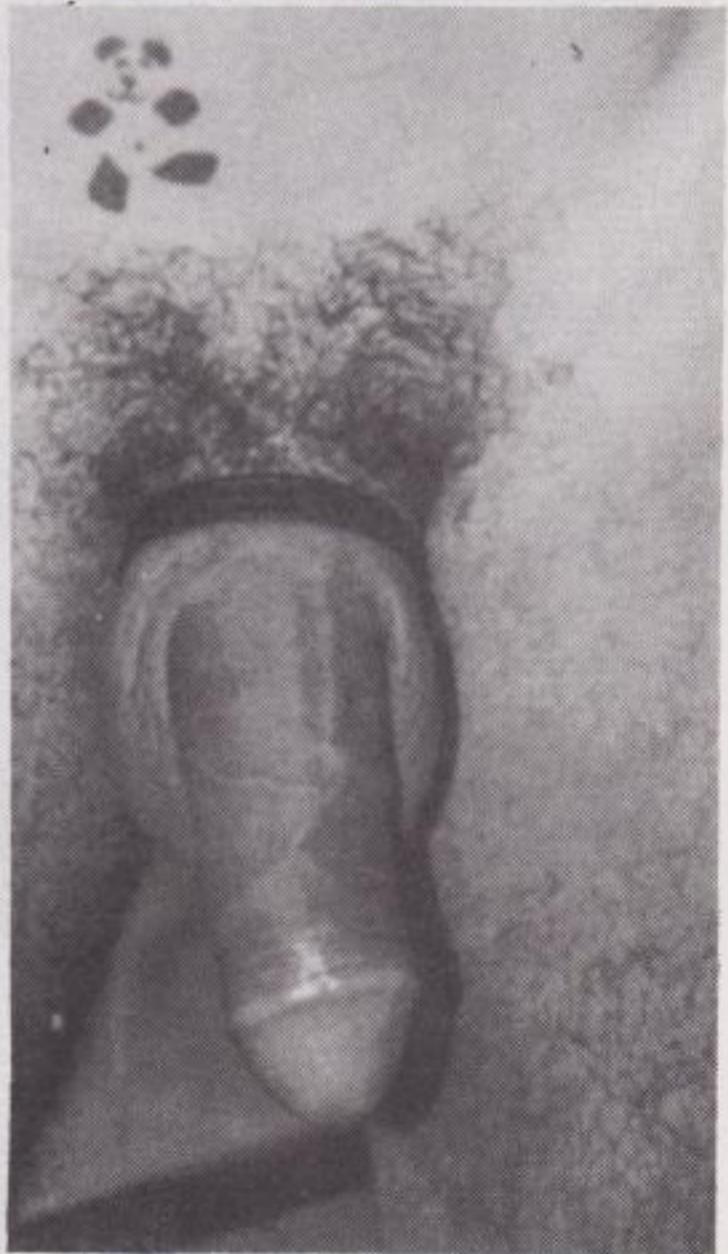

(one at a time) through the ring.

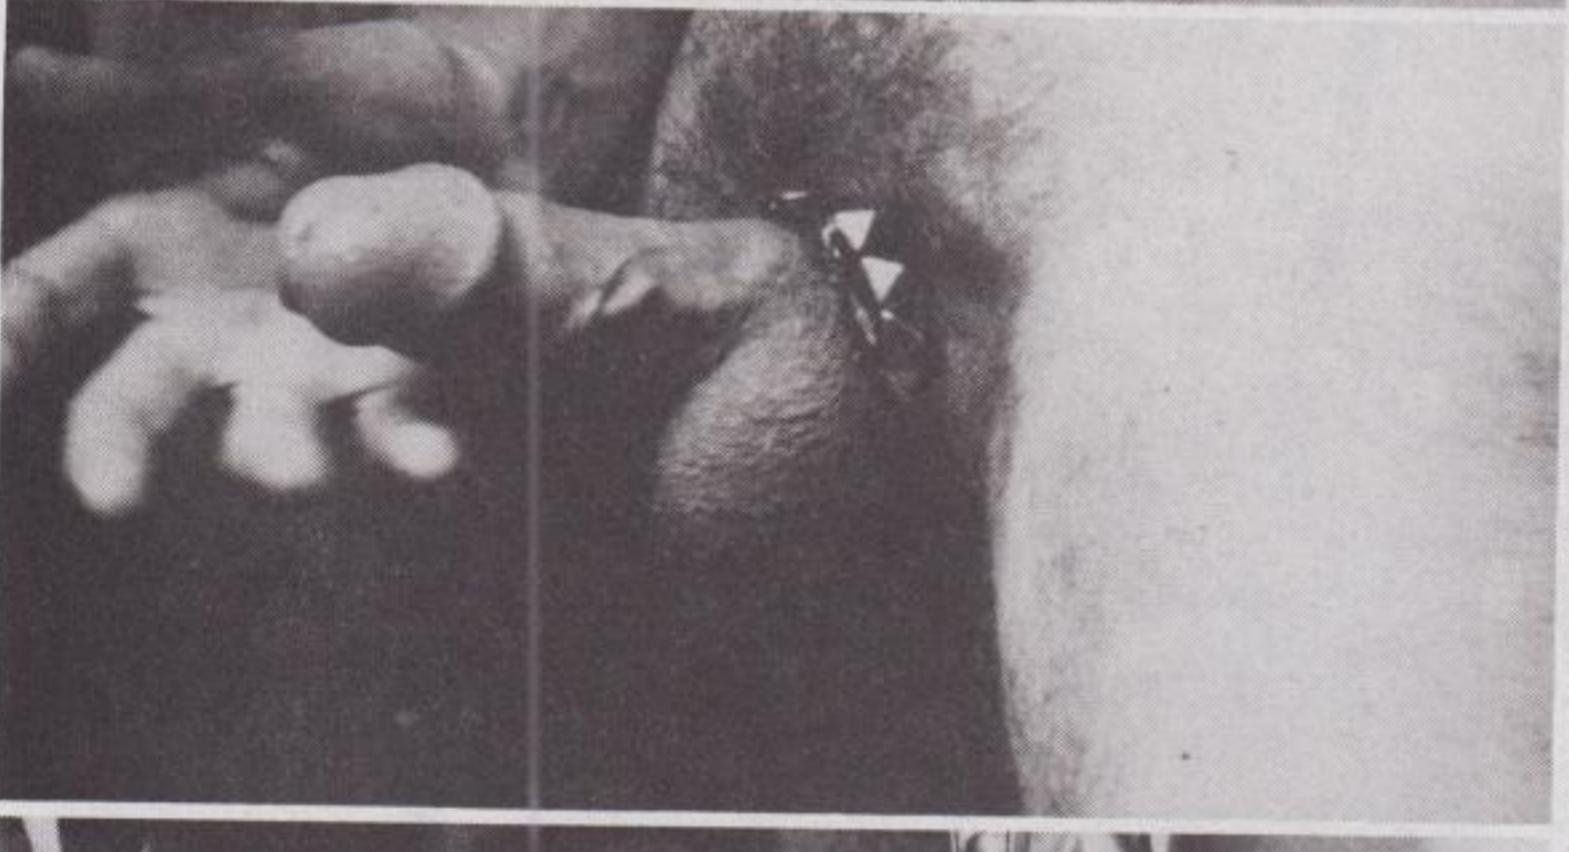

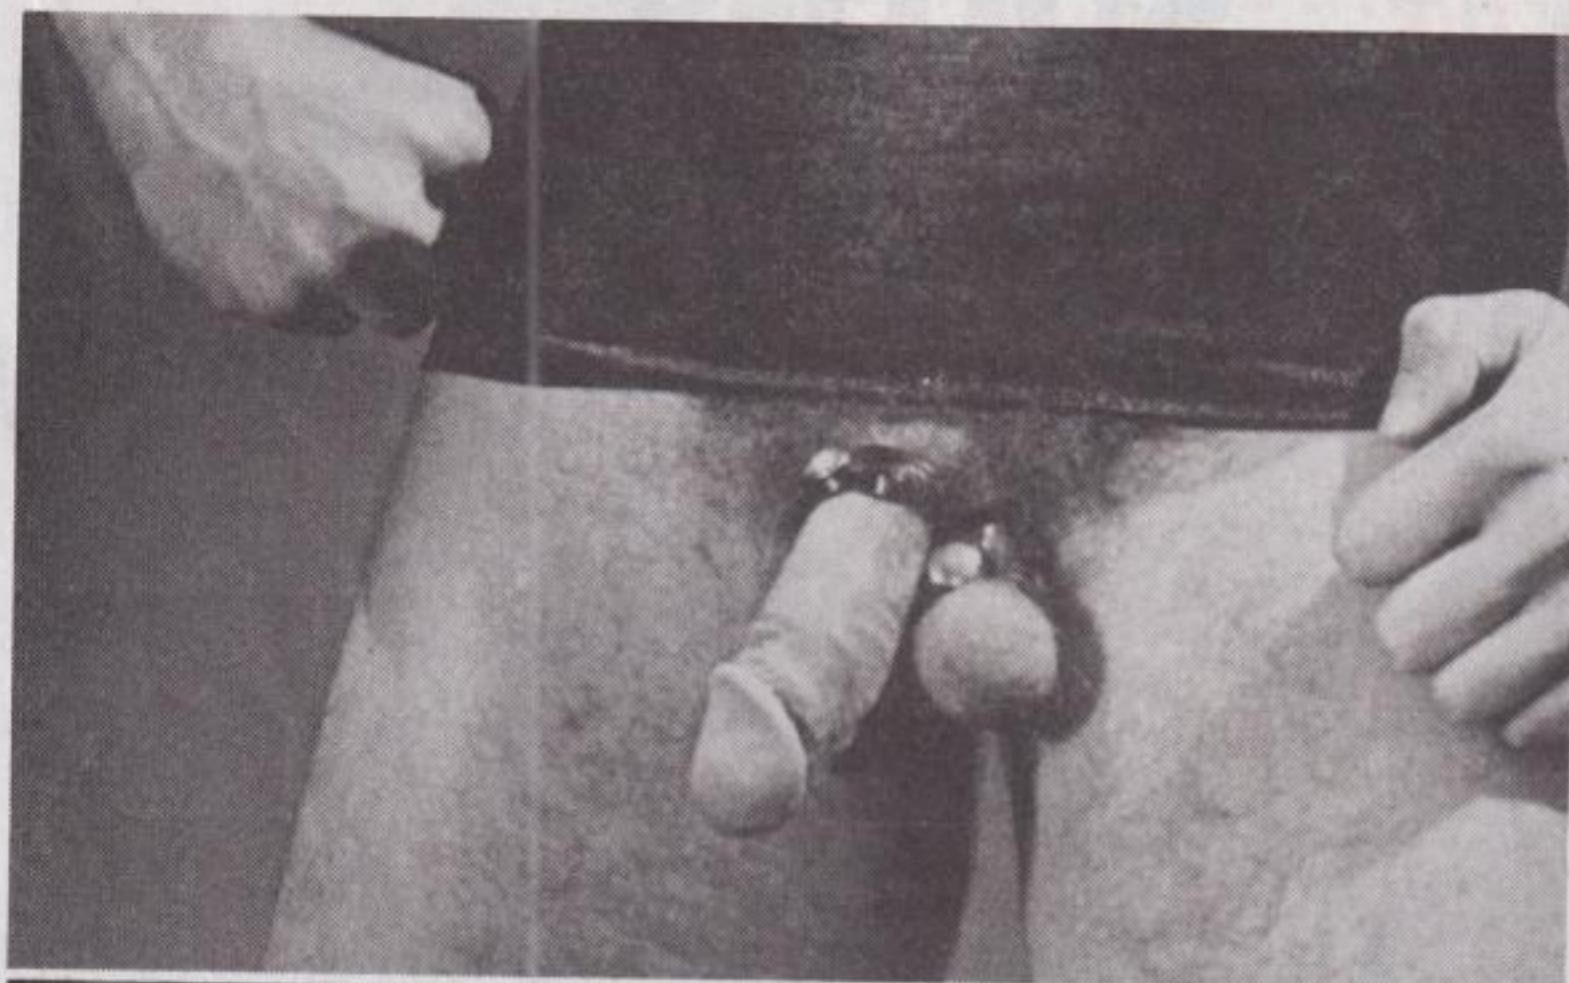

2. Slowly pull the cockhead through.

3. Slide the ring down to the base of the genitals.

For the "state of the art" version of the basic leather cock strap, you need look no further than Falcon Innovations' designs in heavier Latigo leather. These are designed with your comfort and safety in mind, providing you with a full leather experience. They snap, buckle and can padlock into place, and come in a variety of styles, with the exact diameters from 1½" to 2½". The buckle and padlockable styles allow for the Master and slave to each have his own set. The heavier Latigo leather can be washed without fear of it stretching, binding or baring any snaps to cut into your genitals. After a couple of good wearings to break in the leather, you can be assured that you are wearing a comfortable leather piece that will last and that you can be proud of in any situation.

A cock ring or strap is a piece of jewelry, a toy and a reflection of your personality. You can use them just for sexual play, to give you a more pronounced bulge in your pants, or just because you like the look or feel. Whether you're into the simpler (and cheaper) basics, or the latest in "State of the art" equipment, these are purchases one should consider carefully. Try them on for size, ask questions of retail personnel, and be satisfied with their answers and the piece before purchasing. With diameters, be sure to think about your cock in both its soft and erect state, the balls (tight or low-hangers), and the overall effect you want. Will this ring give you the sensation you are looking for (a snug or loose fit, etc.)? With the correct information, you cannot help but make the best decision for yourself with your new toy. With the rising cost of materials and the constant demand for something new and different, do not feel too inhibited to ask questions about a product you may be unfamiliar with. Who knows? You may have an idea of your own that could revolutionize the toy industry! Your satisfaction and constructive criticism are the only guarantee that we designers can continue to bring the public the products they desire. Just remember you have only the limits of your own imagination to show you the way to pleasure. In this day and age, even as an adult I can never have enough toys, as long as they provide me with the quality experience I deserve for my dollar. It's my heartfelt philosophy that one should always go for the gold, strive to do one's best, accomplish and complete one's goals, and most of all: live and enjoy one's life to the fullest. This extends to choosing accessories to enhance one's sexual fulfillment, and this is the spirit in which I have written this article. Above all else, have fun! □

SOLO-SEX: (A MAN'S

GUIDE TO SOLO-SEX FETISH VIDEO) by JACK FRITSCHER, PhD

ADAM, IN-A-GADDA-DA-VIDA, BABY, WAS THE FIRST SOLO SEX, I-o-n-g before Eve, the original Iron Butterfly, kicked out his rib, bit the apple, and ate us out of house and home. Eve, she say, "YO! Adam! No man is an island!" But Adam—before Eve—was an Island, and he had a great Penisula! Big enough to have its own zip code. So, long before Adam became the First Daddy, he manhandled it. Solo. So low! So slow! And never was a day he rested.

Sex with the entire bass section of the Moronic Tabernaked Choir might be Kama Sutra fun, but Group Sex, including interpersonal, repetitive love with a, forgive the term, "Significant Other," can never quite satisfy that soulful, organic Itch that lies at the Center of a man's own Existential Being.

Case in point?

Remember coming home very late from twenty tricks at the baths, and you were still horny in a way that only your own hand could satisfy, stroking strokes and pounding pud e-x-a-c-t-l-y the way you liked. One Procreational Chauvinist songwriter was wrong: "One Is the Loneliest Number." One Recreational Solo Sex songwriter was right: "Nobody Does It Better." Hair, you Broadway Babies know, was absolutely right: "Masturbation can be fun!"

We're talking Solo Sex here.

Masturbation.

Jerking Off.

Strangling the Chicken.

"Don't worry. Be happy." Not only will you not go blind, you'll not catch anything else either. Solo Sex is Safe Sex, unless you're a split-Gemini schizo-sleazoid scummy enough to turn on yourself. (And you know who you are....) Some sex, say, matrimonial sex for straight Breeders, is procreational; some more progressive sex with others is recreational; sex with yourself is, quite often, meditational and inspirational, and always is periodically necessary. Solo sex, unlike Other-Directed sex, centers a man's very private psyche. Go figure the nerve some guys have of trying to make love to someone else when they've rarely made passionate existential love to themselves!

MIRRORFUCKING: SELF-EMPOWERMENT

Gone with the wind are the days of frantic cruising. Here, for the duration, is the "Golden Age of Solo Sex." Never underestimate the Self-Empowerment of taking your dick, like your life, into your hands, and using it. Be independent. Why shouldn't you be? After all, you've got the musical group, *JOHNNY PALM AND THE 5 FINGERS*, hanging at the end of your wrist. You don't need to be Arnold Schwarzenetc to know that even irregular iron-pumping builds strength, drive, and, best of all, endurance and a good grip. In addition, Solo Sex can be done anywhere. You don't have to waste time in bars; and, as Mart Crowley wrote in *THE BOYS IN THE BAND*, At least, with masturbation, you don't have to look your best."

Acerbic Crowley may be wrong. Sometimes in Solo Sex, especially when you Mirror-Trip on your inner/other selves, because you enjoy the transformation of your Visual Self in uniforms, leather, or "just givin' fuckin' attitude, man, puffin' on a big Seegar," you make sure if you're going to *transdrag*—There's a new word, boys and guys; can you say, "Transdrag?"—yourself up as Johnny Hubcap, the Grease Monkey, that you look the Fetish-Gear Best the part calls for, be it Captain O'Malley, Monsignor Linotti, the Witchita Lineman, or whatever private perverted Alter Ego you harbor in your Solo Fetish Image of Yourself.

Mirrorfucking yourself is a most wonderful way not only to visualize your other inner selves, but also gives you a clue as to the other ways your face and body would look if you were leading the life of a soldier/cop/priest/construction worker/trucker. The life you lead forms your face, the face, T. S. Eliot says, the all-too-often false face, we offer to others to meet. Start your engines, gentlemen! Peel off your masks and reveal all the faces, as the Arbus-in-bondage photographer Mark I. Chester might say, angelic to demonic, that you so soulfully closet from others.

ELECTRONIC MIRRORFUCKING

When you party Solo, it's just one small step from fucking yourself in the mirror to fucking the Ultimate Mirror of the video screen where other men, performing Solo, become your Electronic-Mirror Fuckbuddies, coaching you to visualize, to actualize both your latent, blatant, secret images of yourself and your Ideal Otherness.

Confess! You may have cum with 5,000 other guys, but, mainly, you've cum a million times by yourself. (Didn't your mother, not knowing what you were doing, ask you to stop blowing your nose in your bedsheets?)

The time for your own Solo Sex to get a kick-n-boost out of the instructional companionship of a hot Solo Sex Video is Now!

SCREENING THE SCREEN

Among the video-best of Solo Sex Mirrorfucking is Colt Studios' *PUMPING OIL*, starring the 80's greatest erotic icon, Frank Vickers. Unfortunately, Colt doesn't really shoot videos. Colt shoots film and then transfers to video, dubbing in generic soundtrack music only a disco-dentist could love. Consequently, Colt denies you the audio-erotica of hearing the dropdead BB Bombshell Frank really groaning while slipsliding away on his beautiful blond dick. The audio on a video is very important esthetically. Dubbed music sucks when compared to the sex sounds of what's actually happening onscreen.

Catch up, Colt! We love you, but you ruined your incredible *HOT COP* video by making it a duo. Re-cut it; drop the twink; keep the Hot Cop onscreen alone; and re-release it! Plus, your latest "Minute Man" series—each video a mere 12 minute Solo—not only lacks passion, it also looks like it was edited with a Cuisinart. Not to down the classic Colt Studio, so faultlessly controlled in superbly art-directed photos and mags, but Colt's videos in no way look like Colt-founder, perfectionist Jim French, is himself in control of the editing chainsaw-massacre of good footage and great models.

FALLING THROUGH THE VIDEO MIRROR

Your video monitor is more than a screen. It's a mirror. It reflects YOU and your LUST. Everytime you zap a channel, everytime you rent *PRICK UP YOUR EARS*, and especially when you rent or buy adult male videos, you are what you view! You learn some new twist! You grow! You become! Who says you can't teach an old dog new tricks? ARF! ART!

The point is, precisely, video is a nakedly personal medium. You yourself can create at home with a Camcorder and a candle what in the heyday of Hollywood took a crew of 200 to manhandle. High Tech has put Solo Sex erotic-video into the hand of Everyman. That's why so many new video artists, with their intensely personal sexual/fetish visions, have sprung up in the past couple of years to rival the generic studios that for far too long have dictated the "received taste" of what a man onscreen should look like.

Whoever mandated that you had to be a Colt bodybuilder or a William Higgins surfer-modelle to be a Video Stud? The new video artists feature normal, homomasculine guys you actually cruise, catch, and ball with: real people. The New Solo Video gives you access to regular guys, eroticizes the Normal Look, reveals secret fetishes, and lets you identify man-to-man with guys who actually exist on the street where you live.

SOLO NUTS

One guy recently sent two tapes of his self-recorded Solo Sex. He's a traveling salesman and spends every night alone, but not lonely, in a different hotel room, videotaping himself, surrounded by decor that ranges from Motel 6 to Hyatt- Regency. His Solo Sex trip is **BALLBUSTING**. Nightly, he thumps his nuts, hung over everchanging bathroom sinks, with rubber mallets, wooden clubs, and Everlast fast-bag boxing gloves, until he shoots from his sizeable 9-inch cock.

Amazing, Grace!

On the two videos, he must cum 50 times. He's an artist of Solo Sex with the fillip of dropping 18-inch surgical-steel sounds down the head of his dick to the base of his balls, punching them til he shoots. That's a Solo Act hard to follow!

Talk about an audition tape! He got signed up immediately by Palm Drive Video to star Solo in the not-yet-released **BALL PUNCHER!** That's the glory of video. Otherwise-secret Solo Sex can be shared with other men using their video screens as windows, to be coached by the Solo studs onscreen, into pushing out even farther their own envelope of Solo Sex, learning new Solo Sex trips, that, through their High-Tech video partner, become an electronic duo: two guys solo-ing together. If you wanna be a Solo pervert, watch what the master Solo perverts are exhibiting onscreen, sharing their Solo Sex with you.

Is Solo Sex lonely?

Does Baryshnikov need a partner?

OLD RELIABLE'S SOLO SCUM

Video maven, Old Reliable, aka David Hurles, whose career was launched by **DRUMMER**, which was the only magazine at the time daring enough to publish and publicize OR's tough, young, street hustlers performing Solo Sex, creates his videos like a symphony in three movements. First, the always-muscular young thugs strip off their clothes, oil up their naked bodies, and grind out tough muscle poses. Second, because they all inevitably know boxing and karate, they flex and shadow-box with the camera, freestyling into kicks and punches and hot licks, inter-actively, right into the camera lens, which means, right into your face, fucker! Third, they lay back on Old Reliable's trademark couches on Old Reliable's trademark towels for an Old Reliable trademark moneyshot. (Video fans can carbon-date Old Reliable's videos—and his success—as his couches change from early SFO Salvation Army to post-modern LAX Furnishings 2000!)

Depending on the verbal ability of the "talent," OR's Solo Studs talk real mean-and-nasty verbal abuse to the camera. Hurles' formula works. Even though he makes the same video over and over—his idea of "going on location" is moving his camera from the living room to the dining room—each new shoot is singularly refreshed by the New Meat the streets of Hollywood offer up singing, "Love for Sale."

If you dig young, tough, tattooed, hyper-urban street trash, recently graduated, magna cum speed, from the best juvenile halls in Republicanamericana, you'll cream over Old Reliable's Solo Sex videos. His Ultimate Personal Best Solo Video is the exquisite, *I, RICK*, followed by *FIVE DAYS WITH PHIL*, and his recent *SOMEONE'S SONS*, an anthology video featuring five youngstuds each Solo.

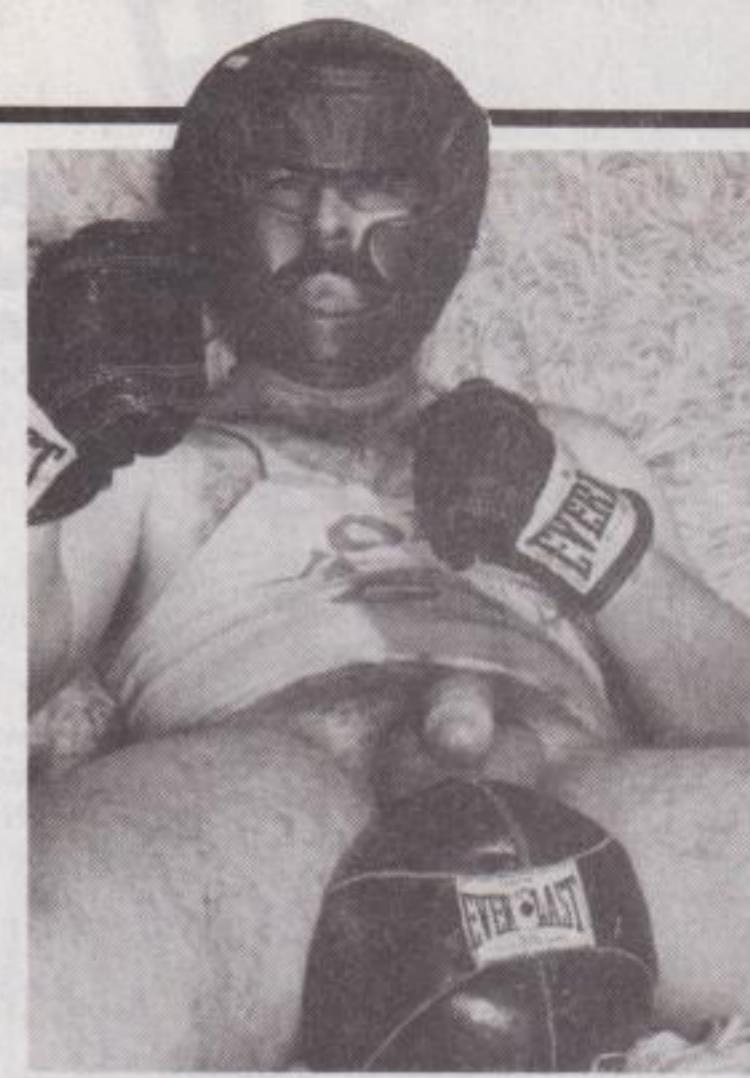

As critic-writer Boyd MacDonald has observed, Old Reliable gives you access on video to types "you'd never dare invite into your lovely home." But caged behind the video screen, these Solo Performance Artists, directed by the ever-chatty onscreen voice of Hurles, who bills himself in the LA-Land of Queens as "The Prince of Hollywood," are totally safe and wondrously satisfying examples of classic Solo Sex videos.

SOMETHING FOR EVERYONE

However, Old Reliable's appeal can also, for some, be his drawback: his models, all of whom claim to be "straight," and, well, maybe, "bi," are statistically about 21 to 25 years old. If you prefer grown-up men with some mileage on their tits and some experience in their face, you'll need to balance OR's offerings with tapes from other video studios. But, thank your stars, Hurles shoots, with all the cool of a tenured university anthropologist, a stratum of Solo Sex Street Studs no one tapes better. (Some of his stars sleep homeless in crates beneath freeway interchanges.)

In the matter of "balance," you'll find the trade of talent between studios quite interesting. For instance, one of Old Reliable's blonds becomes a Palm Drive Video stud, just as J. D. Slater performs for Chris Rage and Wakefield Poole (Solo in "1" in Wake's *1-2-3*), which is great, because you get a Star Stud interpreted by a variety of video "arteests."

In fact, these new studios—ZEUS, for instance, working with B.G. Enterprises—often trade talent behind the camera as well. Old Reliable's duo Solo, the classic hillbilly video, *THE ADAMS BROTHERS*, (real cigar-smoking half-brothers both hung with 10 hard Appalachian inches in their boxer shorts), was actually shot by Palm Drive Video who released the video through Old

Reliable. The revelation here is that, yes, two guys on camera can perform Solo, side-by-side, when directed to pay more inter-active attention to you than to each other: sort of a 3-way Solo Circle Jerk.

BONDAGE SOLOS: ZEUS IS LOOSE!

When it comes to Solo Sex video, ZEUS Studios, a longtime pro in mags and photo packs, has in the last year positively bloomed into Solo Heroic Bondage videos. *TIGHTROPES 1*, *TIGHTROPES 2*, *TIGHTROPES 3*, and *TIGHTROPES 4* are all masterful marriages of B-O-N-D-A-G-E- & M-U-S-C-L-E posing. If you get off on handsome fuckers like juicy Buddy Justice and hunky Scott Answer tied to a wooden post, straining, steaming, dripping sweat, cursing, and popping veins and muscle, in jockstrap and then naked, before your very eyes, you may have to reset your Pacemaker to keep from meeting your Maker.

ZEUS harkens back to the Hollywood movies where the hero, from Alan Ladd and Victor Mature to Steve Reeves and, most recently, Blond-Bear John (*Dukes of Hazard*) Schneider, always spend half the last reel, stripped half-naked, straining in bondage. Marrying that Solo Bondage concept to the Solo-Posing of a competitive Bodybuilder-on-Stage, ZEUS's chemistry is Triple A-Bomb shit!

In a physique contest, fans go crazy as the muscle hunk, glistening Solo, oiled on the posing dais, strains, like some Prometheus Bound, against invisible restraints. When ZEUS's Mikal Bales, not nicknamed "Daddy Tightropes" for nothing, invites well-built, muscle hunks into his Bondage Video Studio, you get to see the essence—no, the quintessence—of a whole new phenom: HEROIC MUSCLE-BONDAGE PERFORMANCE ART.

Bales knows less is more. And he feasts on it!

The fantasies that cross your mind while you watch his Solo Bodybuilders, bound hand and foot, panting, breathing, sweating, straining to full pump and vascularly against the bondage, are probably best not mentioned to your shrink. Plus, ZEUS's type of man, unlike Old Reliable's appealing low-rent street trash, is more genuinely, as it should be for a studio daring to call itself ZEUS, more near to the classical Greek Ideal.

Can we talk?

If you've ever wanted to, *consensually*, of course, kidnap a college jock, capture a muscular soldier, or abduct the hunk of your dreams, ZEUS's Solo Sex Bondage videos will make your Solo Sex seance in the privacy of your video room a Pasolini Festival of Sensual Delights. ZEUS's Solo videos, centered on muscle-bondage, are not centered, as much as Old Reliable's are, around the model's own cuming.

ZEUS provides the set-up for the only cuming that matters: YOURS!

The ZEUS formula—hot bods in "Designer" (interpret that word in its best sense) Bondage works—even with variation. Occasionally, disconnected hands stroke the pecs, abs, thighs, butts, balls, and dicks of the bound muscle heroes. Believe me, you are THERE! Those disconnected hands become your hands! ZEUS knows how to focus its material precisely, and, for those viewers who absolutely need "moneyshots," ZEUS provides enough onscreen jerking off and cumming to satisfy the dick-centered viewer without getting in the way of the "purist rope-n-muscle" viewer who is especially hot and hungry for Solo Heroic Muscle Bondage *ala carte*!

What a genre! It's genuinely original, fresh, and new!

Everything that rises must converge, and ZEUS's mix of rope-and-muscle-resistance is a most harmonic convergence! Actually, as Erotic Performance Art, ZEUS exhibits Solo Sex video genius!

WARHOL AND THE ATHLETIC MODEL GUILD

The legendary Athletic Model Guild, started in El Lay during WWII, by Bob Mizer, whom DRUMMER hereby dubs "The Father of Solo Sex Entertainment," created the art form of the Solo-Stud-on-Screen on his then state-of-the-art 8mm film loops. (Not that Muybridge and Edison didn't try it first!) Mizer is still going strong on video with Solos, although he varies the form, as does Old Reliable, whose mentor Mizer is, with his duo wrestling videos.

For you art lovers and gay historians, as well as for you fundamentalists reading this publication, these Solo videos are not obscene according to current Supreme Court rulings, precisely because they are, using the legal lingo, of "serious artistic and political value, chronicling, as they do, the real, historical lifestyle, and sexstyle, of a legitimate American subculture."

What an American citizen does with his body is the Ultimate Political Act.

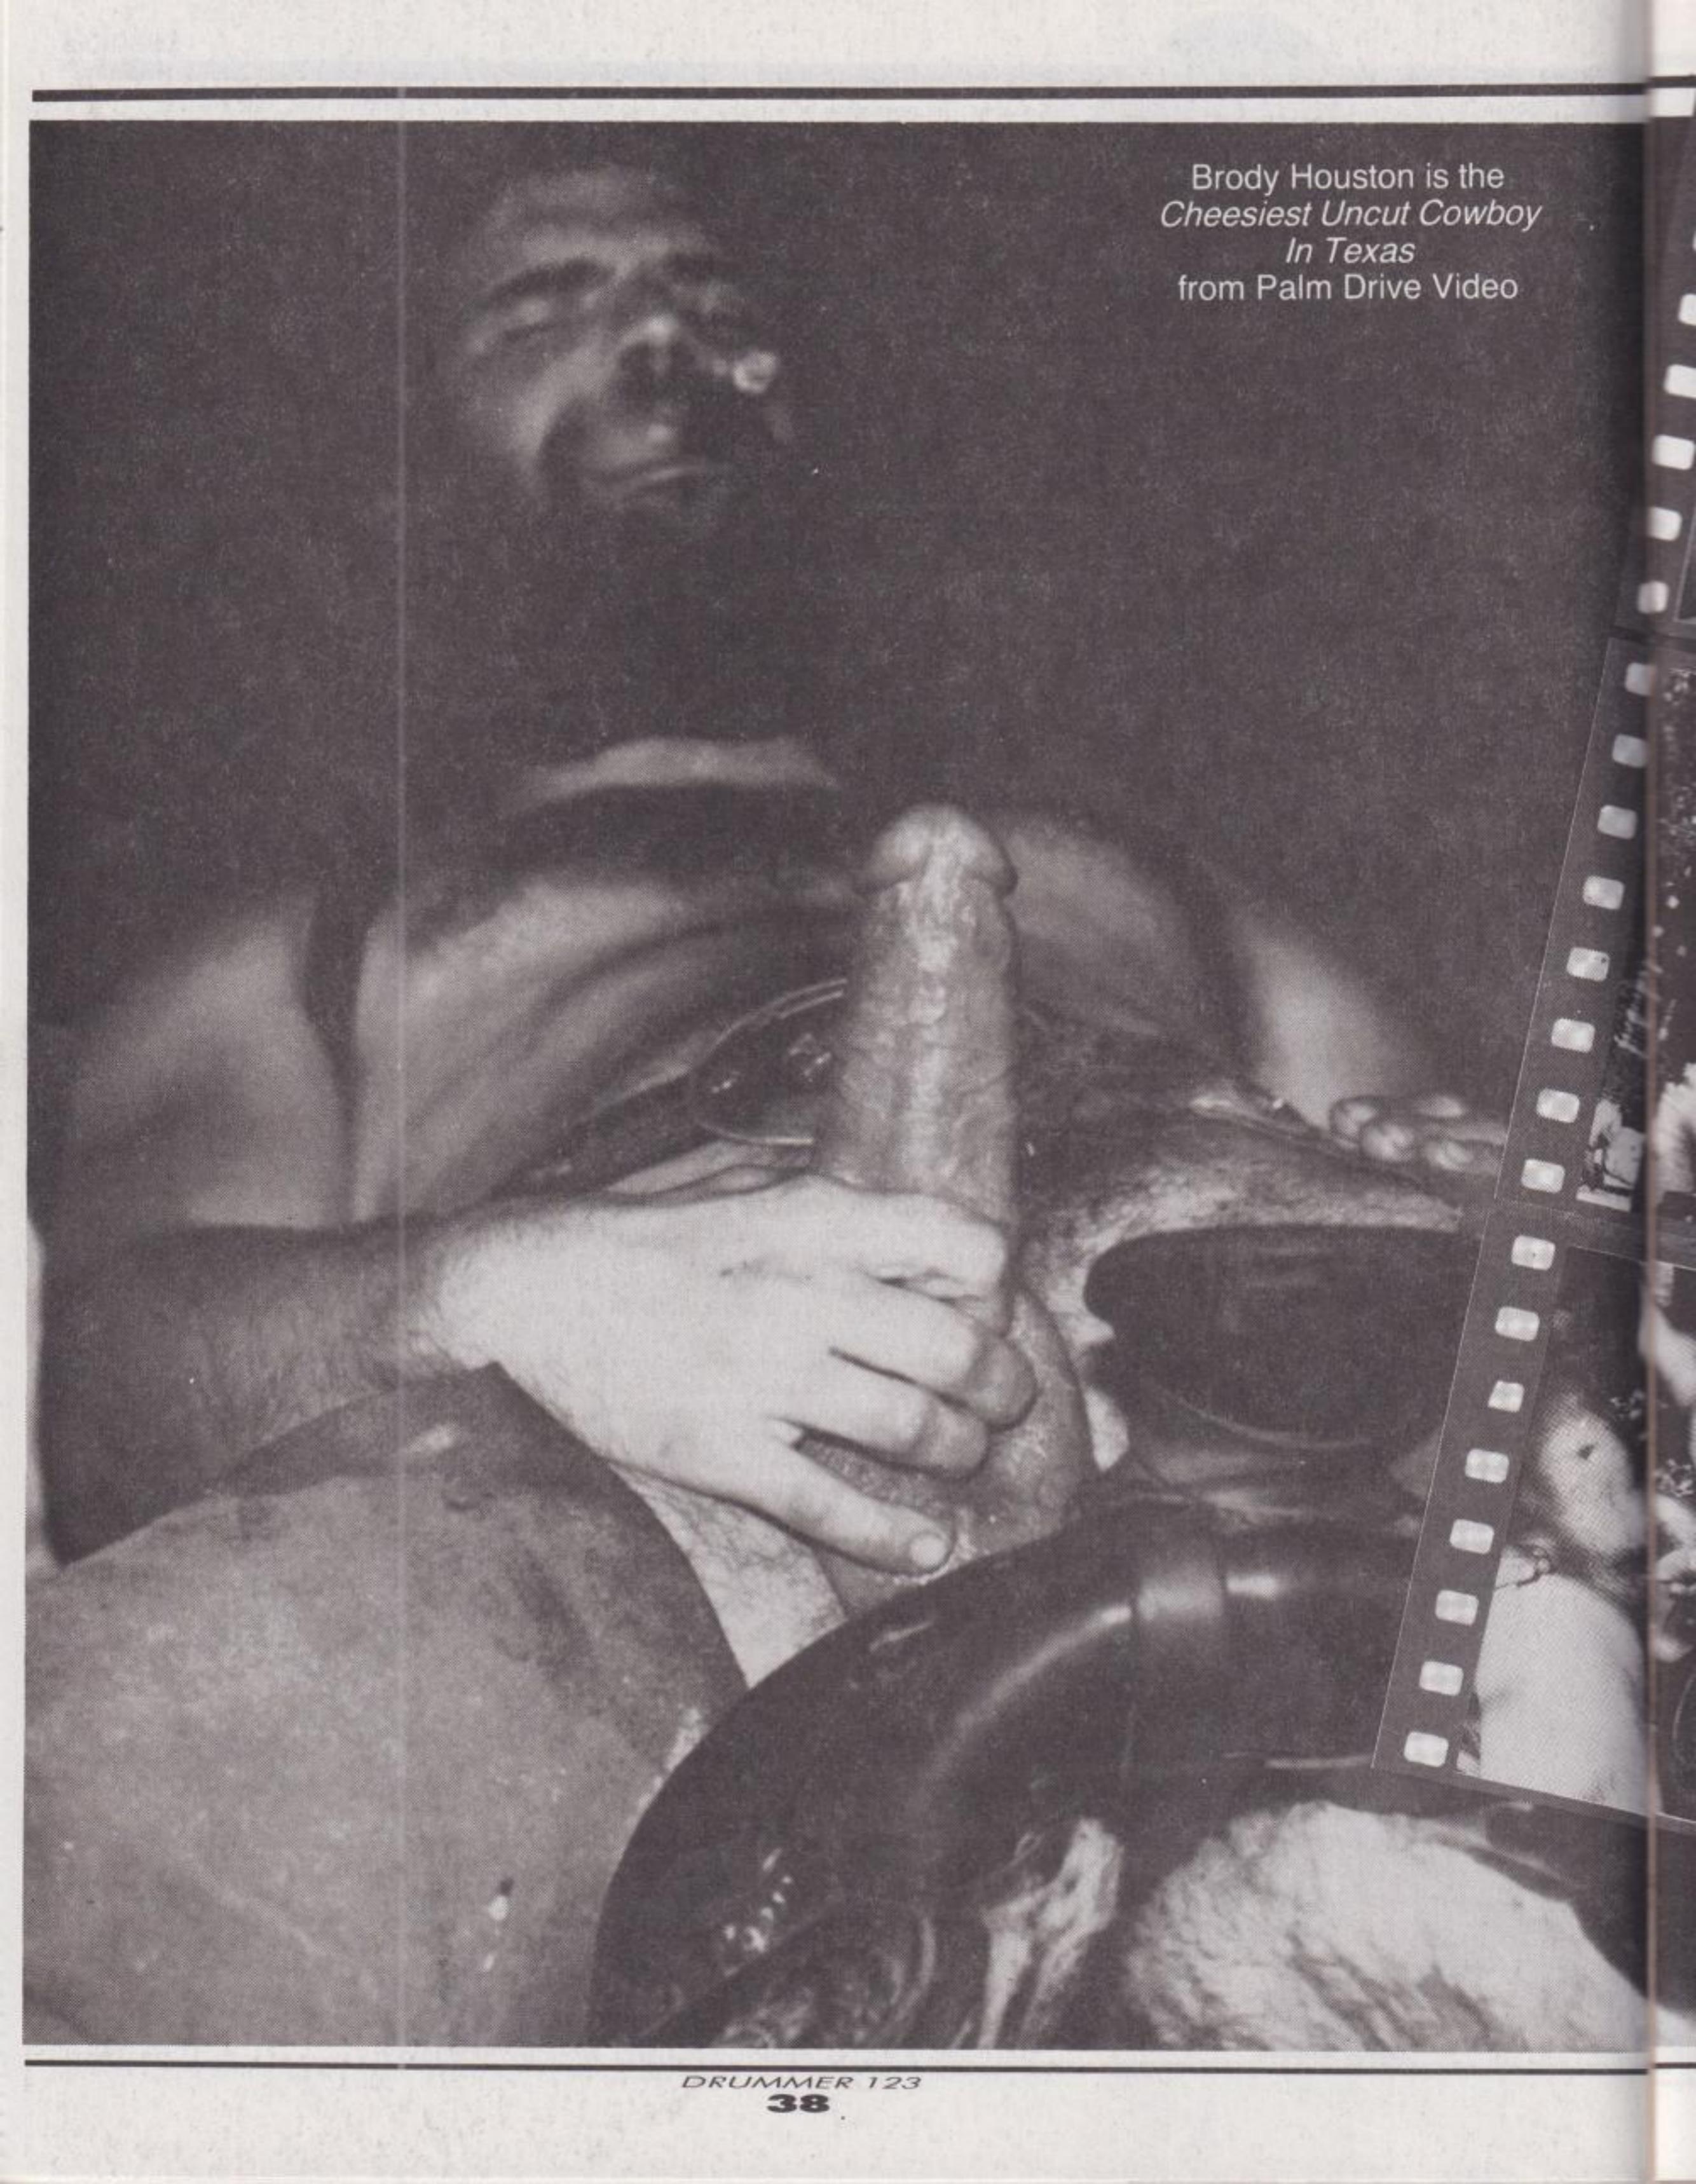

We're talking First Amendment Constitutional Rights here. Rights that have been already infringed upon in 15 states. By the time you read this article, you may not be able to buy or rent any of these videos, because Congress, as of the day of this writing, sent to Reagan for signing, an obscene bill that, despite its unconstitutionality, will try to knock erotic art in America on its butt.

SO GET POLITICALLY ACTIVE if you want to protect, for the present and the future, magazines and videos that reflect and record who you are, and who we all are, as a select group of American citizens. Our Homosexual Identity is Constitutionally at stake here. All printed and recorded traces of our God-given lifestyle are at more risk than our bodies are from Unsafe Sex.

Anyway, before I was so rudely interrupted by this day's terrible censorship newsflash, the artistic lineage from Bob Mizer to Andy Warhol's underground movies is clearly evident in Warhol's unforgettable "Solo" film, *BLOW-JOB* (1964), where all you see onscreen is the upper torso and face of the NYC stud who is obviously being serviced below camera range. Mizer is probably best known for his one-handed mag, *Physique Pictorial*, basically a hot J/O catalog of AMG's Solo video studs.

PETER BERLIN

Through the world's greatest leather-rubber fetish photographer, who was also once one of the great loves of my life, the wicked, wicked Robert Mapplethorpe, I met and interviewed Peter Berlin, who, if ever there was a Narcissus of Solo Sex, is the winner. For years, the reclusive, blond, sylphlike Berlin has sold Solo Sex movies and videos of himself, shot by himself, oftentimes featuring himself jerking off with/against himself on screen. As far as I know, Berlin has rarely shot another model, and has turned his own image, with his own camera, into an esthetically, and one trusts, financially successful, cottage industry of Solo Sex. Peter Berlin, in—Move over, Marlo Thomas!—THAT BOY and his tour-de-force, *NIGHTS IN BLACK LEATHER* is total symbol of the high-flying Solo Sex Act of Man Alone, of Man as Island, of Man Totally Sexually Self-Absorbed.

CHRIS RAGE AND FRANK VICKERS

Opposite to Berlin's two-ply self-absorbancy, foursquare stand Christopher Rage's videos starring Frank Vickers. Vickers, frequent Colt Model and Cover Stud of the solo J/O stories in the book, *STAND BY YOUR MAN, AND OTHER ONE-HANDED, TWO-FISTED STORIES*, (available mail-order through Desmodus), is direct contrast to Peter Berlin.

While Peter, the Black Leather Narcissus, gives no screen indication that any other peter exists but his, Vickers, as created more huge than life by the outrageous Rage (himself named after Kenneth Anger), performs his Solo Sex on himself, but yet he always seems to be strutting his stuff inter-actively for you. In some of the *WORSHIP!* video episodes, he is entirely self-absorbed by his own muscle and beauty. In others, he watches construction workers from behind Venetian blinds, and pounds his pud. But, always, the truly altruistic exhibitionist Frank Vickers, whose blond muscle ZEUS should tie up as only ZEUS can do, acknowledges real recognition of you watching him knock off his Solo nut. (Couldn't you just get, like, totally lost, boys, in that Bermuda Triangle Trade of Talent: Vickers as Colt model; Vickers as Rage model; Vickers as ZEUS model!)

Frank Vickers is not only a handsome, blond, NYC bodybuilder; he's a nasty all-of-the-above, and the perfect Solo Sex Archetype for any and every Leatherman with sense enough to worship what Gods he finds before himself—including himself. Small wonder that the canny Rage titles Vicker's best Solo Sex video, simply, *WORSHIP!* (Buy it! Rent it! And worship you will!) Frank Vickers is the kind of guy who makes you crawl on your knees to lick the screen.

SOLO SEX IS NOW

The roster of erotic stars who participated, quite innocently, in orgiastic sex videos—before any of us knew better—reads, unfortunately like the Tibetan Book of the Dead. Today's erotic stars, like Superstud Keith Ardent in *9-INCH PEC STUD IN BLACK RUBBER* (*DRUMMER* 118 Coverman and lead feature), much prefer Solo Sex onscreen appearances. So concerned with safe, but extreme, performance is the ardent Mr. Ardent that he approached Palm Drive Video, a 3-year-old studio that specializes in Solo Sex almost exclusively. Something like PDV's boxing video hit, *GUT PUNCHERS*, because a *puncher* needs a *punchee*, features the consensual duo of El Lay's Dan DuFort and Gino Diddino (aka B.G.'s "Gino Gentry"), yet, at least half the video is the dropdead handsome Gino working himself over with Solo Sex self-inflicted Everlast punches! Gino, like Keith, is one of those oh-so-talented Solo Sex artists who can, within the infinity of Solo Video, do a "Figure 8" on an ice cube!

Palm Drive's roster of videos, in fact, is a veritable catalog of Solo Sex. As inter-active as are the videos of Old Reliable, PDV takes INTER-ACTION to new depths. (Inter-active means that the Solo Stud onscreen looks directly into the camera lens which means he looks directly out of the screen into your face; inter-active means he talks all kinds of verbal trash directly into your ears, as in PDV's *THRASHER*, *NASTY BLOND CARPENTER* J/O, or *REDNECK COWBOY HELLBENT FOR LEATHER*; or, in another style, seductively whispers you in to lick and worship his hairy muscles as does *DRUMMER DADDY*, Dave Gold, in *DAVE GOLD'S GYM WORKOUT*. (See *DRUMMER* 117, A Daddies Issue.)

Palm Drive's Solo Sex videos recently became a "hot item," in these Safe-Sex days, when San Francisco's syndicated CBS-TV talkshow, the ever-titillating *People Are Talking*, came calling. Dave Gold was invited by co-host Ann Fraser to appear as a Solo Sex, therefore, Safe-Sex, Video Star who, working with this new concept, was both proud of his erotic art videos and articulate enough to talk live to a studio audience about the joy and common sense of Solo Sex.

SOLO VIDEO'S WAR ON UNSAFE SEX

The efforts of the new videographers, like ZEUS, Old Reliable, and Palm Drive, are much like Gable and Lombard, stars who stumped the USA selling bonds to help the war effort. Solo Sex videos truly, creatively, help the war effort on AIDS, precisely because they entertainingly keep the viewers off the streets away from unsafe temptation while they offer both instructional and dramatic introduction as to how other guys inventively perform Solo Sex by themselves as healthy HOME VIDEO ALTERNATIVE to taking unnecessary chances on love in the bushes. Who says erotic art video, same as all the informational Desmodus publications, can't also raise public consciousness on medical and political issues?

SOLO VIDEO NO WAY CENSORS MULTIPLE VIDEO

Hold it! We're not talking "Sexual Autism" here. We're not saying don't have Safe Sex with others, and we're definitely not negating videos that feature multiple sex partners (even those shot before Safe Sex became a fact of life). The point here is that the subject at hand is creative, self-affirming Solo Sex, emerging, empowered by Solo Sex videos, from the Old-Wives' closet where masturbation was supposed to grow hair on your hands, blind your sight, and make you go crazy.

Solo Sex videos are, as a matter of High Concept, Safe-Sex Primers: "See Dick. See Dick pump. See Dick cum." Just as James Joyce, in his once-banned *ULYSSES*, introduced the shocking Molly Bloom in the world's best-written Solo Sex scene, so do today's videos and mags carry the banner for continually surprising viewers and readers by celebrating the joys of Solo Sex. Joyce's Molly keeps repeating "Yes. Yes! YES!" as she takes Solo flight to Solo orgasm. Masturbation is, among whatever else it is, a self-proclamation of independence to the world, shouting, YES, giving sexual, existential proclamation that, goddammit, pay attention, I AM HERE!

THAT'S ENTERTAINMENT TONIGHT!

When the video model inter-actively relates to you, the viewer, you get yourself a High-Tech Safe-Sex, very intense partner for the nights when you might otherwise be tempted to cruise out high-risk. Solo Sex videos are, to be clinical, a comfortable, creative, alternative sex-trip absolutely correct for both the duration of this Viral War as well as for the duty each of us has to ourselves for sexual/sensual self-reintegration when drained by the madding crowd.

When you're fed up with the baggage of too much inter-personal sex, sometimes too often with sexual vampires, who suck your soul and give you nothing, or when you're just plain horny, a good session with a Solo Sex video can keep you happy at home, and let your hand satisfy you—body and soul—safely, and, as with all masturbation, better than any one else.

If that isn't a psycho-social High-Tech service of Constitutional value provided by video artists and models to help you make it through the dark night of the A-Word, nothing is. These Solo Sex studios are responding fast to answer a definite need in the homomasculine psyche that ranges from Solo Vanilla J/O to Solo S&M. Do yourself a favor. Get current. GET REAL! Write to all your representatives in Washington, and then, if you live in a "Free," not "Outlaw" state, write to all these video studios for their free catalogs.

SOLO SEX AS SELF-WORTH

Frankly, I grew tired of watching gorgeously untouchable models fuck each other paying no mind to me jerking my meat on the couch. I grew even more bored viewing those 3 million cliched videos of two 19-year-old blond "Marines" fucking each other around El Lay pools. After multi-hours of viewing, I realized that one's self-esteem seems actually diminished when you are reduced merely to voyeur whom the super-hot actors completely ignore, as if you're not hot, handsome, and hung enough for them to pay you the same sexual respect you pay them in worshipping their bodies.

This way, faster than you can say, "Fassbinder," lies despair.

Besides, more than a few videophiles have reported that watching old videos from before this Safe-Sex Era, does two things to the viewer: 1) tempts you to, what-the-hell, fatalistically, go ahead and continue doing in tonight's life what is being done onscreen in a 10-year-old video; 2) causes you to torture yourself with nostalgia by watching what you can't any longer do, agonizing over the lost past and lost friends, and wondering why, with all the wild shit you did do, you're still alive. We who yet survive don't deserve such dilemma.

Who but a clinically masochistic fool would subject himself to such a twisted, sad, gone-with-the-wind headtrip? Many viewers, understandably, not wanting to be bummed out, refuse to watch old pre-Safe-Sex videos, just as the new erotic stars refuse to make them. The new Safe-Sex programming in our heads more often than not causes, not a hardon, but a revulsion that churns in one's guts. Not to be a downer, but who wants to watch the wonderful Casey Donovan performing the passionate acts that allegedly killed him? It's like living at the scene of an accident.

Solo Sex, while it turns its creative back on the Past Imperfect, both looks to the inventive Future, and is very NOW! Solo Sex video provides an emotional and sexual alternative release for all us former night-crawling manimals who are overheated and underventilated during this, our hard day's night of abstinence and condoms.

That's why Solo Sex Video is currently enjoying a rage of popularity. The man on screen looks at you, talks to you, spits at you, drinks beer and smokes cigars with you, pals around with you, teases you with his cock/fist/tits/butt/holes/muscle, invites you to try his whips and chains, and shoots his load directly at you.

Rewind.

At you.

Freeze Frame.

At you!

Inter-active Solo-Sex video actors are hot pardners, pal, ordering you to crawl on your knees across the floor and kiss the video screen, because the Solo Sex star knows his purpose is *TO BE THERE FOR YOU*, as a person, as a man, when you need a Bear-hug, joining him in Solo Sex. No longer do you have to be a left-out dweeb, hiding in the bushes, watching two sex-gods gobble each other, leaving you feeling like a dirty old man, like a voyeur in the video bushes.

SPECIALTY FETISHES

Solo Sex video, infinitely inventive, enhancing the Solo theme, tends to get heavier into fetishes than do the multiple pre-Safe-Sex videos that succeeded simply by employing fucking casts of thousands: so many guys onscreen, you lost track of whose dick was in whose butt.

And talk about fetishes!

When veteran—16 years on the circuit—Professional Wrestler Chris Colt, 36 and 210 pounds, decided to "come out," for instance, he called Palm Drive, because, he has always, as a performer in the squared circle, considered himself a Solo act even when tag-teaming! What Chris Colt Solo does in PDV's *UNCUT 8-INCH PRO-WRESTLER* is turbo-charge into High Sex J/O the cliched shouting and macho-bravado (the theatre verite) that so many of us love to watch wrestlers, like Billy Jack, Rick Rude, and the Road Warriors, engage in, attacking the camera, between bouts.

You want the real thing? Whether the video man of your fantasies is a real professional wrestler like Chris Colt, a real Old Reliable hustler, a real ZEUS-rope muscle stud, or just a real ordinary night-time sex-maniac, a guy, Solo, jerking off onscreen, uncircumscribed by some video queen's queenly script, improvising with the New Breed of homomasculine video director, and talking nasty—this guy will peel away all his masks and give you his real self, his real soul, and a real stroke and hug, making your Solo video evening a titanic night to remember!

VIDEO ART EXPOSES LIFE

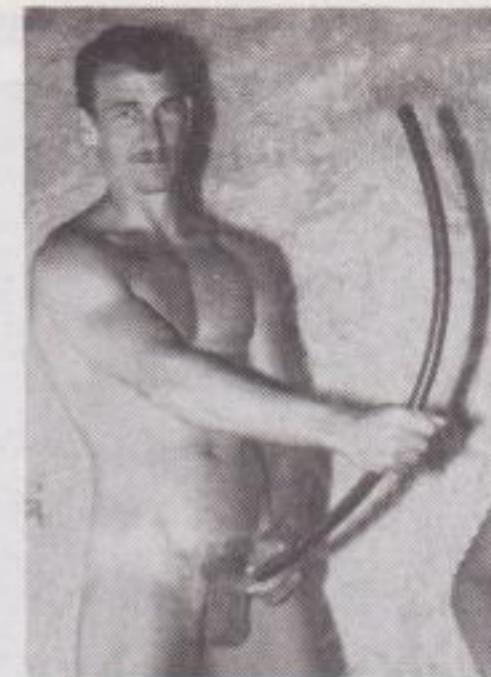

One very quotable line from Old Reliable about his Street Stars, who are the run-away/throw-away "children" of America, comes to mind: "In my juvenile-delinquent models' lives, every one of them has been ordered by abusive parents, Bible-thumping teachers, and insensitive parole officers to 'shut-the-fuck-up.' On camera, I give them permission to spill their guts." Talk about dramatic, violent, passionate intensity! Talk also about the pressure cooker in which Ozzie and Harriet fundamentally try to boil their kids into de-individualized sterility! Old Reliable doesn't create his models' rebellious mindsets; they come to him, someone else's already abused sons.

FETISHES, THE CONSTITUTION, AND THE CONSUMER

Solo Sex can get very Fetish-Specific. Try COA Enterprises' hairy BEAR videos, especially the multiple Solos in *LIVE BEAR*. Try ZEUS's ropes. Try Old Reliable's or Palm Drive's Cigar Fetish videos.

However, caveat emptor; buyer, beware! If you're into Fetish Cigars and/or uniforms—and this is a professional critic/private consumer's point-of-view—forget Florida's Bicoastal Enterprises cigar/uniform videos. Bicoastal's only virtue is one incredible Bodybuilder/Cop/Trucker Solo model whom they grossly underemploy. Bicoastal, from a dozen viewers on the word-of-mouth grapevine, embarrasses itself with the worst camera-work and wieniest editing ever foisted onto a video-hungry public.

Bicoastal could redeem itself by hiring a camera person and an editor. Nobody expects, or wants, a

"big-budget" production from the new Solo Fetish video studios, and no one cares if sometimes the work is very underground, as with Katsam Videos, which, for all their homespun quality, have at least the heat of heart in their substance. Bicoastal videos look like the first Camcorder shoot of a kid's birthday party by a father who didn't have time to read the instruction book.

Bicoastal, to be truthful, has wonderful potential in its models, but the studio knows less than an aborigine about camera-angles, dramatic pace, and editing. Plus the "dialog" is totally comic: "Oh, look, here comes a cigar-smoking cop. Isn't he hot?"). This, fellas, is what happens when guys who live in the "outback" of an "Outlaw State" like Florida, where adult videos and mags are illegal (despite the Constitution) try to make an erotic video. Have they ever seen one?

The message to Bicoastal from the West Coast fraternity of Solo Videographers is, first, move from the repressive state of Florida (why pay taxes to a state that illegally outlaws your First Amendment rights?), and, second, learn some S-T-Y-L-E from the Solo videos already so popular worldwide among video hounds. In five minutes with the right "video brothers," Bicoastal could learn how to turn its one dynamite bodybuilder model into a hot commodity through the use of camera angles and editing.

DUO SOLOS, BONDAGE, AND UNCUT MEAT

If, as in the case of PDV's pro-wrestler Chris Colt, you're into Solo wrestlers, or even Solo turns by grapplers in pairs, who then Solo-strut their stuff and beat their meat, try B.G. Enterprises' and Old Reliable's wrestling videos. B.G.'s new Solo series, *MUSCLE SHOWCASE*, is to masturbation what nitro is to glycerine. For bondage and muscle: pray to ZEUS. For the widest range of fetishes from tits and cigars to grease and leather/rubber, try Palm Drive. For *uncut meat* Solos, check out The Daddy of the Uncut, Joe Tiffenbach's, *FORESKIN STROKERS*. Every studio has a Solo Sex fetish-specific video for someone. All you have to do is find your match in this new Solo Sex genre which, because necessity is the Father of Invention, has been spawned politically by the Meese Commission; medically, by Safe-Sex guidelines; and psychologically by a man's own need, and self-centering obligation, to do it Solo himself every once in awhile.

Nostalgic Suck-Fuck duo-videos have melted away under the new tropical heat wave of Solo Sex videos that are, by their very intense, personal nature, of much greater fetish interest to DRUMMER-MEN than filmmakers William Higgins and J. Brian, each brilliant in their own summer-blond twinkoid way. (Don't misunderstand. Higgins and Brian are/were experts at their chicken-lickin' product, but they wouldn't allow either a fetish, or a grown-up mature Fetish Manbear Leatherman onscreen if he sat on them and farted "Dixie.")

BEST SOLO SEX VIDEOS

Fuck Ebert and Siskel, and, please, assassinate the wimpy Leonard Maltin. You always have to be your own best critic of anything: what you hear, what you view, and even what you read here. Don't trust nobody, bud, in a country where the government practices dispensing "disinformation" to its taxpayers.

However, if you're a DRUMMERMAN yourself, as much as the super-delicious, new-style, non-barfly MR. DRUMMER 1988, Ron Zehel, you may find the rhythms of your drum-beat-offs best reflected in the following very subjective list, which is an addendum to the titles already mentioned above. At least, if you've never viewed a Solo Sex video, you'll have here, complements of DRUMMER, a guide to begin the Solo Beguine.

THE HOT SOLO VIDEO HIT LIST

1. Chris Rage's *WORSHIP!*, starring Frank Vickers
2. ZEUS's *TIGHTROPES 1*, starring Tyler Stetson and Brian Baxter; *TIGHTROPES 2*, starring Buddy Justice and Black Buck Gibson; and *TIGHTROPES 3*, starring "The Golden Greek," Tony Mykos and the Super-Tit Blond, Scott Answer.
3. Palm Drive Video's, *TIT ANIMAL* (highly recommended in DRUMMER 121), starring Jason Steele; *CIGAR BLUES 1* (5 guys/5 Solo J/O cigars) and the all-new *CIGAR BLUES 2: GIGANTES; BIG HAIRY BRUNO*; and Blond Bomber Bodybuilder, Sonny Butts, in both *MUSCLE HEAT* and *9-INCH MUSCLE HARDON*.
4. Old Reliable's masterwork, *I, RICK*, plus, at least 30 more infinite-variety anthology Solo videos, like *SOMEONE'S SONS*, *THE GUY NEXT DOOR*, or *HAIRY GUYS*.
5. B.G. Enterprises hot, new Solo series, *MUSCLE SHOWCASE*, plus any B.G. title starring Wrestler Kid Leopard, who, like a star ballet dancer, usually manages to steal a Star-Turn Solo no matter who else is onscreen.
6. Terry Photo Musclebodyvideo (not X-rated, but very Solo bodybuilders exhibiting themselves.) Also Video Action, Muscle Contest Video, (again, not X-rated, but 200-lb bodybuilders stuffed into 2-ounce nylon posing briefs).
7. Colt Studio's, *PUMPING OIL*, starring Frank Vickers.
8. Peter Berlin, the artsy *THAT BOY* and *NIGHTS IN BLACK LEATHER*.
9. COA Enterprises, featuring very HAIRY, BEARDED guys in *LIVE BEAR* (10 Solos), as well as in the continuing series *BEARSHOT SOLOS*.
10. Joe Tiffenbach/Bud Berkeley's Solo *FORESKIN STROKERS*.
11. Michael Goodwin's *GOODJAC* series, which, in among multiple dudes onscreen, manages frequently enough to feature some excellent Solo-Action sequences.

For addresses for these studios' free brochures, read the display ads and video classifieds in DRUMMER.

A PARTY OF ONE

When you wanna party Solo, the above very subjective list is a real Dirty Less-Than-A-Dozen: a one-handed fistful of Solo Sex video. So get out your leather hood, your tit clamps, your butt plug, your handcuffs, and alls-your-alls for getting off, and don't forget to put a towel between your can of grease and your remote control for your VCR.

"Don't worry. Be happy." Bullshit! You better worry if you wanna be happy a year from now when all H-Word erotica is verboten! Don't just jerk yourself off. Get active! If you want to preserve your right as an American citizen to use your body any way you want, in the privacy of your own home, which is your castle, you better join the ACLU, among other things you do.

This is Ground Control to Major Dick Solo, checking out! Maybe for good! Which would be bad.

TIES THAT BIND

IN THE SCENE

This month, I want to start talking about communications with your partner as the scene is unfolding. My hope is that you can think about how some of these ideas might apply to your own playing style and perhaps enhance your experiences in scenes.

Let's begin with the element of time—it's important to note that a "scene" will often begin before the "action" part actually starts to happen. Likewise, the "scene" usually does not end until what I have called "re-entry" (into standard day-to-day mood) has been smoothly accomplished. These are generalizations, of course, and there are fine scenes happening that lack the pre-action and post-action phases that I refer to here.

My point in mentioning all this is that movement through these phases is usually accompanied by changes in the communication style of the players. One handy way to think of a scene is to think of the five speed transmissions found in fine cars. First gear only takes you so fast. To go faster (farther) you need to leave first gear behind and shift up to second and so on.

Likewise, you may start in "first gear" when you meet someone in a bar, at a party, or wherever. As you cruise and become interested and begin to detect mutual interest, you might want to think about escalating the intensity of your exchange by shifting into "second gear" so to speak. For many guys nowadays, this shift is usually into a talk about safer sex issues and any other negotiations about the content of the hoped for scene.

If there is agreement about safer sexual matters and you think there might be an SM fit, a shift to "third gear" might then happen. This could include more intimate touching, moving a bit closer during conversation, less talk and more looking, dealing with logistics like "Can we do this tonight, and where?", "Do you have a car parked somewhere?", "Do you have to work tomorrow?", "Have you taken drugs of any kind?", "Can we make noise at your place?...you know the stuff I mean.

Importantly, this communication "gear" can, and often does include some hot talk which may or may not hint at possibilities for the anticipated "action" portion of the scene which may have already begun in

the minds of one or both players. "I have a hot little room that I'd like to see you strung up in for a few hours or so.", or "I would really be glad for the chance to try to be of some service to you, Sir."

So far, I have been describing a typical connection between strangers meeting for the first or second time. Moving through the first and second communication "gears" can take five minutes or five weeks.

If you are already in a relationship, you will usually start your movement toward playing with the "third gear" type communications which will sound different than between strangers. So you might get, "I am hoping for some hot time with you on Saturday night, because something very special came in the mail yesterday that I want to introduce you to..." or, "Yes, I will enjoy going out for a while, but I want to save enough time tonight to play with you, so wear something that will make my dick hard, and get on your knees when we get home.", or "I spent some time polishing your boots earlier and got a hardon—is there something I can do to make you feel... better?"

Once the action portion of the scene is at hand, [fourth gear] typically, (yes, of course there are exceptions aplenty) the Top, if He is the dominant sort, tends to determine the amount and variety and direction of the verbal (with words) communications. The bottom, if he is the submissive sort, tends to determine the amount and variety of non-verbal communication (sounds, not words, and movement, both body and eyes).

For example, in scenes that I have had the honor to watch between dominant Tops and submissive bottoms, the bottoms quite often do not speak unless spoken to except to use safe words if available, to answer questions, and to make reports about body conditions ("I think I should tell you that I'm getting cold.", or "The knots on the left side are slipping.", or "My contacts are still in", or "Sir, my hands are falling asleep and will be completely asleep in about 10 minutes or so.")

Conversely, bottoms tend to respond to whatever Top is doing with a wide range of sounds and movements that reveal their reactions to whatever is happening. IN GENERAL, Tops do more talking in a scene than bottoms, and bottoms make more

wordless sound. In many SM relationships that have stabilized, the men will often play together for hours with scarcely any words exchanged whatsoever—but that doesn't mean they aren't communicating. They just don't feel the need to use many words.

Many bottoms that I have spoken with both in and out of the therapy room who consider themselves to be successful players have said that they tend to prefer to communicate with Tops in non-verbal ways during the "action" part of the scene, UNLESS there is some important problem that develops—then, they are more willing to use words.

Some skilled bottoms can purposely inform Tops about the tightness of restraints merely by glancing at a tight one with a frown or with an accompanying twisting motion in the wrist. I know of bottoms who have stopped unsuccessful scenes cold just by faking something having gotten in their eye. They can encourage a Top to whip them harder (or softer) just by moving their ass or back a bit differently, or with a smile or a groan of pleasure. All this, and more, without words of any sort.

In other articles that have appeared in this space, I have referred to "cuing" and these are just other examples of the art of cuing at work. Of course, bottom cues are wasted on Tops who don't know how to read the cues or miss them altogether! (There are also Tops who have no interest in bottom's cues and will do exactly as they please up to, and in some cases, beyond bottom's limits.)

My guess about all this is that by choosing not to use words unless it's urgent, these bottoms reinforce the feeling in the scene that the Top is in total charge of events—they do this because they believe it makes their scenes hotter. This can support a Top in a scene and encourage Him to be more spontaneous. In actuality, for scenes WITH THESE BOTTOMS, events in the scene are influenced by BOTH Top and bottom.

Fifth gear happens when the players fall into a comfort with each other that allows them to feel that the scene is going to work out well. The communication exchanges are smooth and complete enough to get the job done without being excessive. Things are hot and it's happening. At this

point, they can kick the scene into neutral whenever they want a rest and then go right back into high gear again.

When the action portion of the scene seems over, the "re-entry" portion of the scene begins. Some guys refer to this as the "coming down" part. If the scene has gone well, the partners are usually in a non-drug "high" (also called an 'SM High' by some) and are feeling very close to each other and TO THEMSELVES. This "High", which is an altered state of consciousness, is a desirable state for most folks in the scene, and is the usual payoff for doing SM in the first place.

The SM "High" can be sustained for quite some time, depending on how the re-entry is Managed. If the bottom is really wiped out at this point, the management of these moments is usually in the hands of Top. Often, good S&M between guys in a relationship creates a sort of hypnotic spell

between them when the scene ends. This "spell" will be broken if five minutes later one of the guys starts talking about work or something unrelated to the emotional setting that has just been created by playing.

The altered state of consciousness that I refer to here is threatening for some people—so is the intimacy that goes with it. If this kind of intense intimacy is scary for one of the players, he may try to break the "spell" of the SM High as soon as possible by talking about something unrelated to what is happening in the room, or by immediately starting to fuss with his clothes or start cleaning up—ANYTHING to escape the intimacy.

Disturbing the SM High during the re-entry after a scene can make for a rough landing emotionally for the other player. When either one breaks the spell, the other often feels discarded, abandoned,

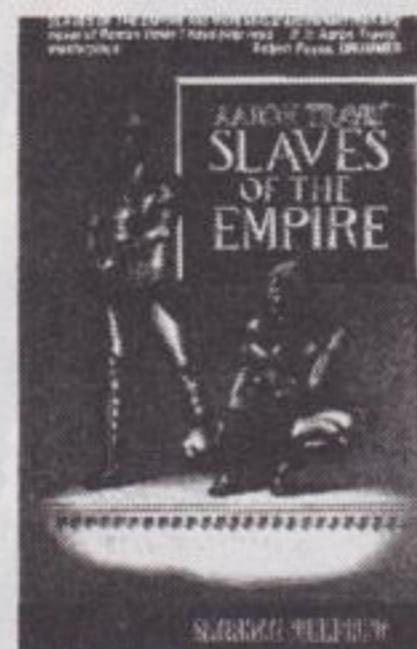

foolish, or unappreciated. When the spell is broken by one, the other often reports the feeling that he has just been used like a court jester for the other's amusement—this can hurt.

These "re-entry" times are moments to be cherished and lingered over like fine wine or a favorite painting, or perhaps a special sunset. These are times for touching and the little tendernesses that say how you feel about sharing this time in your lives. These are the moments in which SM becomes part of the glue that holds your relationship together and makes it so special. Please don't rush past—you will miss something wonderful that is found nowhere else. Play well.

DRUMMER VIDEO

THE BEST S/M IS THE REAL STUFF

The 15 Association is one of the focal organizations of San Francisco S/M life. Their play parties are renowned. And now you can attend one without ever traveling to the City by the Bay, because the 15 have just made "The 15 Tape."

This tape is the real stuff—leathermen at play in their own environment. The filming is a little raw, sort of like a home video. Edits are sometimes achieved when the camera shuts on and off, so jumps from one scene to the next are often jolting. But who cares? The people in this film know what they are about when it comes to "playing."

"The point of making the film was to do some real S/M. There's not enough good stuff around," said 15 Association member Peter Fiske. "We brought in the lights and let people play. We had such a good time we forgot the cameras were there. It went beautifully."

Fiske says the club has received such good feedback about the tape that they have just completed another, which will be released in February 1989. The second video was also shot by Clubmember Rob Cates, with assistance from another member, named Strap.

The first tape opens with a prologue: a smooth, beautifully built, tall, nearly naked "David" in a hood (who returns in several other scenes completely naked!) straightens bundles of long, thin branches. He then straps a fully clothed man to a table, pulls down the man's pants and very expertly thrashes the man's exposed ass with the sticks. When he finishes, he unstraps the man, and they shake hands. Very civilized.

This appetizer is fitting, because the 15 are well known for their whips, paddles, crops and straps, and they do not disappoint. "The 15 Tape" is packed with skillfully executed, exciting whipping, paddling, cropping and strapping scenes. In fact, it may be the best film of this genre I have seen.

My favorite segments take place in the Association's "whipatorium", where two different bottoms willingly bend over a low, padded sawhorse and allow their asses to be caressed with some loving leather instruments. Neither man is bound to this horse, but each takes a pretty severe beating. The first man, whip connoisseur Peter Fiske, has his ass bloodied, but he stares into the camera relaxed and content. Whips can be mystical instruments in the right hands, and against the right rear ends.

My second favorite whip scene features Strap, who works on a young bottom in

leather cap, jacket and black handkerchief blindfold. The bottom has a stunning hairless white ass packaged in black leather chaps, and I just love to watch him bend over that horse while Strap spanks, crops, whips, paddles and straps him for more than fifteen minutes. Strap mounts an aggressive, athletic attack, but the bottom hardly moves a muscle, though you can hear his moans and cries beneath the mood music playing in the clubhouse.

Between the whipping scenes, are some scenes of social groping, masturbation and sucking between club members. Every so often filmmaker Rob Cates has inserted stills of leather drawings by San Francisco artist Les, who does an annual calendar of S/M art for the 15.

The best non-whipping scene involves our lithe "David", who is tied with one arm on his back to a table. His other wrist is handcuffed to his dick, and he jerks off while various players torture his tits. It's a little long, but very hot.

The film concludes with quick flashes of various scenes we have witnessed in the film, and people we have met. This segues into shots of the 15, and other leather folk at a recent San Francisco Gay Pride Festival.

I highly recommend this hour-long tape to any reader who wants to have some real S/M to plug into the VCR. This is not the phony fluff stuff leather usually available in video shops. The film costs \$40.00 from the 15 Association, PO Box 421302, San Francisco, CA 94142-1302. Please allow \$5.00 shipping and handling per tape.

"If you like our tape, you may want to come to our play parties," added Fiske. The 15 play the third weekend of every month.

LOVE AND UNCURT HAND JOBS IN BLACK AND WHITE AT THE BODHI TREE

Big uncut dicks!!!

Seen that one already, have we?

Okay. How about: Self-assured, smooth-talking sexy black men with big uncut dicks and starry-eyed white boys in search of true love!!! (and money) (not necessarily in that order)?

That one too, eh? Well, aren't we the jaded ones?

But I'll bet we've never seen this one: Sexy, racially mixed airline steward roommates, each in search of: 1) true love 2) big uncut dicks 3) money 4) cut flowers 5) sexual-spiritual nirvana as achieved through human potential movement visualization meditation (cf. see "Bodhi Tree" bookstore, West Hollywood) 6) safe

sex 7) fashion leather 8) pyramid-shaped fuck rooms, and...

Oh, sorry. I forgot the subplot, a coming-out story that involves a quirky, rather plain, oddly dressed small town boy of twenty-eight who comes to El Lay ("the city of dreams") on the advice of "his minister" (!!!) to get laid by another man!!! And, to boot, he picks a black man he meets in a Hollywood park to be his first sexual encounter!!!!

Believe it or don't, you can find it all in Altomar Video's newest release, "Black Magic, White Heat." And, believe it or don't, despite my requisite snide opening remarks, I actually liked a lot of this film. The camera work, sound and editing are not half bad. The script and acting are more natural than most porn flicks I've seen. Perhaps the age of the actors, generally late twenties and older, has something to do with the quality of the acting. Most of the pretty kids in gay skin flicks are afraid to speak for fear their voices will crack or their tongues will trip on an "sssss." These guys have no such problem.

Best of all, the sex in "Black Magic" is not repetitious, unless you count too much masturbation. Cameraman Rolf Eric Bergman has attempted to give each sexual encounter a character of its own. None of the shots dwell too long on one fellating mouth or squirting dick head. He keeps it moving. The result is, amazingly, visual interest! Hello, William Higgins?

Although it may sound funny, writer/director Thor Johnson, who brought us "Cult of Manhood" and "Max Makes It Big" (both of which were reviewed by Ken Lackey in Drummer 114), has attempted to create a relevant New Age gay "erotic" movie in "Black Magic, White Heat." And, despite the superficial hokiness and odd plots, I believe a sincere message comes through: Go for your dreams.

Amusingly, he's added a few details to make modern Californians feel right at home, including crystals (as in quartz), condoms, tinkling bells, soft synthesizers and the power of positive thinking. And for leathermen there's even a few accoutrements: a chrome cockring here, a ball harness there, some chaps, a guiche piercing, etc. But, sorry, no serious stuff.

Most of the men aren't bad either. And they've got some pretty nice looking Big, Uncut Dicks! Altomar is also selling a new thirty-minute preview tape, \$20, plus \$3 shipping, and 6.5% sales tax for California residents. Write or call Altomar Video, 7985 Santa Monica Blvd., Suite 109/255, West Hollywood, CA 90046. (213) 665-1033.

LEATHER Larry Townsend NOTEBOOK

Dear Larry,

As a young (27) bike rider, I have really gotten into leather clothing. I think I look good in it, and I certainly enjoy the feel against my skin. I love to go out naked, except for my leathers. Just knowing that there is nothing between me and all that black leather is a real turn-on. Over the past couple of years I have seen several pictures in various magazines (not just gay ones) of guys in beautifully designed and fitted outfits, but I've never been able to find similar things in any of the stores I've gone to, and no one seems to know how to make them. The things I like most are maybe not made in the US. One of the most distinctive things about them is a little band of red leather along the seams of the pants and jackets. Do you know where I might go, or write to get a catalogue of these really hot leathers? I'm a pretty standard size, so if they come ready made I should be able to buy them "off the rack".

Randy, Detroit, MI

Dear Randy,

Although there are plenty of leather shops in this country which can make about anything you want, I think the items you have seen are probably European. The red seams are a sort of trademark. Try: Hein Gericke, Expressverstrand, Speditionsstrasse 1-3, D-4000 Dusseldorf 1, West Germany. They are a large mail order outfit, and offer all kinds of leather clothing. Their catalogue is about the size of a small telephone book, so they'll undoubtedly want a few bucks to send it. One caution: A lot of the better leather clothing made in Europe is lined, often with silk or nylon. This might not satisfy your desire to be "naked in leather".

Dear Larry,

I have become involved in a strange situation, and I'm not sure how to handle it. I'm 43, in pretty good physical shape, and making a better than average income. I have a nice apartment, but not much time or interest in the chores necessary to clean it, etc. I replied to an ad in a local gay throw-away and hired a young guy to clean my pad once a week. He had references and so forth, so I wasn't concerned with giving him a key and letting him do his number while I was at work. About a month ago he called me one evening and asked if he could work

on Saturdays. Of course, that meant having him there while I was at home, and at first I wasn't too cracked on the idea, but I finally said we could give it a try. Now the kid is a very hunky guy (I'll call him "Bob"—not his real name), and he works in just a pair of cut-offs. Well, to make a long story short, the inevitable has happened. Except that Bob is into all the Drummer-type of action, and he's been getting me into it—as the bottom. I love it, of course, and really dig everything that he does to me. Now we've come to the dilemma. I'm hiring him to do what is essentially grunt work, but he is becoming my Master. It's awkward to tell the guy who's just tied you down and whipped your ass that you want him to wash the windows or scrub the kitchen floor. On the other hand, I certainly don't want to get into the very situation I hired him to remedy. So far, the issue hasn't come up (between us), but I know it will have to. Suggestions?

Name Withheld

Dear Withheld,

You are in a situation with so many possible variables, it is hard to foresee exactly how things are going to develop. I'd suggest a couple of possibilities. Tell him of your concern and suggest that he do the apartment work on a day when you aren't there. This way, there isn't any employer-employee exchange, at least not face to face. You can then play your games under circumstances which are separated from his work. Or, if your relationship is developing into a play-for-pay situation, and that's what you both want, hire someone else to do the housework and have your sex with Bob when and where it's convenient. In any event, I agree that the present arrangement is going to become awkward and you are wise to try planning ahead.

Dear Larry,

At what point in a relationship do you think it is safe to stop having "safe sex"? My lover and I have been together for almost a year and a half. We have both tested HIV negative for all this time (three tests each, starting about the time we met and the last one a month ago). Neither of us is playing around outside the house—no three ways, etc. Second question: how about amyl? We both used to enjoy using poppers, but are now afraid to do so. I know you always

advise on the side of caution, so what do you think?

C.R., Long Beach, CA

Dear C.R.,

If you haven't been exposed to the AIDS virus, you aren't going to pass it on—one reason for so many guys entering into monogamous relationships. As long as you can each trust the other to keep it that way, I'd say you were safe to do about whatever you want together. As to amyl, there is—again—no way for it to contribute to your contracting the virus as long as neither of you has it to start with. The other health risks inherent in using it, of course, are going to remain.

Dear Larry,

You have apparently been to Europe a number of times, so perhaps you can advise me. I am going to London over Christmas and because of the current health crisis I want to take some personal items with me, such as dildos, etc. What are the chances of my having an embarrassing incident going through customs? And if they do make me open my bag and find the things, are they apt to take them away from me?

S.D., New York, NY

Dear S.D.,

Assuming you look like an average tourist, the chances of having to open your bags going into England is remote. Even if they do open them, it is unlikely they will take a dildo away from you, since it is not an illegal item. Do not, of course, attempt to carry any controlled substance (dope). If you are concerned about having your private sexual tastes bared before the customs inspectors, however, I might suggest that England is quite a civilized country, and London has a plethora of adult book stores that sell all kinds of marital aids. You can easily buy them there and save the potential embarrassment. Coming back, US customs are more likely to inspect your baggage, although lately they are also too busy to be bothered unless you look like a doper. □

If you would like to have Larry Townsend address a particular problem or issue, you can write him c/o Leather Notebook, Drummer, PO Box 11314, San Francisco, CA 94101-1314.

NOW YOU HAVE TWO REASONS TO BUY VITA-MEN

30 DAYS SUPPLY

You probably don't need the VITA-MEN formula if you are not a male, 21 years of age or older. Or if you are and you consume a perfect diet daily, with little or no junk food, consume no alcohol nor smoke, keep regular hours and there is little or no stress in your life.

And if your idyllic life includes no exposure to whatever it is that causes colds and flu, along with many of the other communicable diseases that plague mankind.

Now, we certainly are not claiming that VITA-MEN or IMMUNITABS will make you immune to all the things that are going around, but considering what is going around, we honestly feel that your chances are considerably better if your body is operating with its immune system on battle-stations alert.

There are a great many reasons for preferring VITA-MEN products to the run-of-the-mill drug store variety. Or even most of the mega-formula brands with something for everyone.

If you are a young man, aged 21 to whatever, after cleaning up your act, may we suggest you perfect your diet. You are whatever goes inside you. And VITA-MEN was designed by dedicated doctors to do just that, buddy.

GENTLEMEN, START YOUR ENGINES

—KJL

DRUMMER is proud to present the 1988 Mr. Drummer regional finalists: a divinely decadent dozen delicious men. Dominant. Debonair. Definitely down-and-dirty. Photographer Drew Nicholas has captured these twelve traffic-stoppers in an exciting array of erotic moods and in various stages of dress and (gulp) undress. Drummer will be sharing these photos of our fantastic finalists throughout the cumming year. We're certain they'll have the same cock-stiffening, heart-pounding effect on our readers as they've had on us.

So, sit back, relax, grease a palm or two, and become acquainted with a dozen good reasons to buy Drummer. Yeah, we know. You buy it for the articles. Well, for those of you who like nothing better than to look at photos of handsome, hunked out he-men, have we got a guy for you! Twelve, in fact, beginning with our brand-new Mr. Drummer, riveting Ron Zehel, (see page 11) a young Knight from Columbus, Ohio, where they grow 'em smooth-chested, sweet-assed and self-assured. Ron says that as a Top, he is always striving to perfect his SM technique. Looks pretty perfect from here, but I digress. For an in-depth and probing view of righteous Ron's other endowments, watch for an upcumming issue of Drummer! We'll peel away the jock and reveal what be-cums a leather legend most.

Meanwhile, meet the mighty men who sought the prize. Get strokin'! One word of caution, however. Once the pages get stuck together, it's damned hard to get 'em apart. I speak from first-hand experience.

Sizzling Sex Fantasy on Stage!

SDG ORGANIZES

The Seattle Dungeon Guild has formed a formal organization interested in furthering the concepts of S and M. After spending several years as a loosely structured group—sometimes not even sure of its membership—they have written their purposes into a set of by-laws aimed at giving the Seattle area a place not only to play, as they have done with several "dungeon" events, but a place to learn and develop philosophies and techniques in S and M play. Saturday June 18th marked their official installation of charter "guildsmen" and officers. This invitation-only installation was followed by a men-only dungeon open to the public.

With the development of a set of purposes, the Guild has created the foundation needed to build a group that is interested in learning more about the techniques of S and M play. The Seattle area can look forward to seeing the Guild take a leadership role in the development of S and M based on safety and education along with a sharing of ideas, philosophies and techniques.

The purposes developed by the Guild are:

1. To provide a safe environment and supportive group for the practice of gay male S and M among consenting adults.
2. To provide training to members in safe S and M practices, safe-sex techniques, dungeon and play equipment design, construction and maintenance, and in basic first-aid and health training.
3. To encourage, support, and offer oversight of the furnishing and use of individual home dungeons and "toy closets" by Guild members.
4. To provide educational opportunities to the gay community in the practice of S and M and its philosophies.
5. To be a resource for information, referrals, equipment and training materials for the guild, its individual members, and for the local gay community.
6. To act as a liaison with other fraternal organizations, locally, nationally, and internationally.

With these purposes in mind, the Guild

will continue to work throughout the summer putting together a program of workshops and activities to further their own education and abilities as well as those who are interested in joining the Guild.

It is not all work and no "play" however, the Guild had a "members only" party in August, sponsored two dungeon parties in conjunction with the Living in Leather III conference in October, and is planning more such activities for the future.

Anyone wishing to know more about the Guild and membership should contact the club at its new address: SDG PO Box 21911, Seattle, WA 98111.

The Master Key
Vol. 1 No. 1

GMSMC— More initials in Philadelphia.

In the summer of 1988, the Gay Men's S/M Co-operative of Philadelphia was founded by men with a common interest: sadism/masochism. The men who founded GMSMC felt Philadelphia and its leather community needed something different. With this in mind, our goals and purposes were first established, expounded upon and are now being set in motion.

Below are these goals and purposes. We hope you gain from them and begin to understand why we call ourselves "Gay Men's S/M Cooperative".

EDUCATION: The Current health crisis has forced everyone to look for and adopt safe sex practices. Through demonstrations and lectures we hope to show that S/M is one of the safest forms of sex. We stress the motto "Safe, Sane and Consensual".

OUTREACH: For too long, the S/M-Leather members of our community have not been accepted as a respectable element of the Gay community. Much of this is due to a lack of understanding. It is our hope that through the observations of our actions and one-on-one discussion with us, that the Gay community as a whole will see, understand and accept the S/M-Leather community as a caring, intelligent faction. We need one another to survive divisive actions and people outside of ourselves.

FUNDRAISING: Although money does come from some government and private sources to assist those individuals and groups fighting for our lives, we feel it is not enough. Maintaining funding for research for a cure for AIDS is but one part of the problem. Through fundraising for

designated charities, we will not only assist in finding a cure, but will also help those individuals already stricken maintain dignity in their lives through one-on-one interaction. We must embrace all Persons with AIDS.

We hope this bit of information has given you some understanding about GMSMC. Needless to say all points have not been covered. However, feel free to contact us at the address below. We are first and foremost a co-operative which means that we are pooling our resources together to achieve our goals. This is an organization of individuals working together to make the Gay community more aware of not only S/M but also the people who participate in it.

INFERNO XVII

Chicago Hellfire Club's Inferno XVII was held September 8-11 in Douglas, Michigan. I have been to every Inferno held and it has become difficult for me to find the words to describe the event. This year the by-invitation-only event was filled to its 200 man limit within a month after the invitations were distributed and, for the first time, over half of the men attending were members of CHC. While CHC membership has been growing slowly over the years, it now stands at about 175 worldwide, the percentage of members attending Inferno every year is steadily increasing. All I can say is that this year, as every year, was the best one yet!

Articles on this year's Inferno from a couple of different viewpoints, and some photos from this year's and last year's events, will be published in upcoming issues of *DungeonMaster*. Watch for them.

LIVING IN LEATHER III

This year's version of Living in Leather was also the best one yet! Over four hundred men and women attended. All areas of the west coast from San Diego to Vancouver were well represented as were other major western cities such as Denver, Dallas, and Phoenix and there were scattered representatives from Massachusetts, Ohio, Missouri, and other eastern areas. Living in Leather III was also well attended by hetero- and bisexual men and women, with all of the west coast clubs well represented.

ARD

More detailed reports on LIL III will appear in the next issue of Drummer along with information on the very positive strides taken there towards formation of a truly national organization of SM organizations and individuals.

SM MEN OF COLUMBUS

Columbus, Ohio, has the distinction of not only being the home of the new Mr. Drummer, Ron Zehel, who is also Mr. Midwest Drummer 1988, but also of Mr. Great Lakes Drummer, Erik Alexander. Both contestants were sponsored by the Columbus Eagle. Ron, who won the Eagle's Mr. Columbus Drummer contest went to The Dock in Cincinnati where he won the Mr. Midwest Drummer title. Erik, who had also participated in the Mr. Columbus Drummer contest, was sponsored by the Columbus Eagle in the Mr. Great Lakes Drummer contest at the Detroit Eagle, where he also took the title. Congratulations to Columbus for producing TWO great DrummerMen and to the Columbus Eagle for supporting them!

Congratulations also to Columbus on having one of the newest men's SM clubs in the country. The SM Men of Columbus is an informal group that has been getting together for the past year or so to learn from each other and to play. Mr. Drummer 1988 is a member. Come on fellas, don't keep your light (or anything else) hidden. Send us your contact address and more info about the club. I'm sure that men from all over Ohio, and elsewhere, are anxious to come play with you.

THEATRE OF THE DEPRAVED

And now for something different . . . 6 1/4 Perverts Productions Presents: Theatre of the Depraved, An Evening of High S/M Drama . . . oops strike that last word and substitute "Trauma".

The "6 1/4 Perverts" are planning this evening of brief fantasy and SM skits and erotic presentations scheduled for December 3, as a by-invitation-only fundraiser for the AIDS Emergency Fund. Sounds like fun. All Bay area S/M clubs have been invited to attend/participate.

VASM ANNIVERSARY VI

Careful planning, balanced programs, and good locations all worked together to

provide the members and guests attending VASM's 6th Anniversary weekend a pleasant and relaxed event. The Hotel Dufferin was convenient (and included parking—a big plus in this vehicle-crowded city) to downtown and all weekend activities were in one location. Three couples competed in a "grab bag" bondage competition which preceded the Anniversary Banquet.

Three well-presented technical demonstrations followed. George Cameron of Vancouver began with "Basics of Bondage"; John Ferrari of Los Angeles presented "Points on Piercing"; and Dean of Seattle was most eloquent regarding the elations and evils of "Entertaining with Electricity." All were informational and stressed safe-sex practices which resulted in both peace-of-mind and pleasure for all participants. Attendees then adjourned to local watering holes before returning for some rest and/or recreation through much of the early morning. Sunday brunch was a pleasant capping of the festivities.

The Banquet was also a recognition of George Whiting retiring as VASM president and his years of work for the oldest SM Organization in the Northwest. Commendations to Georges W. and C. for their work. The weekend was completely successful and thoroughly enjoyed by all attending.

COSMOS FORMING

The following is quoted from the SigMa Newsletter dated October 1988: "Recently, at the conclusion of CHC's Inferno, a committee with representatives from Chicago, New York, Boston, and Washington, DC met to discuss COSMOS. The proposal for an organization of organizations is close at hand and worthy of our full support. A meeting of the Founding Member Groups will be held in Chicago on 5 November to create a COSMOS, to ratify its charter, and to establish its initial working structure and goals for its first year of operation."

BEYOND VANILLA

"Beyond Vanilla" is a panel of Dallas area leathersex representatives, each specializing in a leathersex topic. Over 60 people attended the Fall 1988 "Beyond Vanilla" workshop. Demonstrations in January will again include electrical devices, bondage tools, whips, belts, and anal toys. Discussions will encompass role playing, relationships, leather spirituality, and health precautions. The January meeting is scheduled for 7PM on Tuesday January 17 at the Metropolitan Community Church, Dallas, TX. For information contact Marc Lerro, PO Box 64405, Dallas, TX 75206.

BOSTON BIKERS

Please include our address in your listings. We are a gay male motorcycle club. We are specifically motorcyclists. We are also interested in learning of other Motor-

cycle clubs (not pseudo MC clubs). We are open to all—but are just into—the real thing. We have just formed three months ago, have 43 members with Bikes and are growing fast.

PHILADELPHIA P.U.P.s

Please include The Philadelphia Uniform Patrol (P.U.P.) in your Club Listings. Our local social club is primarily interested in men who are into Police & Military Uniforms and are interested in wearing them outright. We meet every 2nd Saturday night of the month at our Home Bar—The Bike Stop, for a good time . . . and boy, do we draw them from New York City and Washington, DC, too! We are purely a social club anticipating our 3rd Anniversary this November 12, 1988. We have had joint ventures with the American Uniform Association and have attended Leather events in the Philadelphia, New York and Washington, DC areas.

Our P.U.P. has also been proud to sponsor the current Mr. Northeast Drummer, John Scancarella. In previous contests he has also placed as a finalist in the Mr. Mid-Atlantic Leather and Mr. New York Leather contests.

Where Leathermen Meet.

By placing an ad in this section, a bar or other business is telling you that they welcome Leathermen.

By accepting their ad, *Drummer* is telling you that the bar has been recommended by a Leather/SM club or a recognized individual in the community as a good place to meet and socialize with other Leathermen. In larger cities, these will be THE leather bars; in other areas, they will be the more general purpose bars where Leathermen do go to socialize.

Help us alert *Drummer* readers and travelers to the RIGHT place to go to meet Leathermen in your part of the world. Send us your recommendations and talk to the right bar owners and managers about placing one of these low-priced ads. Your knowledge of members can make you a member!

Drummer challenges its ingenious readership to test its meat-matching abilities for fun and a prize! Perhaps you considered entering our Rex Story Contest, but realized that your true talents lie in other areas. Here's a contest designed with the cock-eyed in mind. Match the Mr. Drummer member with the Mr. Drummer titleholder, using your five senses, intuition, a slide rule or first-hand knowledge!

Please note: Eleven drummerdicks are pictured here. There are twelve Drummer regional winners (see p. 11-13 and 82-91). Each of the eleven belongs to a different contestant. *Would we drive you crazy with duplications?* Certainly not. In fact, we will be publishing erotic portraits of all twelve regional winners in the cumming months to give you a hand.

Fill out the coupon with your choices (only this official entry coupon will do: *no xerox copies please!*) and mail your entry no later than December 31, 1989, to:

**Match the
Member Contest**
Desmodus, Inc.
PO Box 11314
San Francisco, CA
94101-1314

The coupon with all eleven appendages correctly identified and which bears the earliest postmark will be declared the winner. This decision will be made by the officers of Desmodus, Inc., and their decision will be final.

**The winner will receive a
Leather Fraternity membership or
renewal, including twelve issues of
Drummer delivered by US Bulk Mail,
a free 50-word ad in twelve issues
of Drummer's Dear Sir, and free
mail forwarding to other
Dear Sir advertisers.**

Employees and officers of Desmodus, Inc., or Up Your Alley Productions and their families are ineligible. The twelve Mr. Drummer regional finalists are themselves ineligible. Eligibility will be decided by the officers of Desmodus, Inc., and their decision will be final.

**Test your skill,
find your thrill
and
may the best
cockhound win!**
